FOREWORD

Capital Development Authority is an Autonomous body established under Capital Development Authority Ordinance, 1960. The functions of the Capital Development Authority are regulated under various Rules, Laws and Policies. Different amendments have been made in these rules/laws but they are not available in updated form for general public.

Mr. Naeem Akbar Dar, Assistant Director (Law), Capital Development Authority has made a good effort by compiling the book “The Islamabad Laws” containing various Rules, Regulations, By-Laws and important notifications mainly concerning the Capital Development Authority and the Islamabad Capital Territory Administration.

The perusal of the above book indicates that the compiler has put up strenuous efforts in compiling upto date Laws, Rules, Regulations, Policies and especially the case law relating to Capital Development Authority.

I hope that this book will be helpful to the officers/officials of Capital Development Authority, Islamabad Capital Territory Administration and legal fraternity as well as to the general public.

PREFACE

By the grace of Almighty Allah, we are pleased to launch the third edition of “The Islamabad Laws”. The book in your hands is a compilation containing extensively up-to-date Laws relating to CDA and ICT Administration with proper referencing and footnotes along with comments based on case law of Superior Courts of Pakistan.

Unfortunately, the laws dealing with these issues are available in scattered and not in compiled form, with result that for resolving the issue several books have to be consulted. This is an attempt to meet the requirement of bringing all the available laws, provision of laws and other allied legislation in one book to facilitate those who are directly or indirectly concerned.

It is hoped that this collection of laws will be very useful for legal practitioners, officials, concerned persons and all other users. Though it might not be an ideal or perfect work in all respects or according to wishes of users or concerned persons. Being the first effort of its kind, it might require improvement, and we are open to welcome all suggestions and proposals for such improvement, additions and corrections for serving you in a better way and be thankful to you for such guidance and cooperation.

Every effort has been made to make this publication error-free but there is possibility of mistakes, errors and omissions but all it will be without any bad intention. However, we shall be thankful if you point out about such mistake, error or omission for rectification in future editions and benefit of others, Your cooperation, guidance and assistance will be of tremendous benefit for us.

All suggestions and comments will be welcomed for improvement of quality of this work.

COMMENTS

Synopsis

1. Compensation, principles for
2. Modification of award
3. Improvements
4. Un-Islamic
5. Determination of market value.

1. Compensation, principles for. Owners whose lands are acquired should be paid compensation
which should be just and equitable keeping in view the consideration of land at the time of
acquisition on the basis of guidelines given by Superior Courts [2002 SCJ 189]. There was a
difference between what is called technical definition of the word “market-value” as contained in
Section 2(k)(i) and 2(k)(ii) of the Ordinance on the one hand and “the compensation amount” to be
paid to the land-owners on the other hand. Compensation amount was total and overall amount
whereas market value was simply one of the items to be taken note of in fixing or compiling the
compensation amount. The market value in other words was just a base and start and not the end
of the process of compiling the compensation value [PLD 1977 Lah. 1200 = PLJ 1977 Lah. 605].
In sub-section (2), the sentence “the aggregate of the average market value as aforesaid
determined with reference to its classification recorded in the Register of Haqdaran Zamin as in
force on that day and 25% of such value” refer back to clause (i) of section 2(k) where it is written
that market value means in relation to land acquired before the first day of January 1968, the
average market value thereof prevailing during the period commencing the first day of January
1954 and ending on the 31st day of December 1958. Thus the aggregate value would be the sum
total of average price during 1954-1958 period plus 25% over and above that [2002 SCJ 189;
PLD 1977 Lah. 1200 = PLJ 1977 Lah. 605]. While determining market value, relevant
transaction of the land acquired and of the similar land of neighbourhood/locality is also to be
taken into consideration [2002 SCJ 189].

The date of acquisition is the relevant date for determining compensation [PLD 1977 Lah. 1200 =
PLJ 1977 Lah. 605].

2. Modification of award. Any award of compensation made before the commencement of this
Ordinance in respect of any land acquired on or after the first day of January 1968, shall be
modified so as to raise the amount of compensation specified therein to the amount which would

1 Subs. ibid., for full stop.
2 Added ibid.
3. Improvements. The owner of the land is entitled to the value of the property in "its actual condition at the time of expropriation" with all its existing advantages. This indeed is the general law. There is nothing in section 28 read with section 2(k) or in any of the provisions of the Ordinance in force to warrant the conclusion that the Deputy Commissioner was not required to award compensation for the land according to its existing classification on the date of the expropriation of the owner thereof. Therefore, the directions, if any, issued by the Authority under section 35 of the Ordinance to the effect that in awarding the compensation bona fide improvements made by the land-owners to their lands after 1958, but before their acquisition must be ignored, were ultra vires and in excess of the powers vested in the Authority under the Ordinance. Even the amendment introduced subsequently into section 2(k) by the Capital Development Authority (Amendment) Ordinance VII of 1968 had no effect on this state of affairs on the lands acquired before 1-2-1968 [PLD 1976 SC 752].

Before amendment of definition of "market value", in relation to land acquired on or after 1-1-1968 as inserted by amending Ordinance, 1968, pegging classification of land as recorded in Register of Haqadaran Zamin as criterion for assessment of compensation of acquired land, no such pegging of classification of lands existed nor any restriction imposed by statute in that direction. Nothing in definition of land as given in Ordinance XXIII of 1960, either expressly or by necessary intendment warranted conclusion that embargo against award on account of any rise in level of prices operated in any other direction as well and precluded landowners from claiming compensation for bona fide improvement effected in quality of their acquired lands during 1954 to 1958. M.L.R. 82 of 1960 imposed no bar against landowners in effecting improvements to their agricultural lands by improving upon their classification and agricultural potential as such.

By the introduction of section 2(k) in the Capital Development Authority Ordinance, 1960, defining the term "market value" the Legislature has simply pegged up the average prices generally prevailing during 1954 to 1958 in respect of the different kinds of lands in general in the locality. There is nothing in the definition, either express or by necessary intendment, to warrant the conclusion that this embargo against the award on account of any rise in level of prices, was operative in any other direction as well and precluded the landowners from claiming compensation for the bona fide improvements effected in quality of their acquired lands made during this period. Under clause 4 (1) (a) (ii) of the Martial Law Regulation No. 82 (known as Pakistan Capital Regulation, 1960), a restriction was imposed to the effect, that no person shall within the Capital site convert any land being used for purposes of agriculture to any other use. Similarly under clause 4 (1) (b) (ii) of the Regulation, it is laid down that no person shall outside the Capital site convert any land used for purposes of agriculture to any other purpose except in accordance with directions issued by the Deputy Commissioner. In these provisions, there was no bar imposed against a landowner in effecting improvements to his agricultural land by improving upon its classification and agricultural potential as such. There is nothing in section 2 (k) or any other provisions of the Ordinance to warrant the conclusion that compensation could not be allowed for any such development to the land effected up to and as on the date of its acquisition. In practical terms the value of any interest in land which is compulsorily acquired under the Ordinance must be ascertained by reference to the average market values prevailing generally during the period from 1954 to 1958 and for that purpose the interest in land actually acquired at the material time on the date of expropriation must be deemed to be subsisting during 1954 to 1958. For the first time under 1968 amendment in relation to land acquired on or after the first day of January 1968, a
The Islamabad Laws

Further clause was inserted in the definition and this had the effect of pegging the classification of the land as recorded in the Register of Haqdaran Zamin as in force on that day, as the criterion for the assessment of the compensation of the acquired land. But before it, there was no such pegging of the classification of the lands. There was no restriction imposed by the statute in that direction and the compensation for the acquired land had to be assessed on the basis of its subsisting classification on the date of the acquisition [PLD 1976 SC 752].

4. Un-Islamic. The Provisions of section 2(k) and 30(l) of the Ordinance declared as repugnant to the injunctions of Islam. The Federal Shariat Court directed, that, the required amendment be made in the said Ordinance [PLD 1992 FSC. 361].

5. Determination of market value. Authority declined award with regard to compensation of land acquired in 1968 under provisions of Capital Development Authority Ordinance, 1960, as per classification of land entered in Revenue Record. Owners of land so acquired disputed award of Authorities contending that market value of land should have been calculated in accordance with Sections 23 & 24 of Land Acquisition Act, 1894, taking into consideration potential value of land. Validity. Authorities while determining amount of compensation of land to be made to the owners were possessed of jurisdiction to rely upon law as contained in Section 2(k) of Capital Development Authority Ordinance, 1960. Authorities, thus, were not bound to take into account potential value of land in question at the time award of compensation was delivered. In absence of any “legislation by incorporation” making provisions of Sections 23 & 24 of Land Acquisition Act, 1894 applicable with retrospective effect, owners of acquired land could not press into service said provisions. Orders by Authorities with regard to determination of market value of land under provisions of Capital Development Authority Ordinance, 1960, having not been shown to be suffering from any defect in law, could not be interfered with [1999 SCMR 1589].

Section 13 of Finance Act, 1964 as substituted by Section 5 of Punjab Finance ordinance, 1978 would apply to Capital Area of Islamabad with effect from 27-6-1978 [PLD 2008 Isl. 30].

1. Lease of public park. Contentions of the petitioner were that wherever, a Scheme under the provisions of Section 12 of the Capital Development Authority Ordinance, 1960 was prepared by the Authority, amenity plots including the plot for public park, playing field, graveyard and incidental open places, etc. were earmarked separately; that under Regulation 3 of the Islamabad Land Disposal Regulation, 1993 for the purpose of establishing Mini Golf Course on the public park, no permission was sought from the Federal Government nor objections were invited in this behalf in accordance with section 19 read with section 20 of the Capital Development Authority Ordinance, 1960; that the transaction of leasing the plot had been made by the Capital Development Authority with the private party without any lawful authority and jurisdiction, as such, in this manner the fundamental rights of general public enshrined in Articles 9 & 26 of the Constitution had been denied; that in a public park, citizens including children were not required to purchase tickets and once Mini Golf Course was established, the entry of general public would be obstructed in terms of imposing conditions, including purchase of tickets and to enjoy other amusement against payments and that Development Authority was committed to provide a public park for the residents of the sector concerned, which would be maintained by the Authority itself and could not be allowed to be converted into a commercial project by the third party in terms of Regulation 12(3) of Islamabad Land Disposal Regulation, 1993. Validity. Held, during the classification of the plots under Regulation 3 of Islamabad Land Disposal Regulation, 1993, if a piece of land had been earmarked for the purpose of Public Park, same could not be leased out and Capital Development Authority itself was bound to develop the same. Neither the permission was sought to convert the public park into the Mini Golf Course nor before doing so objections were invited from the general public in terms of Section 21, Capital Development Authority Ordinance, 1960. Production of original file/ documents with regard to the plot in question for purpose of examining the exact position of the lease and status of the plot by the Supreme Court was denied by the Capital Development Authority stating in writing that the same were not available and were being traced out and will be produced before the Court when the same were found out. Public park, if earmarked in a housing Scheme, created a right amongst the public and that right included their right of entry in the park without any obstacle, being fundamental right as enshrined in Article 26 read with Article 9 of the Constitution. Liberty of a person, to have access or utilize a right available to him, could not be taken away by converting such facility into commercial one, for the purpose of extending benefit to a third person, as in the present case, considerably a big plot of land measuring five acres, had been handed over to a third person at a throw away lease money, causing huge loss to the public exchequer, therefore, tax payers had a right to inquire from Capital Development Authority as to how a right of life and liberty could be denied to them. Facts of the case were admitted by the Capital Development Authority, no formal evidence therefore,
was required to prove the same. Deal between Capital Development Authority and the third person had not been made in a transparent manner, coupled with the fact that the lease of a public park had been given for 15 years at a rate of Rs. 2.55 million per annum, to be paid after about 20 months with clear delegated authority to the lessee that it could issue licence to the local or international parties for the purpose of providing amusement/commercial activities etc. Such delegation to private person to watch its financial interests of the high degree would tantamount to depriving the Capital Development Authority as well as the public from their valuable rights, for whose benefits such Authority had been created and apparently such action had no legal sanctity.

Law on the subject, on the other hand, was, that such parks were to be developed or to be maintained by the Capital Development Authority itself. Park was earmarked in the original Scheme of the sector, as it was meant for low income group, who were deprived of the benefits of having their own private gardens. Comparing to higher income groups, therefore, converting such parks for commercial activity with the collaboration of multinational companies, would deny the people rights guaranteed to them. Functionaries, exercising statutory power, like Capital Development Authority, were bound to discharge their functions strictly in accordance with law, otherwise the action contrary to law would not be sustainable and such Authority shall expose itself for disciplinary action. Without obtaining no objection certificate from the general public, such plot could not be used for any other purpose. Capital Development Authority, in such-like situation, if at all was interested to lease out the public park, instead of developing the same, might have invited fresh proposals instead of calling the third person to enhance the lease money because in granting contracts for the purpose of fetching money to support the public exchequer, the competent authority had an obligation to adopt such devices on the basis of which more money could be procured. Capital Development Authority as per record, was only interested to grant lease to the third party, mala fide. In concluding the transaction with the third party therefore, it was abundantly apparent on the record, that lease agreement with the said party was not transparent. Allowing the third party to avail benefit of the lease, in circumstances, would tantamount to perpetuate the unlawful/illegal acts of both Capital Development Authority and the third party. Constitutional petition was accepted by the Supreme Court with directions that lease agreement executed by Capital Development Authority for the development of Mini Golf Course was not sustainable in the eye of law, being contrary to law and fundamental rights of the general public, enshrined under Article 26 of the Constitution; that third party was to hand over vacant possession of the plot, lease of which had been obtained by him from the Capital Development Authority, within a period of four weeks, in its original condition. Subject to complying with the directions of the Court Capital Development Authority would refund Rs. 5 lacs to the third party deposited by it as security, that enquiry report shall be sent to the Registrar Supreme Court within three months for Court's perusal in Chambers and passing further order, if need be; that Board of the Capital Development Authority shall examine the case thoroughly to explore possibility of initiating disciplinary/penal action before the competent forum against the delinquent officers/officials, responsible for executing the lease with the third party, in view of the law laid down by Supreme Court in the case of Pervaiz Oliver PLD 1999 SC 26; that Board of Capital Development Authority will take steps to find out the relevant record of the park, and if record was not made available, then report shall be lodged before the competent law enforcing agency, according to law and that Capital Development Authority shall be free to develop the public park itself for the purpose of providing entertainment to the public of Islamabad, in discharge of duties under the law [PLD 2006 SC 394].

2. N.O.C. No Objection Certificate from Capital Development Authority not covering entire land sought to be acquired by Acquiring Agency. Validity. Not obligatory for Acquiring Agency under Section 12(5) of Capital Development Authority Ordinance, 1960 to obtain ‘No-Objection
Acquisition of land in capital area by Army Welfare Trust for establishing housing scheme. Trust had obtained 60% land from landowners through private negotiations. Trust after lapse of original notification had issued fresh successive notifications to acquire remaining land not purchased earlier privately. No delay in acquisition proceedings, which could defeat or demolish acquisition process itself. Mention of only one village in “No-Objection Certificate” would make no difference. No-objection certificate issued by C.D.A. was in respect of whole scheme, which would cover all or any acquisition of land forming part and parcel of development scheme as a whole. Description of purpose in original notification as “defence purpose” and in later notifications as establishment of Housing Scheme for Army Personnel were not conflicting. Both purposes aimed at promotion of general welfare of defence personnel. Judicial notice could be taken of acute shortage of accommodation and rehabilitation facility for beneficiaries of Trust. High Court dismissed Constitutional petition [2004 YLR 629].

3. Establishing housing scheme by a private organization in a sector other than the one specific for such scheme. Housing Foundation was a registered company having senior Federal Government Officials as ex-officio office-bearers of the Foundation. Foundation acquired lands owned by the petitioners in public interest and notification under Sections 4 & 17(4) of Land Acquisition Act, 1894, was issued by the Government. Land so acquired was to be allotted only to the employees of Federal Government on ownership basis. Validity. Housing Foundation like such other companies could establish a housing scheme in the specified zone for its members but could not establish such scheme in the area of remaining residential sector. Housing Foundation could not be allowed to establish a private scheme in regular sectors for individuals interests of civil servants in violation of general policy as a special case and privilege. Housing Foundation without enlarging the purpose of acquisition of land to the general use for benefit of public-at-large, could neither establish such scheme out of the specified zone nor could use the machinery of law and Government for such purpose. Where acquisition of land for a Housing Scheme introduced by the respondent-Foundation was executed for benefit of public-at-large and was not confined to a limited class of persons, such scheme would definitely advance the spirit of the Constitution. High Court directed the Housing Foundation to include certain categories of persons who could also be benefited from the scheme. When all categories of persons referred by High Court could be benefited from the acquisition of the land by the Housing Foundation, the acquisition could be for public purpose and the same would not be in violation of Article 24 of the Constitution as the same did not prevent establishment of housing colonies in public interest [2000 YLR 1711].

4. Grant of lease against law. Lease for establishment/construction of Multinational Food Chain by a private party; allotment of land to Nazriya Pakistan Council, a non-government organization, for constructing Aiwan-e-Quaid; grant of lease of land to a private party for establishing a Bowelling Alley and lease of land to Citizens Club in a public park by Capital Development Authority in violation of Capital Development Authority Ordinance, 1960, rules and regulations made thereunder and the Constitution. Supreme Court declared and held that establishment/construction of restaurant in the Park, was contrary to Article 18 of the Constitution read with Capital Development Authority Ordinance, 1960, consequently, Capital Development Authority was directed to cancel the lease of the lease-holder forthwith, put up the matter before the Capital Development Authority Board for converting cuisine pavilion area with dense vegetation into restaurant area, and then re-auction a site for setting up a food outlet therein, and seek approval from the Federal Government to the Master Plan as also the schemes prepared
thereunder, in accordance with the provisions of the Capital Development Authority Ordinance, 1960 and the other relevant rules and regulations. If the Capital Development Authority Board or the Federal Government declined to grant conversion of the cuisine pavilion into a site for construction of food restaurant, the existing superstructure raised shall be demolished by defunct lease holder at its cost within three months. Fresh applications shall be invited from the local as well as international food chains by inviting expression of interest, indicating the area, facilities, etc., and whosoever succeeds shall be entitled to set up a food outlet accordingly. If the existing lease-holder participated and succeeded in the auction, it shall continue with the business subject to fresh terms and conditions, without introducing in the business any third party, like specified group/group company, etc. If any other food chain succeeded, then the parties with the intervention of the Capital Development Authority shall negotiate the cost of the existing structure of present lessee’s restaurant. Capital Development Authority shall forthwith cancel the allotment of land to Nazriya Pakistan Council, take over the premises along with facilities and place the matter before the Federal Government in the light of the MoU signed between the Ministry of Education and the Nazriya Pakistan Council so as to run affairs of Aiwan-e-Quaid smoothly and achieve the objects for which it was established, however, it would be for the Federal Government to allow representation to Nazriya Pakistan Council in the management committee, but complete administration of the premises shall rest with the Government. Bowling alley was transferred contrary to the terms of the licence; therefore, the occupants subjects to the rights of the original licence holder shall be given opportunity to get the same transferred in their name in accordance with law/guidelines issued by the Securities and Exchange Commission of Pakistan within a period of three months, failing which the licence shall be cancelled, the land shall be taken over by the Capital Development Authority and the occupants shall be directed to restore same to the position as it was prevailing before issuing the licence in favour of the Enterprises. Construction of Citizens Club shall be completed as a huge amount of public money had been spent over it unauthorizedly and the building with other facilities shall be used for a project of public welfare. Supreme Court observed that perusal of the documents made available to the Court abundantly made it clear that the former Chairman of the Capital Development Authority, in violation of the Constitutional provisions, Capital Development Authority Ordinance, 1960 as well as other rules and regulations on the subject, granted lease for 33 years of government land at a very nominal lease money to a party in a non-transparent manner, undoubtedly, with the connivance of the other officials of the Capital Development Authority; therefore, they all deserved to be dealt with strictly for misconduct, departmentally as well as by instituting both civil and criminal actions against them, so that it may serve as a deterrent for like-minded persons, who discharge their duties/functions without adhering to the relevant provisions of the Constitution and the law. Such an action had become necessary with a view to avoiding in future violation of any provision of the Constitution and the law. Capital Development Authority through Establishment Division, Government of Pakistan was directed by Supreme Court to take action against the former Chairman Capital Development Authority for violation of the Constitution, the Capital Development Authority Ordinance, 1960, rules and regulations, the Chairman Capital Development Authority shall ensure implementation of direction of the Supreme Court through concerned functionaries of the Federal Government within a period of three months from the date of present judgment; he was also directed to ensure transparency in other projects of the Capital Development Authority and at the same time office files of Master Plan and preparation of schemes shall be maintained properly instated of showing helplessness to produce the record before the Court. Unconditional apology tendered by lessee was accepted by the Supreme Court because he himself volunteered for the same, however, he was warned to be careful in future and avoid scandalizing the courts. Present petitions having been considered involving public interest/general masses/citizens, thus no order was made as to costs [PLD 2010 SC 759].
5. **Preparation of schemes.** Capital Development Authority could not have extended the scope of section 12 by framing regulation and allowed preparation of schemes by the private organizations even with prior approval of the Federal Government. Such was something not envisaged by the Ordinance and something, not permitted by the statute and could not be allowed to be done by the subordinate legislation [PLD 2011 SC 619].

6. **Open bid.** Three parties had come forward out of which two did not submit the required proposals along with their bids, which depicted their non-seriousness in the matter. Only one party was left in the field, practically there was no competition. Authorities, in such a situation, instead of going for further advertisement of the tender, chose to be content with the one and the only party in the field and thus deprived of the advantages of competitive bidding. Such action of the authorities contravened the provisions of Article 18 of the Constitution and caused a great detriment to the public exchequer as well [PLD 2011 SC 619].

7. **Violation of approved plan.** The Capital Development Authority, under the Rules, is under obligation to take an action against the defaulter society for not completing/developing the scheme within time and for violation of the approved plans [PLD 2013 Isl. 49].

8. **Change of purpose of land.** There is no cavil to the proposition that land specified for a particular purpose cannot be used for any other purpose [PLD 2013 Isl. 49].

9. **Conversion of playground for commercial use.** Places like parks and playgrounds are necessary for healthy life and to convert such places to commercial use and residential purpose is an infringement of Fundamental Right guaranteed by the Constitution, more particularly Article 9. Capital Development Authority is bound to add facilities instead of shrinking the areas of playgrounds by carving out plots in the same. Places belonging to public at large are like trust which cast delicate duty upon the civic body to protect and preserve such properties. Allotment made in favour of allottees were cancelled [2013 CLC 1095].

13. **Preparation of schemes by Authority.** The Authority may, pursuant to the master-programme, itself prepare, when it considers it desirable to do so in the public interest, schemes for the Specified Areas relating to the matters enumerated in sub-section (2) of section 12.

**COMMENTS**

**Synopsis**

1. Acquisition of land included in the master plan.
2. Master plan.
3. Regularization of non-compoundable violations.

1. **Acquisition of land included in the master plan.** Acquisition of land without preparing a scheme or disclosing the public purpose for which the land was acquired. Validity. Where the master plan had been prepared for the development of the capital site, the Authority, subject to the rights of people, could acquire the land under Capital Development Authority Ordinance, 1960, for the purpose of implementation of different schemes prepared thereunder. Capital Development Authority was not required to follow the procedure prescribed under the Ordinance for acquisition of land.
Authority in its discretion could not acquire any land in the specified area without preparing a scheme or disclosing the public purpose for which the land was to be acquired [1999 YLR 247].

Land of petitioner was acquired on the basis of its being shown in the master plan as an area for the National Park. No scheme of National Park had been prepared and defined anywhere and acquisition was made on the basis of mere earmarking of that area through a notification under Islamabad Wildlife (Protection, Preservation, Conservation and Management) Ordinance, 1979.

Validity. Land in question was a private land, unless a proper scheme of National Park was prepared by the Central Government or the Capital Development Authority under Sections 11, 12, 13 & 14 of the Ordinance, partial acquisition of land in the name of National Park could not be justified [1999 YLR 247].

2. Master plan. Landowners had raised construction on their lands after getting approval of building plans from the Union Council. Capital Development Authority objected to such constructions and attempted to get the said constructions demolished on the pretext that master plan for the city of Islamabad was duly approved earmarking the lands in question as a national Park and Scheme. Capital Development Authority, though can earmark an area for a particular purpose in the master plan, but such a decision cannot be implemented unless a scheme as contemplated by Sections 12 & 13 of Capital Development Authority Ordinance, 1960 is prepared by the Authority. Authority has to take steps to acquire the land as provided by Chapter IV of the Ordinance before taking of any concrete steps for implementation of such Scheme. Without taking steps for acquisition of the property, action of Authority would be violative of the Constitutional rights of the landowners on account of restrictions placed on them to use their property in the manner they like. Supreme Court directed that Capital Development Authority will be entitled to initiate acquisition proceedings of the property in question or any other property after framing a proper scheme and if any other law authorises the Authority to regulate the construction of the buildings in the disputed area, it will be open to the Authority to take action according to law for enforcing the said law or regulations [1999 SCMR 2636].

3. Regularization of non-compoundable violations. In the absence of any legal instrument empowering he Capital Development Authority to take the kind of actions, the entire transaction from the beginning to the end would be illegal and unsustainable in law. Principles. [PLD 2010 SC 759].

14. Manner and form, etc., of scheme.- All schemes under section 12 and section 13 shall be prepared in such manner and form as the [Federal Government] may specify, and shall contain among other things the following information, namely:—

(a) description of the scheme and the manner of its execution;

(b) estimate of costs and benefits;

(c) allocation of costs to the various purposes to be served by the scheme.

1 Subs. by F.A.O., 1975, Art. 2 and Table, for “Central Government”. 
15. Power of the Authority.- (1) Subject to the other provisions of this Ordinance and the rules, the Authority may take such measures and exercise such powers as may be necessary for the carrying out of the purposes of this Ordinance.

(2) Without prejudice to the generality of powers conferred by subsection (1), the Authority may—

(i) acquire any land in the Specified Areas in accordance with the procedure laid down in Chapter IV;

(ii) undertake any works in the Specified Areas in pursuance of any scheme prepared under section 13;

(iii) incur any expenditure;

(iv) procure plant, machinery, instruments and materials required for its use;

(v) enter into and perform all such contracts as it may consider necessary;

(vi) cause studies, surveys, experiments and technical researches to be made or contribute towards the cost of any such studies, surveys, experiments or technical researches made by any other agency at the request of the Authority;

(vii) issue interim development orders for areas for which a master-plan is under preparation and restrict or prohibit by general or special order any change in the use of land and alteration in buildings, structures and installations;

(viii) cause removal of any works obstructing the execution of its schemes;

(ix) seek and obtain advice and assistance for the preparation of any planning scheme or for the execution of any schemes from any local body or agency and such local body or agency shall give the advice and assistance sought by the Authority to the best of its ability, knowledge and judgement, and the additional expenditure, if any, involved in giving such advice or assistance shall be borne by the Authority.
Power to enter into contract. Section 15(2) (v) of the Capital Development Authority Ordinance, 1960 clearly empowers the Capital Development Authority to enter into the contract for purposes of the Capital Development Authority Ordinance, 1960 [PLD 2015 Isl. 36].

16. Borrowing powers.- (1) The Authority may, with the previous approval in writing of the [Federal Government], raise funds for the purpose or raising its working capital by issuing bonds and debentures carrying interest at such rates as may be approved by the [Federal Government].

(2) The repayment of the principal and the payment of interest due on the bonds and debentures issued by the Authority shall be guaranteed by the [Federal Government].

17. Execution of schemes etc., through local bodies and agencies.- (1) The Authority may require a local body or agency within whose jurisdiction any particular area covered by a scheme lies—

(a) to execute a scheme in consultation with the Authority;

---

1 Section 15A which was inserted by Act 22 of 1966 repealed by the Islamabad Local Government Act, 2015 (Act No. X of 2015), Section 132. Before repeal Section 15A was as under, namely:

"15A. Municipal functions.- (1) During such period and for such areas within the Islamabad Capital Territory as the [Federal Government] may, by notification in the official Gazette, specify, the Authority may, notwithstanding anything contained in any other law for the time being in force, exercise, and perform such powers and functions as a Municipal Committee may exercise and perform in relation to a Municipality under the Municipal Administration Ordinance, 1960.

(2) For the purpose of sub-section (1), the provisions of sections 18, 33 to 73, 77 to 106, 109, 115 to 118 and 122 of the Municipal Administration Ordinance, 1960 (X of 1960), and the Second, Third and Fifth Schedules thereto shall, so far as may be, apply to the Islamabad Capital Territory as they apply to a municipality, references therein—

(a) to, or to the powers and functions of, the Controlling Authority being omitted; and

(b) to Municipal Committee and Government being construed respectively as references to the Authority and the [Federal Government]."

* Subs. by F.A.O., 1975, Art. 2 and Table, for "Central Government".
(b) to take over and maintain any of the works and services in that area;

(c) to enforce regulations, on behalf of the Authority.

(2) The expenditure incurred on the execution of any scheme, or on the taking over or maintenance of any work, or the enforcement of regulations, under this section, shall be borne as may be agreed to between the Authority and the local body or agency, and, in the event of disagreement, as may be determined by the *[Federal Government]*.

18. Utilisation of building material.- Notwithstanding anything contained in any other law for the time being in force or in any contract or agreement, no person shall, without the prior concurrence of the Authority, allocate, exploit or in any manner utilize, except for the purpose of his own personal use, such natural resources used as building material as the Authority may, by notification in the official Gazette, specify in this behalf.]

19. Amendment of schemes.- Any scheme prepared under section 12 or section 13 may at any time be amended or modified—

(a) in cases where the amended or modified scheme should exceed the financial powers of the Authority, by the Authority with the previous approval in writing of the *[Federal Government]*, and

(b) in other cases, by the Authority.*

Appellant, an allottee/lessee of plot for setting up manufacturing cold storage had set up cold storage in his plot. Respondents allowed by Authority to set up/construct cooling rooms in their basement of plots allotted to them. Appellant’s claim was that respondents had no right to construct cooling units and that Authority was not competent to grant such permission. Appellant failed to point out his vested right to be the sole authorised person to set up the cold storage. Permission to respondents to set up cooling rooms for storage of their vegetables and fruits did not in any way hamper the use of appellant’s storage plant. Authority, held, was empowered to prepare any scheme or phased scheme and could also amend or modify the same at any time. Authority had not given undertaking to appellant that no other cooling unit would be set up in the area. Factual position was that four other cold storage units were already functioning in the area. Appellant, thus could not claim monopoly of being the sole authorized person to set up such plant [1989 CLC 1532].

2. Construction of Citizens Club in public park. Master plan of said park showed that no residential building for lodging/boarding of the members of the Citizens Club could be constructed without approval of the competent authority and without taking into consideration the requirement of the public park. Revised Master Plan (1995), which envisaged establishment of a club, itself was not a legal document in absence of approval by the Federal Government in terms of section 19 of the Capital Development Authority Ordinance, 1960 and by the Capital Development Authority Board, therefore, no superstructure could be built upon it and no scheme prepared in pursuance thereof. Establishment of Citizens Club aimed at providing facilities to the elitist class alone and being not for the general masses for whom the park was primarily meant was not permissible. Huge amount having already been spent on the construction of said Citizens Club, Supreme Court directed that Capital Development Authority, with the approval of the Federal Government, instead of abandoning the project, may utilize the building and other facilities for any public welfare project like women university, medical/engineering college, science technology or Information Technology institution etc. Principles. [PLD 2010 SC 759].

20. Removal, etc., of buildings after hearing.- The Authority shall not order or cause any building in the Specified Areas, excluding the Capital Site, to be removed or demolished unless an opportunity of being heard has been given to the owner or occupier thereof, and his objections, if any, have been duly considered, and the Authority is satisfied that removal or demolition of the building is essential to the execution of its schemes.

COMMENTS

Construction of petition over the land owned by him was demolished and land was acquired without completion of legal formalities and without payment of compensation. Validity. Such construction could not have been demolished merely by issuing notice under Section 27(1) of the Ordinance. Residents of the area were not supposed to be dislocated without approval of a proper scheme and giving them reasonable opportunity to file objections thereto. Acquisition of land for a scheme without proper notice under section 27(1) of the Ordinance and the payment of compensation according to prevailing market value of land including the built up area as residential houses, was not legal. Non-preparation of any scheme and forcible dispossession and initiation of proceedings without compliance of legal formalities, rendered the action of the Capital Development Authority unlawful and all proceedings after such action were illegal [1999 YLR 247].
The Islamabad Laws

21. Schemes to be executed after calling objections.- The Authority shall not execute or cause to be executed any scheme in the Specified Areas, excluding the Capital Site, unless the persons whose rights and interests are thereby affected have been given a reasonable opportunity to file their objection to such execution, and the Authority has heard such of them as it considers necessary.

Synopsis

1. Setting up fruit and vegetable market. 2. Non-transparency in granting lease.

1. Setting up fruit and vegetable market. Amendment/modification of a scheme. Objections to amendment or modification of a scheme to be invited only in specified areas. Federal Government from time to time, by notification in the official Gazette could declare any part of the 'specified area' to be the site for the Capital under section 3. Fruit and Vegetable market not located in 'specified area'. Inviting of objections was thus not necessary for amendment and modification of such scheme. [1989 CLC 1532].

2. Non-transparency in granting lease. Setting up/opening a branch of a Multi-national Food Chain (fast food) in a public park by Capital Development Authority and interested parties were requested to express their interest and submit applications for pre-qualification with detailed technical proposals, area required terms and conditions, etc. Validity. Citizens/local chains were deprived to participate in the competition, therefore, action taken by the Chairman, Capital Development Authority was in violation of Article 18 of the Constitution. Right of trade/business or profession under Article 18 of the Constitution though was not an absolute right, but so long a trade or business was lawful, a citizen, who was eligible to carry out the business could not be deprived from undertaking the same. By inviting expression of interest from international food chains alone was not only a violation of Article 18 of the Constitution, but at the same time the Chairman, Capital Development Authority had allowed the international food chains to have monopoly, which, under clause (c) to the proviso to Article 18 of the Constitution was available to no one else except the Government. Park was only to be used for the purpose for which it had been established and not for running a business/trade; Judicial notice therefore, could be taken of the fact that such facilities in Park were used by general masses belonging to all walks of life, including citizens and children belonging to the families who were living below poverty line. Multi-national Food Chain was bound to earn profit as per its international standards, which was beyond the reach of an ordinary person comparing to a local restaurant providing food to the visitors of the Park at a cheaper rate. No transparency had been found in granting lease to the Multi-national Food Chain; there was no decision by the Capital Development Authority Board either, and exercising of accommodation the Multi-national Food Chain was undertaken on the basis of a chit issued under the signatures of the then Chairman of the Capital Development Authority. In the absence of any decision by the Capital Development Authority Board, the use of the restaurant by the masses was tantamount to defeating the object/purpose for which the public park had been established. Held, by no strech of imagination, transaction in question was transparent, this was rather a shabby deal in violation of the Constitution and the law. Public functionaries were supposed to adhere to the principle of transparency in the performance of their duties and were not bound to carry out/implement any order which was not in accordance with
law, they were only obliged to carry out lawful orders of their superiors and if they were being pressurized to implement an illegal order, they should put on record their dissenting note. Deviation if of substance, could be corrected through constitutional jurisdiction [PLD 2010 SC 759].

CHAPTER IV

ACQUISITION OF LAND

22. Liability to acquisition.- All land within the Specified Areas shall be liable to acquisition at any time in accordance with the provisions of this Chapter.

Synopsis

1. Powers of Authority. 
2. Reasons for acquisition.
3. Acquisition for limited period. 
4. Boundaries of the capital area. 
5. Land acquisition. 
6. Powers of Capital Development Authority and jurisdiction of the Court.

1. Powers of Authority. The powers of the Authority to acquire land within the specified areas are not unlimited. Any requisition within these areas must have a reasonable reference to the purpose of the Ordinance, and must be carried out strictly in accordance with its provisions [PLD 1972 SC 279].

2. Reasons for acquisition. It is not within the domain of a Court of law to analyse the sufficiency of the reasons which prevail with an Authority to acquire property, and if apparently the acquisition is for a public purpose, the Court will not interfere unless a question of mala fide is raised [PLD 1970 Lah. 821].

3. Acquisition for limited period. The fact that the public purpose for which the land is being acquired is for limited duration does not affect the powers of acquisition of the Auditor [PLD 1970 Lah. 821].

4. Boundaries of the capital area. Plea for inclusion of certain villages lying on the boundary between District Rawalpindi and Islamabad the capital territory. Validity. Boundaries which had already been settled in view of the acquisition of land under section 22, Capital Development Authority Ordinance, 1960 and Capital of the Republic (Determination of Area) Ordinance, 1963 and other relevant laws, could not be now altered without following the provisions of Article 239, Constitution of Pakistan and therefore any directive or notification requiring any change could not be enforced now. Petitioner, in his alternate plea stated that even with respect to the boundaries fixed and determined by law, he had an objection because these had not been correctly drawn physically on the site which had led to a lot of confusion and emphasized that boundaries were only made in the plans and in the papers. High Court, while disposing of the Constitutional petition observed that the Capital Development Authority and the District Coordination Officer of Rawalpindi should hold a meeting for determining a date for joint demarcation of the boundaries
The Islamabad Laws

in accordance with law and to effect the physical demarcation of the boundaries within a period of three months from the announcement of the judgment while submitting a compliance report to the High Court ensuring that the same reaches the High Court by the 1st of March, 2003 [PLD 2003 Lah. 55].

5. Land acquisition. Resumption of acquired land from company in event of its non-utilization for restoring the same to previous owners. Initiation of such proceedings under Rule 15 of Punjab Land Acquisition Rules, 1983 in respect of land within Islamabad Capital Territory. Notification No. 1/4/LXO/82, dated 19-1-1982 issued under Article 2 of Islamabad Capital Territory (Administration) Order, 1980 does not make applicable Punjab Land Acquisition Act, 1886 in its entirety in Islamabad Capital Territory. Punjab Land Acquisition Act, 1886, and Punjab land Acquisition Rules, 1983 are not applicable to Islamabad Capital Territory, which is given distinct Constitutional status and is a separate area from the Province of the Punjab. Land Acquisition Act, 1894 is not a law applicable for purpose of acquisition within Islamabad Capital Territory. Compulsory acquisition of land within Islamabad Capital Territory is effected under Capital Development Authority Ordinance, 1960 and Land Acquisition Regulation, 1961. General Standing Order No. 28 issued under Land Acquisition Act, 1894 is not applicable in Islamabad Capital Territory premise for initiating proceeding under Punjab Land Acquisition Rules, 1983 by Chief Commissioner, Islamabad was not legally available [2004 CLC 145]. Government's power to acquire land for public good though unquestionable, such power generally to be exercised on payment of full compensation equal to market value of land [PLJ 1983 FSC 298].

6. Powers of Capital Development Authority and jurisdiction of the Court. Acquisition of land merely with the label of public purpose will not be enough to make acquisition of land under the Ordinance. Law does not give unfettered powers to the Authority to acquire any land at any time in the specified area. Acquisition must be in pursuance of some scheme approved by the Competent Authority. No restriction could be placed on the jurisdiction of the court to go into the question of legality of the acquisition of lands [1999 YLR 247].

23. Entry upon land, preliminary survey, etc.- (1) It shall be lawful for the Authority, and any member thereof, and for the Deputy Commissioner, and any such person as may either generally or specially be authorised by the Authority, in this behalf,—

(a) to enter upon and survey and take levels of any land;
(b) to dig or bore into the subsoil;
(c) to do all other acts necessary to ascertain whether land is adapted for the purposes of this Ordinance;
(d) to set out the boundaries of the land proposed to be acquired and the intended line of the work, if any, proposed to be made thereon;
(e) to mark such levels, boundaries and line by placing marks and cutting trenches; and
(f) where it is necessary for the purposes of the survey, taking of levels or marking of line, to cut down and clear away any part of any standing crop, fence or jungle.

(2) No person shall enter into any building or upon any enclosed court or garden attached to a dwelling house (unless with the consent of the occupier thereof) without previously giving such occupier at least twenty-four hours' notice in writing of his intention to do so.

24. Compensation for damage.- Where any damage is caused to any land in consequence of anything done in pursuance of section 23, there shall be paid compensation, the amount of which shall be determined in the manner and in accordance with the provisions hereinafter set out, that is to say,—

(a) where the amount of compensation can be fixed by agreement, it shall be fixed in accordance with such agreement; and

(b) where no such agreement can be reached, it shall be fixed by the Deputy Commissioner.

25. Power to acquire land.- (1) Subject to the other provisions of this Ordinance, the rules made thereunder, and the directions of the Authority, the Deputy Commissioner may, by order in writing, acquire any land for the purposes of this Ordinance.

(2) No order under sub-section (1) shall be issued except on the receipt by the Deputy Commissioner of specific directions from the Authority.

Synopsis

1. Power of acquisition.
2. Mala fide acquisition.
3. Safeguard the ownership of land and proprietary rights of property.

1. Power of acquisition. Section 25 of the Ordinance gives the powers to acquire land. Section 25 has categorically provided that the land can be acquired for the purposes of the Ordinance subject to the other provisions of this Ordinance, the rules made thereunder, and the directions of the Authority. This naturally takes back, inter alia, to the provisions of sections 11, 12, 13 and 14 of the Ordinance. Apart from the purpose of the Ordinance however, the acquisition under the Ordinance has to be made in pursuance of a scheme framed under the Ordinance [PLD 1972 SC 279]. Capital Development Authority in its discretion could not acquire any land in the specific
area without preparing a scheme or disclosing the public purpose for which the land was to be acquired [1999 YLR 247].

2. **Mala fide acquisition.** The Court would not uphold a mala fide acquisition. The acquisition was held to be mala fide in the following circumstances: (i) Different reasons were given at different times for the acquisition of property. (ii) The land was allegedly acquired for Presidential Secretariat but the Master Plan did not show that the land occupied by the property in dispute was earmarked for setting up the Presidential Secretariat; on the contrary the plan showed quite a different place, at a considerable distance from the property in dispute, as earmarked for setting up the Presidential Secretariat; (iii) No scheme appears to have been framed under the Ordinance which is applicable to the acquisition of the property in question; (iv) The scheme was produced at a very belated stage of the writ petition; (v) The acquisition of the property when it was already under requisition and in use for the same purpose; (vi) The unseemly hurry in the process of the acquisition [PLD 1972 SC 279].

3. **Safeguard the ownership of land and proprietary rights of property.** Authority had deprived the petitioner of such rights through urgent acquisition of land without any scheme and compensation to the petitioner. Validity. Authority had power to acquire the land but where the land of the petitioner was acquired without acquiring the land of the landowners in the same vicinity having the same effect on the Rawal Lake and falling in the same area, acquisition of the petitioner's land was unconstitutional in circumstances [1999 YLR 247].

26. **Land to be marked out, measured and planned.** Where any land is proposed to be acquired under section 25, the Deputy Commissioner shall cause the land (unless it has been already marked out) to be marked out and measured, and if no plan has been made thereof, a plan to be made of the same.

27. **Notice to persons interested.** (1) The Deputy Commissioner shall then cause public notice to be given at convenient places on or near the land to be taken, stating that the *[Federal Government]* intends to take possession of the land, and that claims to compensation for all interests in such land may be made to him.

(2) Such notice shall state the particulars of the land so needed, and shall require all persons interested in the land to appear personally or by agent before the Deputy Commissioner at a time and place therein mentioned (such time not being earlier than ten days after the date of publication of the notice), and to state the nature of their respective interests in the land and the amount and particulars of their claims to compensation for such interest, and their objections, if any, to the measurements made under section 23, and the Deputy Commissioner may require any such statement to be made in writing and signed by the party or his agent.

* Subs. by F.A.O., 1975, Art. 2 and Table, for “Central Government”.
The Capital Development Authority Ordinance, 1960

(3) The Deputy Commissioner shall also serve notice to the same effect on the occupier, if any, of such land and on all such persons known or believed to be interested therein, or to be entitled to act for persons so interested.

Synopsis

1. Notice to party.
2. Permission for plantation and beautification of State-owned land.

1. Notice to party. The Act provides that notice of acquisition must be given to the party interested. The object of law is that the party may be heard and justice be done to him. Therefore where the party was not given notice by D.C. but was heard by Appellate Authority. It was held that even if the petitioner was not given a hearing at the initial stage, he was heard by the appellate authority and all his contentions were taken note of and the order of the Deputy Commissioner was modified and the rate of compensation was enhanced from Rs.76 to Rs.112. Therefore the principles of natural justice have sufficiently been complied with and the impugned order cannot be set aside for that reason alone [PLD 1968 Lah. 938=PLR 1968 (2) W.P. 432].

2. Permission for plantation and beautification of State-owned land. Petitioner was a Housing Society, and had obtained permission from Development Authority for plantation and beautification of land owned by the Authority. Said permission was subsequently withdrawn. Contention of the petitioner Housing Society was that a vested right had been created in their favour when said permission was granted, and prayed that withdrawal of the same be declared illegal. Validity. Executive functionaries being custodians of State land are bound to protect the same from invasions, misuse and encroachments, and if such executive functionaries failed to perform their duties, the presumption would be that they were privy to criminal acts. No mechanism existed through which permission for plantation and beautification were accorded and for ascertaining as to how much land should be handed over to societies and under what conditions and prescribed limits. High Court observed that such practices were adopted to open gates of corruption. Acts of the Housing Society constituted criminal offence or criminal breach of trust as State land was entrusted to the Society as a trustee, and the Society’s management misappropriated and converted the same to its own use. No vested right accrued to the Society. No fundamental right of the Society had been infringed. Constitutional petition was dismissed, in circumstances [2013 MLD 255].

28. Enquiry and award by Deputy Commissioner.— On the day so fixed, or on any other day to which the enquiry has been adjourned, the Deputy Commissioner shall proceed to enquire into the objections, if any, which any person interested has stated pursuant to the notice given under section 27, and into the market value of the land and into the respective interests of the persons claiming the compensation, and shall make an award of—

(i) the true area of the land;
The Islamabad Laws

(ii) the compensation which in his opinion should be allowed for the land; and

(iii) the apportionment of such compensation among all the persons known or believed to be interested in the land of whom, or of whose claims, he has information, whether or not they have appeared before him.

COMMENTS

Dispute between the parties related to apportionment of compensation i.e. as to whom it was payable, Deputy Commissioner under Section 28(iii) of Ordinance is invested with powers to decide the question of apportionment of compensation amongst claimants and his order could be assailed under Section 36 of Ordinance before Commissioner, whose order would be final. Commissioner could not evade his responsibility to decide the question of apportionment of compensation between parties and shift the same to Civil Court. Civil Court had jurisdiction only to see, whether order was passed in accordance with the provisions of Ordinance or not [2001 YLR 275].

29. Compensation.- Where any land is acquired under this Ordinance there shall be paid compensation, the amount of which shall be determined by the Deputy Commissioner who shall be guided by the provisions of section 30 and 31.

COMMENTS

Synopsis

1. Compensation at rates equal to that fixed for other similar land.
2. New plea in Supreme Court
3. Non-payment of compensation to the affectee.

1. Compensation at rates equal to that fixed for other similar land. Where petitioner’s counsel urged Commission to award at least same rates of compensation as awarded by him in a specified case. Commissioner while accepting such plea, cannot be said to have acted without lawful authority by not adverting to an order neither placed before him nor relied upon [1981 SCMR 21=PLJ 1981 SC 198].

Compensation of market value to be assessed on value prevailing at time of acquisition and not to the notified value fixed in relation to time before such acquisition [PLD 1985 FSC. 221, PLJ 1983 FSC. 298].

2. New plea in Supreme Court. A plea which could have been raised before Commissioner but not raised before him cannot be raised for the first time before High Court. The plea was not allowed to be raised in Supreme Court [1981 SCMR 21=PLJ 1981 SC 198].
3. Non-payment of compensation to the affectee. Petitioner's land was acquired by Development Authority and it was stated in the Award that petitioner would be compensated vide allotment of a plot in his favour within a period of six months. Petitioner contended that despite lapse of two years, no compensation had been paid to him and prayed that Development Authority be directed to pay compensation to him. Development Authority contended that acquisition record had taken a long time to be prepared but was near completion. Validity. Development Authority's stance on the matter was feeble, ridiculous and a deception. High Court directed Development Authority to provide compensation to the petitioner for his acquired land along with all benefits which had already been extended to equally placed persons, within a period of one month. Constitutional petition was allowed, in circumstances [2013 YLR 295].

30. Matters to be considered in determining compensation.—(1) In determining the amount of compensation to be awarded for land acquired under this Ordinance the Deputy Commissioner shall take into consideration,

_1st_, the market value of the land [1 on the date of order of its acquisition made under section 25];

_2ndly_, the damage sustained by the person interested, by reason of dispossession of any standing crops or trees which may be on the land;

_3rdly_, the damage, if any, sustained by the person interested at the time of taking possession of the land by reason of severing such land from his other land;

_4thly_, the damage, if any, sustained by the persons interested at the time of taking possession of the land by reason of the acquisition injuriously affecting his other property, movable or immovable, in any other manner, or his earnings; and

_5thly_, if, in consequence of the acquisition of the land the person interested is compelled to change his residence or place of business, the reasonable expenses, if any, incidental to such change.

(2) In addition to the value of the land determined as aforesaid, the Deputy Commissioner shall in every case award a sum of fifteen per centum on such value in consideration of the compulsory nature of the acquisition.

---

[3) In relation to land acquired on or after the first day of January, 1996, in addition to the value of the land determined as aforesaid, the Deputy Commissioner shall in every case award a sum of twenty per centum on such value in consideration of the compulsory nature of the acquisition.]

1. Compensation-Factors to be considered. Compensation for acquired land. Factors to be considered are: (1) market value of the land, (2) damage caused by reason of dispossession, besides the value of land so determined is to include 15% per annum of such value in consideration of compulsory nature of acquisition. In terms of section 31, these factors are not to be ignored while determining compensation [2002 SCJ 189; PLD 2002 SC 243]. The principles for fixing compensation may now be summed up as follows: (i) The Deputy Commissioner is first to determine and find out as to what is the classification of land acquired as recorded in the register of Haqdaran Zamin as in force on 1.1.1968, (ii) he is then to determine and find out as to what was the average market value thereof during the period 1.1.1954 to 31.12.1958. While so doing, it may be noticed, that the classification recorded in the Register of Haqdaran Zamin which was in force on 1.1.1968 has to be given retrospective effect and it is to be considered as if the classification of 1.1.1968 was in force during the period 1.1.1954 to 31.12.1958, (iii) to the average value so determined he is then to add 25% thereof; (iv) the aggregate so obtained by adding (ii) and (iii) will thus come out and constitute the “market value” of the land within the meaning of section 2(k) (ii) of the Ordinance, which the Deputy Commissioner in inter alia required to keep under consideration while awarding and assessing compensation under section 31; (v) the material date for compensation however is the date of acquisition and not any other date; (vi) that while compiling the compensation amount, the potential value of the land as on the acquisition day is not to be lost sight of and is to be duly taken into consideration for whatever worth it may be (see the deductions made while interpreting section 31 fourthly and other analogous provisions); (vii) he is also not to exclude from consideration the individual merits of a particular land acquired within the same classification to which that land belongs or in other words without affecting or changing the general classification of that land; (viii) as per section 3 of the Capital Development Authority (Amendment) Ordinance VII of 1968 any award of compensation made before the commencement of this Ordinance in respect of any land acquired on or after the first day of January, 1968, shall be modified so as to raise the amount of compensation specified therein to the amount which would have been awarded had the award been made after the commencement of this Ordinance [2002 SCJ 189; PLD 2002 SC 243; PLD 1977 Lah. 1200=PLJ 1977 Lah. 605]. It follow that where village C was situated 3-4 miles away from

village “B” and its land were nearer to urban area of “R” and were more valuable. Compensation assessed for village “C” cannot be awarded to petitioners [1982 SCMR 1136].

The law governing the award of compensation to the owners for the land acquired by the Authority requires that enquiry with regard to compensation is to be conducted in terms of section 20 of the Capital Development Authority Ordinance, 1960 read with para 6 of Land Acquisition Regulation, 1961, considering the true area of land; compensation in Commissioner’s opinion to be allowed, and apportionment of such compensation among all the persons whose land is acquired considering their claim and information collected and produced keeping in view the factors as contained in sections 30 and 31 of the Ordinance. The factors which are to be considered are market value of land, damage caused by reason of dispossession besides the value of the land so determined is to include 15% per annum of such value in consideration of compulsory nature of acquisition. Factors mentioned in section 31 of the Ordinance are not to be ignored while determining compensation [PLD 2002 SC 243].

The law governing the award of compensation for the land acquired to the owners by the C.D.A. requires that enquiry with regard to compensation is to be conducted in terms of section 28 of the Ordinance read with para 6 of Land Acquisition Regulation, 1961 considering (i) the true area of land, (ii) compensation in his opinion to be allowed, and (iii) apportionment of such compensation among the all persons whose land is acquired considering their claim and information collected and produced keeping in view the factors as contained in sections 30 and 31 of the Ordinance. The factors which are to be considered (i) would be market value of land, (ii) damage caused by reason of dispossession besides the value of the land so determined is to include 15% per annum of such value in consideration of compulsory nature of acquisition. It may be noted that in terms of section 31 of the said Ordinance factors mentioned therein are not to be ignored while determining compensation [PLD 2002 SC 243]

2. Actual expenses incurred by owner are immaterial. In land acquisition proceedings compensation is to be awarded on the basis of market value as defined under section 2(k). The fact that actual expenses incurred by a party to acquire that land had come to an amount far beyond the compensation allowed, would not justify any increase in amount of compensation beyond that permitted by law [PLD 1968 Lah. 938=PLR 1968 (2) W.P. 342].

3. Classified land. Pegging of classification which is meant only for technical definition of the “market value” does not warrant that individual and exceptional merits of any particular piece of land within the same relevant classification can be ignored for compiling “compensation amount” when by so doing no change in that classification in any manner takes place [PLD 1977 Lah. 1200=PLJ 1977 Lah. 605]. In such cases it is no longer open to introduce the concept of improvements and improved conditions so as to change the classification. Such improvements, etc. which purport to change classification of the land for technical definition of “market value” and is not to affect individual merits of a particular piece of land while remaining within and without effecting or altering, its relevant classification for compiling “compensation amount” as distinct from technical market value as aforesaid [PLD 1977 Lah. 1200=PLJ 1977 Lah. 605].

4. Potential value. When determining compensation potential value of land must be considered, but it must be the potential value as it existed before acquisition took place. Post acquisition use of land cannot be considered [PLD 1977 Lah. 1200].
5. **Loss of business.** When the land acquired was being used as a brick kiln by its lessee and the lessee claimed compensation for loss of business. The Court ordered that compensation be paid to the lessee for loss of his business [PLD 1977 Lah. 843=PLJ 1977 Lah. 481].

6. **Unauthorized structures on land.** Where unauthorized structures raised by the lessee of the land are also acquired by the C.D.A. along with the land, lessee is entitled to compensation for them, because even if they are unauthorized vis-a-vis the lessee, the Capital Development Authority cannot get them free of cost and vis-a-vis the Capital Development Authority the said constructions/additions belong to the lessee and if they are to be taken over, compensation for the same shall have to be paid to the lessee [PLD 1977 Lah. 843=PLJ 1977 Lah. 481].

7. **Review of order of predecessor Commissioner.** Owners of land were entitled to be awarded just and equitable compensation, but the Commissioner had neither considered relevant provisions of law for assessment of market value and compensation nor had followed the guidelines laid down by Supreme Court and High Court though binding upon him in view of Article 189 of Constitution nor had taken note of use of land on the date of acquisition nor its potential value nor market value classification-wise nor had considered the compensation awarded earlier by the Authority in respect of similar land in the same vicinity. Compensation awarded earlier by predecessor Commissioner in terms of Sections 2(k), 30 & 31 of the Ordinance and guidelines of Supreme Court and High Court could not be said to be in violation of law liable to be interfered with in exercise of review jurisdiction. Successor Commissioner, in absence of discovery of new and important matter or evidence or error apparent on the face of record or any other sufficient cause could not review a legal and proper order of his predecessor. Supreme Court dismissed the appeal of the Authority holding that High Court was justified in restoring the order of predecessor Commissioner after setting aside the order of his successor [PLD 2002 SC 243].

31. **Factors to be ignored in determining compensation.**—In determining compensation as aforesaid, the Deputy Commissioner shall not take into consideration—

*first,* the degree of urgency which has led to the acquisition;

*secondly,* any disinclination of the person interested to part with the land acquired;

*thirdly,* any damage sustained by him which, if caused by a private person would not render such person liable to a suit;

*fourthly,* any increase likely to accrue to the value of the land acquired from the use to which such land will be put on acquisition; and

*fifthly,* any increase likely to accrue to the value of the other land of the person interested from the use to which the land acquired will be put.
32. Vesting of land in the Authority.—Immediately on the making of the award under section 28, the land shall vest in the Authority free from all encumbrances [and thereupon the Deputy Commissioner may, after giving reasonable notice to the occupier, enter upon and take possession of the same].

2[32A. Payment of additional compensation.—When the amount of the compensation determined under section 29 and sub-section (3) of section 30 is not paid or deposited with the Deputy Commissioner on or before taking possession of the land, the Deputy Commissioner shall, in addition to such compensation, pay additional compensation computed at the rate of eight per centum per annum on such compensation from the time of so taking the possession until it has been so paid or deposited.]

33. Acquisition in cases of urgency.—In cases of urgency, the Deputy Commissioner may immediately after the publication of the notice mentioned in sub-section (1) of section 27 enter upon and taken possession of the land which shall thereupon vest absolutely in the [Authority] free from all encumbrances:

Provided that the Deputy Commissioner shall not take possession of any building or part of building under this section without giving to the occupier thereof at least twenty-four hours’ notice of his intention so to do, or such longer notice as may be reasonably sufficient to enable such occupier to remove his movable property from such building without unnecessary inconvenience.

4[33A. Temporary occupation and use of land.—(1) Where the Authority requires any land for temporary occupation and use for the purposes of this Ordinance for a period not exceeding five years, it may direct the Deputy Commissioner to take possession of the land in accordance with the provisions of this section for such occupation and use.

(2) Upon a direction under sub-section (1) in respect of any land, the Deputy Commissioner shall give the persons having interest in the land notice in writing of his intention to take possession of the same for the purpose and period specified therein calling upon such persons to submit within ten days of the receipt of the notice written statements describing the nature and extent of their interest in such land.

1 Added by the Capital Development Authority (Amdt.) Act, 1966 (22 of 1966), s.7.
2 Added by the Capital Development Authority (Amdt.) Act, 1999 (III of 1999), s.4.
3 Subs. by the Capital Development Authority (Amdt.) Act, 1966, (22 of 1966), s. 8 for “Central Government”.
4 Section 33A and 33B ins. ibid., s.9.
(3) The Deputy Commissioner shall, after giving the person having interest in the land an opportunity of being heard, determine the amount of compensation payable for the temporary occupation and use of the land at the rate at which it was rented during the preceding agricultural year and, if it was not so rented, at such rate as he may consider fair and equitable, and make an award specifying—

(a) the area and description of the land;

(b) the purpose and the period for which the land is required;

(c) the amount of compensation and shares therein of the persons, if there be more than one, entitled thereto; and

(d) the mode of payment of compensation.

(4) After making an award under sub-section (3) in respect of any land, the Deputy Commissioner may enter upon and take possession of such land for the purpose and the period specified in the notice under sub-section (2).

(5) If it appears that as a result of the occupation and use as aforesaid any land proposed to be taken possession of under this section is likely to be permanently unfit for the use for which it is for the time being used and the owner applies for its acquisition under this Ordinance, the Deputy Commissioner shall report the fact to the Authority and shall, if the Authority so direct,—

(a) acquire the land under this Ordinance; or

(b) assess the damage likely to be caused to the land and make an award for reasonable compensation for such damage; or

(c) terminate the proceedings for taking possession of the land.

33B. Payment of compensation to persons under disability and heirs of deceased persons.— (1) If any person entitled to the payment of any compensation under this Ordinance is a minor, or of unsound mind, or under some other legal disability to receive payment, the Deputy Commissioner may by order direct that the payment of such compensation shall be made to the person applying for it on behalf of the person entitled thereto, if the Deputy Commissioner, after making such enquiry as he may deem fit, is satisfied that the person so applying is the proper person to receive payment for the benefit of the person entitled to compensation.
Where a person entitled to receive compensation under the Ordinance dies after the making of an award, the Deputy Commissioner may, to provide relief in suitable cases, on the application of the heirs or legal representatives of such person and after holding an enquiry into the title of the applicants, direct, that compensation shall be paid to the applicants on such terms and conditions as the Deputy Commissioner may deem fit to impose.

Any payment made under sub-section (1) or sub-section (2) shall afford full indemnity to the Authority for the payment made but shall not affect the liability of the person who has received the payment to account therefor to the person lawfully entitled thereto.

34. Power of Deputy Commissioner to call for information.- With a view to acquiring any land or determining any compensation therefor or to carrying out any other purpose of this Ordinance, the Deputy Commissioner may—

(a) require any person, by order in writing, to furnish such information in his possession relating to any land as may be specified in the order;

(b) enter or authorize any person to enter upon any land and take such action as may be necessary.

35. Power of Authority to give directions to Deputy Commissioner.- The Authority may give direction to the Deputy Commissioner as respects the exercise of his powers and the discharge of his functions under this Chapter and the Deputy Commissioner shall be guided by, and act in accordance with, such directions.

COMMENTS

Authority to issue directions. Capital Development Authority could issue directions only in consonance with and subordinate to other provisions of Ordinance and not ultra vires of them. Nothing in section 28 read with section 2(k) or in any other provision of Ordinance warrants conclusion of Deputy Commissioner being not required to award compensation according to existing classification of land on date of expropriation of owner. Directions issued by Authority under section 35 to ignore bona fide improvements made after 1958 but before acquisition, held, ultra vires. Amendments subsequently introduced into section 2(k) by amending Ordinance VII of 1968, held further, had no effect on land acquired before 1-2-1968 [PLD 1976 SC 752].
1[36. Appeal and review.- (1) The Authority or any person aggrieved by an award or final order of the Deputy Commissioner may, within fifteen days of such award or order, appeal to the Commissioner.

(2) The Commissioner may, after giving the Authority and the persons affected by the award or order appealed against an opportunity of submitting any objection to the appeal and of being heard, pass such orders thereon as he may think fit.

(3) The Deputy Commissioner or the Commissioner, either of his own motion or on an application made in this behalf, at any time within five years from the date of an award or order made or passed by himself or by any of his predecessors in office, including an award or order made or passed before the commencement of the Capital Development Authority (Amendment) Act, 1966, may, after giving the parties concerned a notice and an opportunity of being heard, review the award or order and pass such order thereon as he may deem fit:

Provided that an order under this sub-section shall not, except in so far as it corrects an arithmetical, clerical or patent error or mistake in the award or order under review, enhance the amount of compensation awarded.

(4) Any amount paid to any person which is found, for any reason including fraud or misrepresentation, not to be due or in excess of the amount he is entitled to under the award or order, as reviewed under sub-section (3), shall be recoverable by the Authority and the Deputy Commissioner shall call upon such person to refund it.

(5) Subject to the provision of sub-section (3), the order of the Commissioner passed on any appeal shall be final and shall not be called in question in any court.]

1 Subs. by the Capital Development Authority (Amdt.) Act, 1966 (22 of 1966), s.10, for section 36.
1. Review after appeal is filed. Where the C.D.A. filed a review petition before the Deputy Commissioner himself after his award had been challenged in appeal by the land-owners. It was held: that it was clearly not open to the Deputy Commissioner to proceed to review his own order during the pendency of the appeal before the superior officer; nor could the Deputy Commissioner alter the award in review after the appeal had been decided by the Commissioner [1973 SCMR 145].

2. Miscellaneous petition if may be converted into Constitutional petition. Conversion of proceeding of one kind into another lies within the discretion of the Court. If the High Court was satisfied that circumstances of the case justified conversion of miscellaneous application filed by respondents in a disposed of case into proceedings under Article 199 of the Constitution of Pakistan there was no legal bar to such conversion of the proceedings [1994 SCMR 771=NLR 1994 SCJ 372].

3. Review proceedings. Dispute regarding acquisition of land was finally decided by Supreme Court and direction was issued to the authorities to pay compensation to affectees. Authorities had paid compensation to some of the affectees, when all of a sudden Deputy Commissioner, Capital Development Authority, initiated suo motu review proceedings under section 36(3) of Capital Development Authority Ordinance, 1960, and excluded the names of certain landowners. Respondent/Commissioner Capital Development Authority, allowed appeal filed by aggrieved landowners and set aside the order passed under suo motu powers by Deputy Commissioner. Validity. After receiving the reports, Deputy Commissioner, a functionary under Capital Development Authority Ordinance, 1960, himself visited the site and inspected existence of houses and structures and thereafter according to the policy of Capital Development Authority, affectees opted to remove Malba of buildings subject to deduction of 15% of the value of houses. After the observations of Supreme Court, Authorities had acted with mala fide intention to further delay legitimate payment of compensation which was not justified on any legal or moral ground. When the awards were adjudged valid and proper by Supreme Court, the Deputy Commissioner, Capital Development Authority was not empowered to exclude names of affectees from the award while exercising powers of suo motu review. High Court in exercise of Constitutional jurisdiction, declined to interfere with the order passed by respondent/Commissioner Capital Development Authority. Petition was dismissed in circumstances [2008 CLC 1530].

4. Contempt of Court. Commissioner reviewed the order of his predecessor on the ground that Supreme Court had misinterpreted the law, which misinterpretation would not be shared by him, thus, calling it as mistake patent on the face of record. Successor Commissioner by such observations had showed disrespect to decisions of Supreme Court and High Court, which prima facie would amount to contempt of Supreme Court warranting legal consequences. Notice was issued to Commissioner to show cause as to why proceedings under Article 204 of Constitution read with Sections 3 & 4 of Contempt of Court Act, 1976, be not initiated against him for showing his wilful disobedience and disrespect to the dignity and decorum of Supreme Court and High Court in violation of such provisions [PLD 2002 SC 243].
obligatory on the Commissioner to follow the said reported judgments in letter and spirit in terms of Article 189 of the Constitution. Although the Administrative Functionaries did not enjoy judicial powers but when they were required to pronounce a judicial decision in judicial proceedings instituted before them, they were bound by the judgments of the superior Courts as if they were functioning as a judicial forum having powers of Court to the extent of the decisions of the cases required to be made by them judiciously. Commissioner, therefore, had no lawful authority to differ with the law laid down in the reported judgments and by not following the same he had made himself liable for contempt of Court because while disagreeing with the principles laid down therein he had used intemperate language. Respondent had tendered unqualified apology for his action and had also placed himself at the mercy of the Court. Perusal of the order passed by the Commissioner way back in 1983, however, indicated that he had not differed with the judgments quoted before him with mala fide intention but on account of non-understanding of judicial principles pertaining to apply the judgments of the superior Courts. Supreme Court, therefore, had extended to the respondent the benefit of such extenuating circumstances and did not exercise jurisdiction of contempt of Court as provided under Article 204 of the Constitution. Showcase notice issued to the respondent/Commissioner was discharged accordingly with a warning to him that in future he should remain careful while interpreting judgments passed by the superior Courts, and if he repeated such conduct he would be dealt with strictly without showing any leniency to him [PLD 2002 SC 399].

5. Constitutional petition. Remedy of appeal available but such remedy was not exhaustive and thus not suitable. Effect. Where petitioner had challenged the very acquisition of land to be illegal and was not claiming the enhancement of compensation, the provisions of Section 36 of the Ordinance was not a remedy being not exhaustive. Constitutional petition was, therefore, maintainable [1999 YLR 247].

6. Jurisdiction of Commissioner to review order more than once. Commissioner, after deciding the earlier review application allowed another review application. Validity. Where Commissioner had passed an order on appeal, there arose right of review to any of the parties or a power vesting in the Commissioner himself to suo motu review the order so passed in appeal. Once such power had been exhausted either suo motu or on an application, the order in appeal would become final. Second review was not competent and the Commissioner acted without lawful authority in entertaining and allowing the same. Order passed by the Commissioner in second review application was without lawful authority and the same was set aside. Constitutional petition was allowed in circumstances [2002 YLR 1059].

1[36A. Deputy Commissioner and Commissioner to have powers of civil court, etc.- (1) The Deputy Commissioner making any enquiry, or conducting any proceedings for an award under this Ordinance, or the Commissioner hearing an appeal or holding a review under section 36, shall have the same powers in respect of the following matters as are vested in a civil court, when trying a suit, under the Code of Civil Procedure, 1908 (Act V of 1908), namely:—

COMMENTS

Synopsis

1. Minister's powers qua allotment of property.
2. Allotment of plots by prime Minister from his discretionary quota.
3. Constitutional jurisdiction of High Court.
4. Allotment of public property to parliamentarians at Islamabad.
5. Allotment of land/plot in Capital Area.

1. Minister's powers qua allotment of property. Capital Development Authority having perpetual succession and a common seal, a Corporation with independent authority and existence CDA Ordinance, 1960 vests Authority with independent power of preparation of master plan, master programme, schemes, and power of management. No such powers conferred by Ordinance on Minister Incharge. Minister, held, devoid of powers to allot property vesting in Authority [1979 CLC 502].

2. Allotment of plots by prime Minister from his discretionary quota. Paragraphs 15(i)(6); 15(ii)(7) and 15(ii-a) of Land Disposal in Islamabad Regulation, 1988 having been amended by Notification dated 19-5-1993 which was not published in the official Gazette were ultra vires of the Capital Development Authority Ordinance, 1960 as said paragraphs were beyond the scope of the said Ordinance for Prime Minister did not figure in the Ordinance in any capacity. Capital Development Authority, itself, could not exercise any discretion under paras, 18(c) & 19(b) (iii) of the said Regulations for these provisions were also ultra vires of the Ordinance and thus were liable to be struck down alongwith paras 15(i)(6), 15(ii)(7) and 15(ii-a) of the Regulations. Plots so allotted therefore stood reverted to the Capital Development Authority which was directed to take action in that behalf as ordered by the High Court [PLD 1993 Lah. 855].

3. Constitutional jurisdiction of High Court. High Court has ample jurisdiction to look into the allotment of plots by the Prime Minister of Pakistan in various Housing Schemes of the Capital Development Authority from their discretionary quota [PLD 1993 Lah. 855].

4. Allotment of public property to Parliamentarians at Islamabad. Law presumes that an act was bona fide unless same was shown to have been taken with mala fide intention. Mala fides cannot be presumed but has to be proved. If reservation of plots in Development Schemes for other groups or class of people, in particular Advocates to which class petitioner belongs was not objected to and has been treated to be justifiable act, there was no reason to object to reservation of same to other class of people in the same manner. No interference in reservation of plots for Parliamentarians was warranted in circumstances [1996 CLC 1987].

5. Allotment of land/plot in Capital Area. Lands/plots within limits of Capital Area of Islamabad is governed by Capital Development Authority Ordinance, 1960 and Rules and Regulations framed thereunder. Statutory Rules and Regulations as regards transfer etc. of State land, in terms of Articles 260(c) & 268(7) of the Constitution have been declared to be the law for purpose of Article 173(5) of the Constitution. Law, therefore, exists for dealing with State land within limits of Capital Area of Islamabad [1996 CLC 1987].
The Islamabad Laws

49A. Recovery of dues, etc.- Any sum due to the Authority from, or any sum wrongly paid to, any person under this Ordinance shall be recoverable as 'arrears of land revenue.

COMMENTS

Eviction of lease. Plot given by Capital Development Authority to Staff Welfare Committee for welfare purposes. Lease of plot by Committee in favour of petitioner for a fixed term. Eviction of petitioner from plot by Authority after expiry of lease while matter of renewal of lease was under process. Petitioner alleged such eviction to be illegal as lessor of plot was Committee, which was a separate body from Authority and thus, such lease was outside purview of Capital Development Authority Ordinance, 1960. Validity. Committee was not alien to Authority, but was its competent. Authority had delegated certain powers to Committee to deal with plot and use its funds for purposes of welfare of staff. Apprehension was that Authority under political influence would lease out plot surreptitiously to someone else. High Court disposed of constitutional petition with directions to Committee to decide fate of renewal of lease independently within specified time, and on its failure to do so, petitioner would be put in possession of plot till its decision [2006 CLC 745].

Plot leased to the petitioner had been given by the Capital Development Authority to the Welfare Committee of the CDA's employees so that the income derived from the plot be utilized for welfare purposes and said Committee was plenipotentiary with respect to all the day to day matters relating to the said plot. Contention of the petitioner, who had obtained the lease from the Staff Welfare Committee, was that action of ejecting him from the plot had been taken at the end of the CDA without any proper decision in connection with re-letting of the plot to the petitioner by the Welfare Committee. Petitioner had further alleged that the authorities in the CDA under the influence of certain political figures were trying to grab the plot in question and would lease out the same surreptitiously to someone whom the authorities had been directed to accommodate. Validity. Property undoubtedly belonged to the Capital Development Authority and had been given over for welfare purposes to the Welfare Committee, CDA, therefore same had some role in the matter and it was possible that CDA was used in ousting the petitioner at the relevant time after the notice. Welfare Committee was working with the Capital Development Authority and as such was an agency as the CDA being its component same could not be said to be alien to the

Body, CDA had delegated certain powers to the Committee with the functional role to deal with plot in hand and use its funds for the purposes of welfare of the Staff. Constitutional petition against the Welfare Committee, therefore was maintainable. Welfare Committee being incharge of the plot in question having not acted independently in respect of any action which was required to be taken with respect to the renewal of lease of the plot, High Court, directed that the matter be first referred to the Welfare Committee who shall hear the petitioner afresh without prejudice to any past litigation for renewal of the said lease of the plot and shall take a decision on the question of renewal of the lease within three weeks from the announcement of the judgment by the High Court. Status quo, however, was ordered to be maintained during such three weeks, but in case the Committee failed in taking any action in this behalf, the petitioner shall be put in possession of the plot. In the meanwhile until the committee decided the fate of renewal of the lease on such terms which were reasonable, according to the market value, genuine and not meant to defeat the rights of the petitioner through deceit or circumvention of procedure in law. Committee shall also ascertain as to what assets of the petitioner were lying at the plot (Petrol pump) at the time its possession was taken over and will take measures for safeguarding his rights in respect of those assets in accordance with law [2004 MLD 1644].

49C. Removal of building, etc., erected or used in contravention of this Ordinance.- (1) If any building, structure, work or land in erected, constructed or used in contravention of the provisions of this Ordinance or of any rule, regulation or order made thereunder, the Deputy Commissioner, or any person empowered in this behalf by the Authority, may, by order in writing, require the owner, occupier, user or person in control of such building, structure, work or land to remove, demolish or alter the building, structure or work, or to desist from using or to so use the land, as to be in accordance with the said provisions.

(2) If an order under sub-section (1) in respect of any building, structure, work or land is not complied with within such time as may be specified therein, the Deputy Commissioner, or any person empowered in this behalf by the Authority, may, after giving the person affected by the order an opportunity of being heard, remove, demolish or alter the building, structure or work, or stop the use of the land and, in so doing, may use such force including police force as may be necessary and may also recover the cost therefor from the person responsible for the erection, construction or use of the building, structure, work or land in contravention of the provisions as aforesaid.

49D. Police assistance.- The officer-in-charge of a police-station shall render such police assistance as the Deputy Commissioner may require in the discharge of his functions under this Ordinance.

49E. Jurisdiction of courts barred.- Save as otherwise provided by this Ordinance no court or other authority shall have jurisdiction to question the

legality of anything done or any action taken under this Ordinance by or at the instance of the Authority."

COMMENTS

Civil Courts Jurisdiction. Section 49-E protects civil courts jurisdiction only when orders passed in accordance with Act, and not illegal orders [PLD 1978 Lah. 1116]. Though section 49-E bar the jurisdiction to entertain question of the legality of anything done or any action taken under this Ordinance, yet any thing illegally done by Authority or its officers is not said to have been done under Ordinance. Anything done malafide also is not to be accepted as done under the Ordinance and courts jurisdiction in such circumstances is not barred [PLJ 1983 FSC 298].

Malafides literally means "in bad faith". Action taken in bad faith is usually action taken malicious in fact, that is to say, in which the person taking the action does so out of personal motives either to hurt the person against whom the action is taken or to benefit oneself. Action taken in colourable exercise of powers, that is to say for collateral or action taken in fraud of the law are also malafide [PLD 1974 SC 151; PLJ 1974 SC 77 Law Notes 1974 SC 184].

Civil courts can exercise jurisdiction to examine validity of acts of statutory functionary to find out whether or not it exceeds its powers and section 49-E is no bar to exercise of such powers [PLD 1981 Lah 341]. Under section 49 (a) if actual sum due to the authority is in dispute the same cannot be said the sum due unless settled in accordance with law [1979 CLC 565].

Jurisdiction of Civil Court will be barred only when the legality to anything done or action taken under the Act/ Ordinance by or at the instance of the Authority is questioned. Jurisdiction of Civil Court, however is not barred in a suit for declaration about the nature of the transaction and the status of the parties with consequential relief under section 42, Specific Relief Act, 1877 [PLD 1995 SC 457].

[49F. Admissibility of document or entry as evidence.- A copy of any receipt, application, plan, notice, order or other document or of any entry in a register, in the possession of the Authority shall, if duly certified by the legal keeper thereof or other person authorised by the Authority in this behalf, be admissible in evidence of the existence of the document or entry, and shall be admitted as evidence of the matters and transactions therein recorded in every case where, and to the same extent to which, the original document or entry would, if produced, have been admissible to prove such matters.]

COMMENTS

Internal office noting. Objection as to its admissibility in evidence not raised at time of its production in evidence, but raised in revision before High Court. Objection so raised was of no substance [2003 CLC 1684].

50. Power to make rules.- The *Federal Government* may, by notification in the official Gazette, make rules to carry out the purposes of this Ordinance:

Provided that no rules shall be made on any of the matters specified in section 38.

Synopsis

1. Framing of regulations.
2. Reservation of Plots.
3. Imposition of property tax.

1 Framing of regulations. The Capital Development Authority is the sole arbiter to frame regulation for the terms and conditions of its employees. Requirement of publication cannot make non-statutory regulations statutory [PLD 1979 Lah. 803].

Provisions of Sections 50 & 51 of the Ordinance are ambiguously worded inasmuch as neither of these sections lays down any guidelines as to which subjects the Federal Government was to frame the rules and on which topics Capital Development Authority was to frame regulations, except to the extent that the Rules could not be framed on certain service matters mentioned in section 38 of the Ordinance. If provision of section 49 be read with section 51 of the Ordinance, then it can be said that the Authority could frame Rules for the disposal of the land vesting in it. Land Disposal in Islamabad Regulations, 1985 having been neither approved by the Federal Cabinet nor been published in the official Gazette to satisfy the requirement of section 51 of the Ordinance were incapable of being acted upon. If the Authority or any of its functionaries had acted upon these regulations, all that was without lawful authority and of no legal effect [PLD 1993 Lah. 855].

2. Reservation of plots. Law presumes that an act was bonafide unless same was shown to have been taken with malafide intention. Malafides cannot be presumed but has to be proved. If reservation of plots in Development Schemes for other groups or class of people, in particular Advocates to which class petitioner belongs was not objected to and has been treated to be justifiable act, there was no reason to object to reservation of same to other class of people in the same manner. No interference in reservation of plots for Parliamentarians was warranted in circumstances [1996 CLC 1987].

1 Subs. by the Capital Development Authority (Amtd.) Act, 1966 (22 of 1966), s.14 for s. 51.
Statutory Rules and Regulations framed thereunder have been declared to be the law for purpose of Article 173(5) of the Constitution [1996 CLC 1987].

3. Imposition of property tax. Petitioners who owned and operated hotel in Islamabad Capital Territory, had questioned imposition of property tax and its recovery by the Authority. Contention of petitioners was that they being not located in any of the areas mentioned under the heading "commercial" were to be treated as Industrial concern and be charged accordingly. Terms "industrial", "institution" or "commercial", had not been defined in the Rules framed by Federal Government for the imposition of property tax and recovery thereof. Till such time a statutory enactment including the hotels located in Islamabad Capital Territory in the term "industry" or "industrial" or "institution", was not made by Competent Authority, petitioners could not claim as a right to be charged as an industrial concern vis-à-vis said property tax [PLD 2004 Lah. 80].

52. Dissolution of Authority and transfer of its assets and liabilities to the Federal Government and other agency determined by that Government.- (1) The [Federal Government] may, by notification in the official Gazette, declare that the Authority shall be dissolved on such date as may be specified in such notification, and the Authority shall stand dissolved accordingly.

(2) On and from the said date—

(a) (i) all properties, funds and dues placed at the disposal of the Authority by the [Federal Government]; and

(ii) all properties, funds and dues exchanged for derived from or otherwise attributable to the properties, funds and dues referred to in sub-clause (i), which, immediately before the said date, were held by or were realisable by the Authority shall vest in, and be realisable by, the [Federal Government];

(b) all properties, funds and dues, other than those referred to in clause (a), which, immediately before the said date, were vested in or were realisable by the Authority shall vest in and be realisable by such agency as the [Federal Government] may determine, and its decision thereon shall be final;

(c) all liabilities which, immediately before the said date, were enforceable against the Authority shall be assumed by and be enforceable against the [Federal Government] or such

agency as the *[Federal Government]* determines under clause (b), as the case may be;

(d) for the purpose of completing the execution of any scheme which has not been fully executed by the Authority and of realizing properties, funds and dues referred to in clauses (a) and (b), the functions of the Authority under this Ordinance shall be discharged by the *[Federal Government]* or by the agency determined by the *[Federal Government]* under clauses (b) and (c), as the case may be; and

COMMENTS

Synopsis

1. Boundaries of the capital area.
2. Levy of electricity duty.

1. Boundaries of the capital area. Plea for inclusion of certain villages lying on the boundary between District Rawalpindi and Islamabad the capital territory. Validity. Boundaries which had already been settled in view of the acquisition of land under section 22, Capital Development Authority Ordinance, 1960 and Capital of the Republic (Determination of Area) Ordinance, 1963 and other relevant laws, could not be now altered without following the provisions of Article 239, Constitution of Pakistan and therefore any directive or notification requiring any change could not be enforced now. Petitioner, in his alternate plea stated that even with respect to the boundaries fixed and determined by law, he had an objection because these had not been correctly drawn physically on the site which had led to a lot of confusion and emphasized that boundaries were only made in the plans and in the papers. High Court, while disposing of the Constitutional petition observed that the Capital Development Authority and the District Coordination Officer of Rawalpindi should hold a meeting for determining a date for joint demarcation of the boundaries in accordance with law and to effect the physical demarcation of the boundaries within a period of three months from the announcement of the judgment while submitting a compliance report to the High Court ensuring that the same reaches the High Court by the 1st of March, 2003 [PLD 2003 Lah. 55].

For determining the territorial limits of capital site, Schedule given by the Capital of the Republic (Determination of Area) Ordinance, 1963 is to be followed [PLD 2001 Lah. 379].

2. Levy of electricity duty. Area of Islamabad already being part of Province of Punjab on promulgation of Establishment of West Pakistan Act, 1955 became part of West Pakistan and remained so even after declaration of area of capital by Section 2 of Capital of the Republic (Determination of Area) Ordinance, 1963. Province of West Pakistan stood dissolved through Province of West Pakistan (Dissolution) Order, 1970, whereafter Constitution (1973), was promulgated and Punjab Assembly could not legislate with respect to Capital Area of Islamabad. By virtue of Article 268 of the Constitution, Section 13 of West Pakistan Finance Act, 1964 being an existing law and in force in Capital Area of Islamabad was to continue in force. Section 13 of Finance Act, 1964 as substituted by Section 5 of Punjab Finance ordinance, 1978 would apply to Capital Area of Islamabad with effect from 27-6-1978 [PLD 2008 Isl. 30].

3. Applicability of (Standing Orders) Ordinance, 1968. Successive legal instruments enforced on or after shifting of Capital of Federation from Karachi to Islamabad indicating laws applicable

---

1 Substituted by Federal Adaptation of Laws Order, 1975 for West Pakistan.
The Capital of the Republic (Determination of Area) Ordinance, 1963

To territory of Islamabad before dissolution of Province of West Pakistan and designation of Islamabad as a Federally administered area being held to continue to operate as existing laws until repealed or altered by competent Legislature and only amendment in such legal position being Federal Adaptation of Laws Order, 1975 substituting word "Pakistan" for words "the Province of West Pakistan" resultantly extending West Pakistan Industrial and Commercial Employment (Standing Order) Ordinance, 1968 to whole of Pakistan except Tribal areas, and 1968 Ordinance, being an existing law in Islamabad area on date of dissolution of Province of West Pakistan, Ordinance VI of 1968, held, continues to apply to Islamabad area until provision to contrary made by Legislature [PLD 1981 SC 81].

1. Applicability. Capital Development Authority (Abatement of Arbitration Proceedings) Act, 1975 is applicable to the contracts/arbitration proceedings entered into by Capital Development Authority prior to the passing of the Act. Abatement of proceedings before arbitrators under section 3 of Capital Development Authority (Abatement of Arbitration Proceedings) Act, 1975 pertains to the contracts and proceedings entered into prior to the passing of the Act. Such prohibition or abatement is with regard to the contracts entered in the past and not for future contracts or arbitration proceedings. Capital Development Authority (Abatement of Arbitration Proceedings) Act, 1975 has no applicability to the agreements executed after the passing of the Act [2015 CLC 734].

2. Vires of the Act. Act XXVII of 1975 treating all persons belonging to class of Pakistani contractors alike and not favouring some within class nor unduly burdening others. Not an invalid legislation. Fact of some firms being left out of such classification on account of implications of international law and agreements and formed into a different class. Does not make legislation arbitrary. Object of annulment of arbitration agreement appearing to avoid loss to Capital Development Authority from latent misconduct of arbitrators, in allowing unreasonable claims of contractors, not possible to prove in Court of law on limited grounds of section 30 of Arbitration Act, 1940, classification, held, not arbitrary on such score also. Act XXVII of 1975, held, intra vires of Constitution.

Equal protection of law ensures a guarantee that all persons shall be treated alike. Its aim is to procure equality of rights, privileges, and capacities, to have “one rule for rich and poor, for the favourite at Court and the countryman and plough”, to remove prerogatives of birth, or privileges or distinctions by reasons of race, birth, social class, sex, religion or even political ideas. Its object is that the privileges or immunities of the citizens in regard to their life, liberty, property, opportunity of employment and pursuit of happiness shall not be abridged. The protection extends to the enjoyment of civil and political rights and the performance of public duties and political rights. This does not, however, mean that the Legislature shall not in its enactments have due regard to difference of capacity, physical and moral, or the varying needs of different classes requiring separate treatment. As observed in the case of Zain Noorani “mere differentiation or inequality in treatment does not amount to discrimination in contravention of Article 5 (similarly worded Article in the Constitution of 1956) and that the Article prohibits only unreasonable or arbitrary differentiation having no rational basis with reference to the legislation.” Both the phrases i.e., “equal protection before the law” and “equality before the law” envisage that, (a) rights of all persons must rest upon the same rule under similar circumstances regardless of race, religion, antecedents, physical appearance, intellect, public spirits, political views, wealth or occupation, (b) all persons shall be treated alike under like circumstances and conditions both in the privileges conferred and in the liabilities imposed, (c) powers should be defined by law, (d) every man, whatever he, his rank or condition is subject to the ordinary law of the land and amenable to the jurisdiction of ordinary tribunals or Courts, (e) equality or equal protection permits reasonable classification and mere differentiation or inequality of treatment does not amount to discrimination. Equal subjection of all persons to the ordinary law is also included in the ‘Equal Protection’ clause is clear from the view of the Supreme Court of Pakistan in case of
The Islamabad Laws

Jabindra Kishore that "the guarantee of equal protection of the laws requires that all persons shall be treated alike under like circumstances and conditions, both in the privileges conferred and in the liabilities imposed." The two phrases being overlapping if not coextensive in character, the same principle of classification will be kept in view while judging the vires of the Act of 1975.

The Supreme Court held that "the principle is well recognised that a State may classify persons and objects for the purpose of legislation and make laws applicable only to persons or objects, within a class. In fact almost all legislation involves some kind of classification whereby some people acquire rights or suffer disabilities which others do not. What, however, is prohibited under this principle is legislation favouring some within a class and unduly burdening others. Legislation affecting like all persons similarly situated is not prohibited. The mere fact that legislation is made to apply to a certain group of persons and not to others does not invalidate the legislation if it is so made that all persons subject to its terms are treated alike under similar circumstances. This is considered to be permissible classification." Applying this principle to the present case it will be seen that to categorise Pakistani contractors who have entered into an agreement with the Capital Development Authority for execution of any project or work or for supply of any goods or labour or for performance of any obligation, as a class is permissible classification and does not invalidate the legislation since this law treats all persons belonging to this class alike. It does not favour some within the class and unduly burden others. The fact that some firms have been left out of this classification to form a different class does not make this legislation arbitrary on account of the implications of international law as well as the international agreements between Pakistan on the one hand and the countries of origin of those firms on the other. The object of annulment of arbitration agreements appears to be to avoid loss to the Capital Development Authority from the latent misconduct of the arbitrators in allowing big and unreasonable claims of the contractors which it is not possible to prove in a Court of law on the limited grounds of section 30, Arbitration Act. Existence of error apparent on the fact of the award is no doubt a ground for setting aside the award but this ground is of no avail in a case where the award does not give any grounds. The classification cannot, therefore be said to be arbitrary, and the Act is intra vires of the Constitution [PLD 1976 Lah. 1115].

3. Abatement of proceedings. Arbitration clause. Interpretation of document. Agreement between parties contained a clause whereby in case of dispute the matter was to be referred to Chairman Capital Development Authority and his decision was to be final. Trial Court, on application filed by plaintiff, removed the Chairman as arbitrator and appointed another person as sole arbitrator. Order passed by Trial Court was maintained by Lower Appellate Court. Validity. Any provision in agreement entered into before year, 1975, regarding arbitration stood abrogated and annulled under section 3 of Capital Development Authority (Abatement of Arbitration Proceedings) Act, 1975. As agreement in question was signed in year, 1999, therefore, proceedings before arbitrator were not abated and provisions of section 3 of Capital Development Authority (Abatement of Arbitration Proceedings) Act, 1975, were not attracted. According to clause in question parties were to amicably settle their dispute failing which reference should have been made to the Chairman Capital Development Authority whose decision would be final and binding on parties. Such clause in agreement could not be construed as an arbitration clause and had not attracted provisions of Arbitration Act, 1940. According to such clause, provision for alternate dispute resolution could be invoked with final decision being upon Chairman Capital Development Authority. Intention of such clause was to settle disputes with minimum of procedure, fuss and delay. Such like clauses were to expedite resolving the disputes expeditiously where dispute delays could cause huge monetary losses to both the parties. Both the Courts below had erred in interpreting the clause in agreement and had gone beyond its scope. Judgments passed by both the Courts below were set aside and petition under Sections 8, 11 and 20 of Arbitration Act, 1940, filed by plaintiff were dismissed [2009 MLD 451].
4. **Limitation.**—In computing the period of limitation prescribed for a suit or application relating to any dispute to which the provisions of sub-section (1) of section 3 apply, the time commencing on the date—

(a) of the execution of an agreement of reference to arbitration by the Authority and the contractor;

(b) of the making of a reference to arbitration; or

(c) of the making of an application to a Court for referring dispute to arbitration;

and ending immediately before the coming into force of this Act shall be excluded:

Provided that nothing in this section shall be deemed to have the effect of extending the period of limitation for a suit or an application where such period had expired prior to the execution of an agreement or the making of a reference or an application as is referred to in clause (a), clause (b) or clause (c).

CHAPTER I

PRELIMINARY

1. Short title, extent and commencement.- (a) These Regulations may be called the Islamabad (Control of Advertisements) Regulations, 1977.

(b) These Regulations extend to Islamabad Capital Territory.

(c) These Regulations shall come into force at once.

COMMENTS

Applicability to rural areas. Islamabad (Control of Advertisement) Regulations, 1977 has been issued under the Capital Development Authority Ordinance, 1960, therefore, the same has applicability within the area of the operation given under section 1(2) & 2(p) read with Schedule to the said Ordinance, which draws no distinction between the rural or the urban areas. Capital Development Authority can levy fee, irrespective of urban or rural territory, in accordance with the Islamabad (Control of Advertisement) Regulations, 1977 [except the statutory advertisement subject to size requirement] [PLD 2015 Isl. 36].

2. Definitions.- In these Regulations, unless there is anything repugnant in the subject or context.

* Published in the Gazette of Pakistan, Extraordinary, Part II, dated 23rd June, 2008, at pages 2101-2114.
(i) "Advertisement" means any words, letters, model, sign, placard, board, notice, device or representation whether illuminated or not, in the nature of and employed wholly or in part for the purposes of advertisements. Announcement or direction, and includes any hoarding or similar structure used or adopted for display of any advertisement.

COMMENTS

Facia boards. Definition of the word "advertisement" provided under Regulation 2(i) of the Islamabad (Control of Advertisements) Regulations, 1977, is exhaustive enough to include all kinds of facia boards and identification boards [PLD 2015 Isl. 36].

(v) "Building" means any structure or enclosure affixed to the land.

(vi) "Business Premises" means any building normally used for carrying on any professional, commercial or industrial undertaking or any building normally used for the provision therein of services to members of the public or of any association, and includes public restaurants, licensed premises and places of public entertainment.

(vii) "Director" means the Director Municipal Administration, Capital Development Authority, Islamabad, or any such officer deputed by the Authority to act on his behalf.

(ix) "Illuminated advertisement" means an advertisement which is designed or adopted to be illuminated by artificial means directly or by reflection.

(x) "Sites" means land or building on which an advertisement is displayed or intended to be displayed.

COMMENTS

Advertisement on property. Islamabad (Control of Advertisement) Regulations, 1977, draws no distinction between public or private owned properties and the only restriction upon area of its application has been made under Regulation 2(x) of the said Regulations, whereby the advertisement falling within the regime of the said Regulations is restricted to that which is 'on' the building or land instead of inside of buildings, meaning thereby that the outer structures of private or public owned building remained subject to the Islamabad (Control of Advertisement) Regulations, 1977 [PLD 2015 Isl. 36].

(xi) "Traffic Signs" include all signals, warning sign posts, direction post, or other devices for the information, guidance or direction of traffic, installed by or under of the Authority.

CHAPTER II

**COMMENTS**

Requirement of permission. Where permission is not mandatory for displaying an advertisement, fee is not applicable, however, where the advertisement does not conform to the restriction or the standard size given in Regulation 4 of the Islamabad (Control of Advertisement) Regulations, 1977, it would automatically lose cover under Regulation 3 of the said Regulations and requirement of permission and the fee would become applicable [PLD 2015 Isl. 36].

(ii) The Authority may impose any other additional conditions, as it deems necessary.

COMMENTS

"Tax" or "fee". Tax is imposed to share the common burden while fee is levied as a charge against a benefit or privilege. Islamabad (Control of Advertisement) Regulations, 1977, itself used the name ‘advertisement fee’ because it is not a common burden which is being shared rather it is being imposed as a fee [PLD 2015 Isl. 36].

Certain kinds of ‘fee’ are such that the corresponding consideration is not clearly perceivable and pertained to privilege or benefit, such as in case of ‘regulatory fees’ where the authority exacts the fee against the service of regulating an obligatory duty from the public. ‘Arms License Fee’ or other ‘professional fees’ are examples of such regulatory fee where the corresponding service is not that conspicuous as it is in the case of water supply fee received by the municipality, but either way it cannot be called exaction of money to share common burden, therefore, it is not termed as tax and is called “fee” [PLD 2015 Isl. 36].

Maintainability of constitutional petition. Functions mentioned in Islamabad Club (Administration) Ordinance, 1978 are primarily functions of State and a civic responsibility of Federation towards its citizens. Club is vested with power to take necessary steps for achievement of the objects as well as to allow and restrain facilities to natural persons. Condition with regard to exercise of public power is fulfilled. President of Pakistan is Patron of the Club and its administrator is a persona designata Grade-21 officer of Federal Government. (3) A member of the Managing Committee may, by writing under his hand addressed to the Federal Government, resign his office.

8. Bar of jurisdiction.- No court shall grant any injunction or make any order or entertain any proceedings in relation to anything in good faith done or intended to be done under this Ordinance.
9. **Indemnity.**—No suit or other legal proceeding shall lie against the Federal Government or the Administrator or any other person in respect of anything in good faith done or intended to be done under this Ordinance.

10. **Power to make rules.**—The Federal Government may make rules for carrying out the purposes of this Ordinance.

11. **Removal of difficulties.** If any difficulty arises in giving effect to any provision of this Ordinance, the Federal Government may make such order, not inconsistent with the provisions of this Ordinance, as may appear to it to be necessary for the purpose of removing the difficulty.

COMMENTS

Synopsis

1. Termination of lease for quarrying of lime stone. Petitioner challenged termination of lease in High Court in its Constitutional jurisdiction. High Court on basis of material on record found that termination of lease was justified on the ground that Authorities having demarcated area which was declared to be ‘Margalla Hills as National Park’ under Section 21, Islamabad Wildlife (Protection, Preservation, Conservation and Management) Ordinance, 1979, breaking up of earth or digging or removal of stone etc. was prohibited from area in question, therefore, proceedings in the case had been taken in accordance with the provision of law as well as terms and conditions of lease granting letter; that objection that area leased out to petitioner did not fall within National Park Area being question of fact had been determined twice and had been found to have fallen within territorial limits of National Park Area; and that question of fact could not be subject-matter of Constitutional petition. Validity. Order of termination of lease having been passed under clause (15), Pakistan Mining Concession Rules, 1960, which empowers lessor to determine lease as provided therein, High Court had rightly found that in terms of clause (15), Pakistan Mining Concession Rules, 1960, where it was found that area or any part thereof, was not free and was granted to lessee by inadvertence, lessee would release the same unconditionally as and when required to do so. Leave to appeal was refused in circumstances [1996 SCMR 1421].

2. Acquisition of land. Land of petitioner was acquired on the basis of its being shown in the master plan as an area for the National Park. No scheme of National park had been prepared and defined anywhere and acquisition was made on the basis of mere earmarking of that area through a notification under Islamabad Wildlife (Protection, Preservation, Conservation and Management) Ordinance, 1979. Validity. Land in question was a private land, unless a proper scheme of National Park was prepared by the Central Government or the Capital Development Authority under Sections 11, 12, 13 & 14 of the Ordinance, partial acquisition of land in the name of National Park could not be justified [1999 YLR 247].
22. **Game reserve.**—(1) With a view to providing facilities for hunting, the Federal Government may, by notification in the official Gazette, declare any area to be a game reserve, but no person shall hunt, shoot or capture any wild animal in a game reserve, except in the case of game animals specified in the First Schedule, under a hunting permit.

(2) A hunting permit may be issued by an authorised officer in such manner, on such terms and conditions and on payment of such fees as may be prescribed.

(3) The holder of a hunting permit may hunt such number of game animals specified in the First Schedule and during such period as may be specified by the authorised officer.

23. **Private game reserve.**—(1) Where the Federal Government is satisfied that private land has been dedicated by its owner for the purposes similar to that of a game reserve, it may on the application of the owner of that land, by notification declare such land to be a private game reserve.

(2) Hunting of wild animals by any person other than the owner of the land shall not be allowed in a private game reserve except with the permission of the owner thereof.

(3) The Federal Government may, by notification in the official Gazette, at any time declare that any private game reserve shall cease to be a private game reserve.

24. **Alteration of boundaries of wildlife sanctuary, national park, game reserve and private game reserve.**—The Federal Government may, by notification in the official Gazette, declare any alteration in the boundaries of a wildlife sanctuary, national park, game reserve or private game reserve.

25. **Interference in duty.**—Any interference in the discharge of the duties of any person appointed for the purposes of this Ordinance or the rules shall be unlawful.

In exercise of the powers conferred by subsection (1) of section 22 of the Islamabad Wildlife (Protection, Preservation, Conservation and Management) Ordinance, 1979 (LXX of 1979), the Federal Government is pleased to declare the whole of the Islamabad Capital Territory, except the areas declared as wildlife sanctuary and national park, to be the game reserve.]

COMMENTS

Synopsis

1. Executive authority of President.
2. Jurisdiction of Chief Commissioner/Administrator of Islamabad.
3. Land Acquisition.

1. Executive authority of President. Section 2 of the Islamabad Capital Territory (Administration) Order, 1980 provides that the executive authority of the Federation in respect of Islamabad Capital Territory shall be exercised by the President, so by virtue of this Article Islamabad is to be considered as territory of Federal Government and therefore, entitled to the same concession as prevailing in KPK. In fact by virtue of the above said Order of 1980, it can be said that the Islamabad Capital Territory is an entity which is not part of Province of Punjab and the only difference is that the executive authority exists in the President, but no such inference can be drawn that Islamabad Capital Territory is the only Territory belonging to the Federal Government [2012 YLR 1529].

2. Jurisdiction of Chief Commissioner/Administrator of Islamabad. Accused was a political leader and was arrested under sections 124-A, 131, 468, 469, 471, 500, 500-A, and 109, P.P.C. On the appearance of the accused in the Trial Court, law and order situation had been created by unruly supporters of the accused. Chief Commissioner/Administrator of Islamabad directed trial of the accused in jail and the order of the authorities was supplemented by Trial Court. Plea raised by the accused was that Chief Commissioner could not direct trial of the accused in jail as the jurisdiction under section 9(2), Cr.P.C. could only be exercised by Provincial Government. Validity. Chief Commissioner/Administrator of Islamabad was empowered under Article 2 of Islamabad Capital Territory (Administration) Order, 1980, to exercise all the powers and duties conferred or imposed on Provincial Government under any law for the time being in force in Islamabad Capital Territory. Chief Commissioner/Administrator of Islamabad was a Provincial Government and under section 9(2), Cr.P.C. was empowered to direct holding of trial of a case in jail premises. District Magistrate, Home Department or Home Secretary for reasons of security or law and order situation or for any other valid reasons, might conduct the inquiry and place the matter before Trial Court which alone was competent to determine as to whether the trial should be held in open Court or in jail premises and the Provincial Government in suitable cases could pass an order for trial of a case at a particular place if the reasons were bona fide. Order of Chief Commissioner/Administrator of Islamabad directing jail trial was supplemented by the order of Trial Court itself. Trial Court disapproved the situation and was of the opinion that normal trial in Court-room would not be conducive to open trial and could not be held in a peaceful atmosphere. Petition was dismissed in circumstances [2004 PCrLJ 1089].

3. Land Acquisition. Resumption of acquired land from company in event of its non-utilization for restoring the same to previous owners. Initiation of such proceedings under Rule 15 of Punjab
Land Acquisition Rules, 1983 in respect of land within Islamabad Capital Territory. Scope. Notification No. 1/4/LXO/82, dated 19.1.1982 issued under Article 2 of Islamabad Capital Territory (Administration) Order, 1980 does not make applicable Punjab Land Acquisition Act, 1886 in its entirety in Islamabad Capital Territory. Punjab Land Acquisition Act, 1886, and Punjab Land Acquisition Rules, 1983 are not applicable to Islamabad Capital Territory, which is given distinct Constitutional status and is a separate area from the Province of the Punjab. Land Acquisition Act, 1894 is not a law applicable for purpose of acquisition within Islamabad Capital Territory. Compulsory acquisition of land within Islamabad Capital Territory is effected under Capital Development Authority Ordinance, 1960 and Land Acquisition Regulation 1961. General Standing Order No. 28 issued under Land Acquisition Act, 1894 is not applicable in Islamabad Capital Territory premise for initiating proceeding under Punjab Land Acquisition Rules, 1983 by Chief Commissioner, Islamabad was not legally available [2004 CLC 145].

3. Certain persons to continue to serve in Islamabad Capital Territory.- Such persons serving under the Government of the Punjab in, or in connection with the affairs of, the Islamabad Capital Territory immediately before the commencement of this Order as may be determined by the Federal Government shall, notwithstanding anything contained in any law or in the terms of their appointment or their conditions of service, continue to serve in, or in connection with the affairs of, the said Territory, until further orders.

(3) If any person referred to in the proviso to sub-section (1) continues to carry on his business after the expiration of the period specified in sub-section (2) and fails to apply for a certificate of registration as required by that sub-section, the registering authority may, instead of taking action against him under the penal provisions of this Ordinance, entertain his application for grant of a certificate of registration on payment by him of a penalty not exceeding five hundred rupees if the application is made within a period of three months from the date on which the rules come into force and a penalty not exceeding one thousand rupees if the application is made within a period exceeding three months but not exceeding six months from the said date.

Power to enter and examine books, etc.—(1) The registering authority or an officer, not below the rank of an Inspector, Excise and Taxation, authorised by him may enter any place of business or office of a real estate agent or motor vehicles dealer at any reasonable time in order to satisfy himself that the provisions of this Ordinance and the rules are being complied with, and may call for and inspect any books of accounts or documents kept in such place.

(2) If any person prevents the registering authority or an officer authorised under sub-section (1) from entering the place of business or office or from examining the books or documents, or obstructs him in the exercise of those powers, he shall be punishable with fine which may extend to two thousand rupees.

10. Cancellation and suspension of registration.—(1) If the registering authority is satisfied that a real estate agent or motor vehicles dealer has committed any breach of the conditions of the certificate of registration granted to him or—

Provided that, if such agent or dealer subsequently commits any breach of the conditions of the certificate of registration or does any act as aforesaid, the period for which the certificate is suspended may extend to six months:

Provided further that no such order shall be passed unless such agent or dealer has been given not less than seven days’ notice to show cause against it.
Any person aggrieved by an order passed under sub-section (1) may, within thirty days of the passing of the order, prefer an appeal to the Administrator, Islamabad Capital Territory, whose decision shall be final.[2]

[Provided that no orders on such appeal shall be passed unless the appellant has been given an opportunity of being heard.]

11. **Penalties, etc.**— (1) Whoever contravenes any of the provisions of this Ordinance shall, without prejudice to any other action that may be taken against him under this Ordinance, be punishable with simple imprisonment for a term which may extend to six months, or with fine which may extend to five thousand rupees, or with both.

(2) No court shall take cognizance of an offence punishable under this Ordinance except on a complaint in writing made by the registering authority.

12. **Powers to make rules.**— (1) The Federal Government may, by notification in the official Gazette, make rules for carrying out the purposes of this Ordinance.

(2) The rules may provide that any contravention of, or failure to comply with, any of the provisions thereof shall be punishable with fine which may extend to two thousand rupees.

COMMENTS

Synopsis

2. Verbal order of Chairman of the Authority cancelling allotment of plot.
3. Competence of cancellation of allotment of commercial plot.

1. Cancellation of allotment of land by Director Estate Management, C.D.A. on default of highest bidder. Bidder had deposited more than 50% amount. Possession of land had not been delivered to the bidder on ground of encroachment by different persons and pendency of litigation between previous lessee and C.D.A. File of land was in possession of F.I.A. in connection with FIR registered against bidder and ex-Chairman of C.D.A. Such factors had resulted in delay in payment of balance amount by bidder. C.D.A. could not invoke condition regarding payment of instalments without first fulfilling condition with respect to delivery of actual physical possession of land to bidder. Bidder, after learning through newspaper about intention of C.D.A. to cancel allotment, deposited entire balance amount along with delayed charges, but same were returned to bidder. Such conduct of C.D.A. proved its malafide to cancel such allotment in any event. Bidder, after one or two days of impugned cancellation, had deposited entire amount along with delayed charges even without getting possession of land, which showed his bona fide. Cancellation of allotment by Director Estate management was without jurisdiction and lawful authority. High Court set aside impugned cancellation order and directed C.D.A. to deliver actual possession of land clear from all encroachments immediately on deposit of amount claimed from bidder [2008 MLD 1571].

2. Verbal order of Chairman of the Authority cancelling allotment of plot. Only Chairman had powers to allot and cancel plots, who could not delegate such powers to other officer of the Authority. All orders passed and acts performed by State/public functionaries adversely affecting anyone must be in writing. Verbal order of Chairman would have no sanctity in law for its being alien to process of law and courts [2007 SCMR 1328].

3. Competence of cancellation of allotment of commercial plot. All matters connected with the allotment, sale etc. and cancellation etc. of plots including commercial plots fell within the list of functions performed by the Chairman of the Authority. Obligations assigned to the Member (Administration) of the Authority did not include matters relating to sale etc. and cancellation etc. of the plots. Chairman was not vested with any authority either under the Ordinance or under the Regulations to assign his functions either to the Members or to other officers in the Authority in derogation of the distribution of business commanded by the Regulations. Office Order of the Chairman allocating the business assigned to him to the Member (Administration) was an order without lawful authority. Member (Administration) of the Authority, therefore, was not legally competent to cancel the plot in question [PLD 2004 SC 99].

COMMENTS

Preparation of schemes. Exception to clause (iv) of Regulation 4(1)A, Islamabad Capital Territory (Zoning) Regulations, 1992 providing for development of a private scheme falling in the Zone, which was to be developed by the Capital Development Authority, either itself or through an agency of the Federal or a Provincial Government or a local body, in terms of section 12 read with section 2(a) & (j) of the Capital Development Authority Ordinance, 1960 is inconsistent with the Ordinance, and hence inoperative. Such an arrangement was against the primary aim and object of the Ordinance as reflected in its Preamble, viz., “the Capital Development Authority was established for making all arrangements for the planning and development of Islamabad within the framework of a regional development plan”, which was further reinforced by section 13 of the Ordinance, which provided that the Authority may, pursuant to the master programme, itself prepare schemes relating to matters enumerated in subsection (2) of section 12 of the Ordinance. Joint Venture Agreement by Capital Development Authority with a private organization for developing scheme was not sustainable [PLD 2011 SC 619].

Clause (iv) of Regln. 4(1)A of Islamabad Capital Territory (Zoning) Regulations, 1992 was inconsistent with sections 12 and 13 read with section 2(a) & (j) of the Capital Development Authority Ordinance, 1960 and consequently Joint Venture Agreement entered by Capital Development Authority with a private Housing Society under the said provisions was inoperative and ineffective qua the Capital Development Authority. Board of Capital Development Authority was directed by Supreme Court to take over the project in question and complete the same in accordance with the provisions of the Ordinance; Chairman Capital Development Authority shall ensure implementation of the above direction and submit compliance report within a period of one month from the date of present judgment. Private Housing Society will, however, be at liberty to pursue the remedy for recovery of any amount spent on the project in accordance with law [PLD 2011 SC 619].
CHAPTER IV

PENALTIES FOR VIOLATIONS

5. Any person, group of persons, organization, etc., if found violating any provision of this Regulation shall be liable to be proceeded against as under:-

(i) The offending structure made in violation of the provisions of this Regulation, the Islamabad Building Regulation, 1963, or the Islamabad Residential Sectors Zoning Regulation, 1985, shall be liable to demolition in accordance with Section 49-C of the CDA Ordinance, 1960, unless regularized by the Authority on the payment of compounding fee as may be fixed by the Authority from time to time.

(ii) NOC/permission given by the Authority to any person, group of persons, organization, etc., for a scheme shall be liable to be cancelled.

(iii) Any person, group of persons, organization, etc., found guilty of violating any of the provisions of this Regulation or who or which without lawful excuse fails or refuses to comply with any direction or order issued by the Authority in this behalf may be proceeded against under Section 46 and 46-B of the CDA Ordinance, 1960, in addition to action under clauses (i) and (ii) above.

6. Delegation of powers for control.- The Authority may, by general or special order delegate any of its powers under this Regulation to any of its officers either by designation or by name.

THE ISLAMABAD RENT RESTRICTION ORDINANCE, 2001

(IV OF 2001)

[23rd January, 2001]

An Ordinance to regulate the relations between the landlords and tenants of rented premises in the Islamabad Capital Territory;

WHEREAS it is expedient to regulate the relations between the landlords and tenants of rented premises in the Islamabad Capital Territory and to provide for matters ancillary thereto or connected therewith;

AND WHEREAS the National Assembly and the Senate stand suspended in pursuance of the Proclamation of Emergency of the fourteenth day of October, 1999, and the Provisional Constitution Order No. 1 of 1999;

AND WHEREAS the President is satisfied that circumstances exist which render it necessary to take immediate action;

NOW, THEREFORE, in pursuance of the Proclamation of Emergency of the fourteenth day of October, 1999, and the Provisional Constitution Order No. 1 of 1999, read with the Provisional Constitution (Amendment) Order, 1999 (Order No. 9 of 1999), and in exercise of all powers enabling him in that behalf, the President of the Islamic Republic of Pakistan is pleased to make and promulgate the following Ordinance:—

*Published in the Gazette of Pakistan, Extraordinary, Part I, dated 23rd January, 2001, at pages 79 to 94.
1. **Pagri.**

“**Pagri**”. Provision of “**Pagri**” does not exist in the Islamabad Rent Restriction Ordinance, 2001. Thing given by the tenant for his advantage cannot be used against the interest of the landlord [2005 YLR 295].

2. **Applicability of C.P.C.**

Provisions of the Civil Procedure Code, 1908 are not applicable to the proceedings before the Rent Controller [2012 MLD 1072].

### Short title, extent, application and commencement.—

This Ordinance may be called the Islamabad Rent Restriction Ordinance, 2001.

(2) It shall extend to such urban area of Islamabad Capital Territory and apply to such buildings and rented lands as the Federal Government may, by notification in the official Gazette, specify.

(3) It shall come into force at once.

### Enforcement of Ordinance.

Islamabad Rent Restriction Ordinance, 2001 had become effective on 23-1-2001; and on 19-7-2002, when the first S.R.O. (S.R.O. No. 83(KE)/02 was issued, urban area of Islamabad stood defined and all the buildings situated over the said area were within the territorial jurisdiction of the Rent Controller, Islamabad. S.R.O. No. 538(I)/2004, dated 24-6-2004 provides that the Ordinance shall extend to the urban areas specified in the earlier notifications and apply to all the residential and commercial buildings and rented lands situated in the said urban area. S.R.O. issued in the year 2004 was only for clarification. Contention that the S.R.O. in respect of the buildings was issued in 2004 and that from the year 2001 to the year 2004; the Islamabad Rent Restriction Ordinance, 2001 was not in force; is not correct. Ordinance has clearly provided that it shall come in force at once. Ejectment petition was filed in the year 2003, therefore, the Rent Controller had the jurisdiction to entertain the same. Constitutional petition was dismissed [2012 MLD 689; 2012 MLD 1002; PLD 2012 Isl. 6].

### Definitions.—

In this Ordinance, unless there is anything repugnant in the subject or context,—

(a) “Authority” means the Capital Development Authority established under the Capital Development Authority Ordinance, 1960 (XXIII of 1960);
The Islamabad Rent Restriction Ordinance, 2001

(b) “building” means any building or part thereof, together with all fittings and fixtures therein, if any, and includes any vacant land, garden, ground, godown and out-house attached or appurtenant thereto, but does not include any place of religious worship;

(c) “commercial building” means a building constructed and used solely for the purpose of an office, business or trade;

(d) “Controller” means a Controller of Rents appointed by the Federal Government from amongst persons holding a judicial office and includes an Additional Controller of Rent under this Ordinance.

(e) “fair rent” means the rent of any building determined by the Controller under this Ordinance.

(f) “family” means spouse, dependent children and dependent parents;

(g) “landlord” means the owner of the premises and includes any person for the time being authorized or entitled to receive rent in respect of any building or rented land, whether on his own account or on behalf, or for the benefit, of any other person, or as a trustee, guardian or receiver, and or a tenant who, being authorized under the terms of his lease so to do, sublets the building and every other person for the time being deriving title from the landlord;

COMMENTS

S.2(g)-Agreement to sell. Mere agreement to sell even if it be assumed to have been executed by landlord would not bring to an end the relationship of landlord and tenant between the parties. Where it is admitted by tenant that he entered the premises as a tenant and there was no agreement between the parties that tenancy had ceased, and obligation of tenant to pay rent put to an end, the tenancy agreement would continue [2004 MLD 1104].

(h) “rented land” means any land let separately for the purpose of being used principally for business or trade;

2 See Notification No. 11(1)-Admin/2000 at Appendix-XX of this book.
The Islamabad Laws

(i) "residential building" means any building used for the purpose of residence, but does not include an office, a boarding house, hostel, or motel; and

(j) "tenant" means any person who undertakes or is bound to pay rent as consideration for the possession or occupation of a building or rented land by him or by any other person on his behalf, and includes,—

(i) any person who continues to be in possession or occupation after the termination of his tenancy; and

(ii) in the event of the death of the tenant, the members of his family who continue to be in possession or occupation of the building or rented land; and

COMMENTS

Synopsis

1. Expiry of lease of tenancy. 2. Death of tenant.

1. Expiry of lease of tenancy. Tenant will continue to fall within the definition of tenant who continues to remain in possession even after the termination of tenancy. There is nothing in Section 17 of this Ordinance to show that tenant can be ordered to be ejected from residential building merely on the ground of expiry of lease period. Section 6 of the Ordinance is not the overriding section it is subject to Section 17 after the expiry of the agreed period between landlord and tenant. The tenancy is not valid and the same will not be governed by the terms and conditions of the previous tenancy but it does not mean that a tenant who continue to be in possession or occupation after the expiry of the period will be subjected to ejectment on the ground which does not find mention in Section 17 of the Ordinance. The Rent Restriction Ordinance being a special law being prevail over the ordinary law. The eviction of the tenant on the ground of efflux of time cannot be read into the section 17 of the Ordinance [2005 CLC 1119].

2. Death of tenant. Section 2(j)(ii) of the Ordinance provides that on account of death of the tenant only members of his family who continued to be in possession or occupation of the building, rented land, can be termed as a tenant and not of the legal heirs of the tenant, who are not in possession of the premises, as only legal heirs who are actually in possession or occupation of the premises after the death of tenant became statutory tenant [2012 SCMR 248]. According to section 2(j)(ii) of the Islamabad Rent Restriction Ordinance, 2001, in case of death of the tenant, members of his family who continued to be in possession or occupation of the premises in question would be considered as tenant [PLD 2012 Isl. 6].
"urban area" means such area or areas of the Islamabad Capital Territory as the Federal Government may, by notification in the official Gazette, specify.

COMMENTS

Section 2(k)-SRO No. 83 (KE)/02, dated 19.7.2002. This Notification has been issue under, Section 1 (2)(k), Islamabad Rent Restriction Ordinance, 2001 declaring such building and rented lands in Islamabad Capital territory to which the Ordinance would extend and whereby urban area within the meaning as defined under the said Ordinance was to be notified [2005 MLD 1493]. This Notification came up for consideration in the case reported as Raja Hasan Ali Khan v. Additional District Judge [2003 CLC 1819].

3. Power to exempt. The Federal Government may, by notification in the official Gazette, direct that all or any of the provisions of this Ordinance shall not apply to such building or buildings as are, or may be, used as Government offices:

Provided that such exemption shall not extend beyond the period of five years from the date of completion of construction of such building as certified by the Authority.

4. Ordinance to override other Laws.- The provisions of this Ordinance shall have effect notwithstanding anything contained in any other law for the time being in force, or in any instrument or document.

5. Agreement between landlord and tenant.- (1) Every agreement for letting out a building or rented land shall be in writing and if such agreement is not compulsorily registerable under any law for the time being in force, it shall be attested by the Controller by signing and affixing his seal thereto or any Civil Judge or Magistrate of the 1st Class:

Provided that nothing in this section shall affect any agreement executed between the landlord and tenant and in force immediately before the commencement of this Ordinance:

(2) A certified copy of an agreement for letting out a building or rented land where such agreement is compulsorily registerable under any law or, where the agreement is not so registerable, the original deed duly attested under sub-section (1), shall be produced and accepted in evidence as a proof of the relationship of landlord and tenant.

1 See S.R.O.83(KE)/2002 at Appendix-XVIII of this book.
Written agreement. Every lease agreement has to be in writing. Rent Controller has to invoke penalty where any provision of Islamabad Rent Restriction Ordinance, 2001 has been violated. Section 5 of Islamabad Rent Restriction Ordinance, 2001 is mandatory in nature. Scope and purpose of section 28 of Islamabad Rent Restriction Ordinance, 2001 is to curtail frivolous denial vis-à-vis relationship of landlord and tenant. Section 28 be invoked at the earliest while proceedings are pending before the Rent Controller. Landlord has not complied with section 28 of the Ordinance. Mere tendering a document in evidence does not prove the same. Party relaying upon the document has to prove the same in accordance with law. Judgments of both the courts below were set aside by the High Court and matter was remanded to Rent Controller to ensure compliance of section 28 of Islamabad Rent Restriction Ordinance, 2001 and decide the case afresh on merits. Constitutional petition was accepted in circumstances [2016 YLR 405].

6. Tenure of tenancy.- Subject to the provisions of section 17, no tenancy shall be valid beyond such period as the landlord and tenant may, by mutual agreement, fix before or after the commencement of the tenancy:

Provided that a tenancy in force before the commencement of this Ordinance for which no period is fixed shall cease to be valid on the expiration of a period of two years from such commencement:

Provided further that a tenancy which comes into force after the commencement of this Ordinance and for which no period is fixed shall not be valid after expiration of period of six months from the date of the receipt by the tenant of a notice in writing given by the landlord terminating the tenancy.

COMMENTS

Synopsis

1. Expiry of lease agreement. 2. Pagri.

1. Expiry of lease agreement. The reading of Section 6. shows that it is subject to the provisions of Section 17 of the Ordinance. Ejectment of tenant can be sought only on the grounds given in Section 17, Islamabad Rent Restriction Ordinance, 2001 and there is nothing in Section 17 to show that the tenant could be ordered to be ejected from a residential building merely on the ground of expiry of the lease period. Section 6 of the Ordinance was not an overriding section and it was subject to Section 17 of the Ordinance. Tenant will continue to fall within the definition of "Tenant" who continued to remain in possession even after the termination of tenancy. After the expiry of the agreed period between the landlord and tenant the tenancy was not valid and the same would not be governed by the terms and conditions of the previous tenancy agreement but it did not mean that a tenant who continued to be in possession or occupation after the expiry of the period will be subjected to ejectment on the ground which did not find mention in Section 17 of the Ordinance. Ejectment of the tenant could be sought only on the grounds enumerated in Section 17 of the Ordinance [2005 CLC 1119].

Ejectment petition on ground of expiry of term fixed in lease agreement and personal need of premises by landlord. Maintainability. Words “subject to provisions of section 17” as used in Section
6 of Islamabad Rent Restriction Ordinance, 2001 signified that provisions of Section 17 thereof would continue to apply as grounds for eviction of tenant in addition to a further condition of existence of a valid tenancy agreement. Such words would not affect rights conferred upon parties by Section 6 of the Ordinance, but would mean conditional upon observance of provisions of Section 17 thereof. After expiry of term fixed by lease agreement, tenant would lose right to continue to occupy or hold over premises. Right of landlord, in such circumstances, to seek eviction of tenant on grounds specified in Section 17 of the Ordinance would remain unaffected. Ejectment application was accepted in circumstances [2009 SCMR 846; 2010 CLJ 22].

No benefit would be available to tenant under either of the first and second provisos where fixed tenure of 11 months of tenancy is provided in tenancy agreement [2010 CLJ 22].

2. Pagri. Provision of Section 6, Islamabad Rent Restriction Ordinance contemplates that landlord is not to claim any amount in excess of fair rent. Plea that landlord having receive amount as Pagri at a time of letting out shop to tenant, was debarred from seeing ejectment was repelled for that being a mutual arrangement between the parties would not debar landlord from instituting eviction proceedings on ground of bona fide personal need [2005 MLD 1493; 1987 SCMR 307].

7. Appointment of Rent Controller.- (1) The Federal Government shall appoint one or more Rent Controllers for an urban area of the Islamabad Capital Territory.

(2) Where more than one Controller is appointed for urban area the Federal Government shall declare one of them to be the Senior Rent Controller.

(3) An application under this Ordinance shall be filed before the Controller having jurisdiction over the area where the building or rented land, in respect of which the application is made, is situated:

Provided that where there are more than one Controllers for an area, the application shall be made before the Senior Rent Controller who may either deal with it himself or make it over for disposal to other Controller.

8. Landlord and tenant to get agreement registered.- The landlord and tenant shall, through mutual agreement, fix initial rent of a building, residential or non-residential rented land and get it registered with Controller within a week of the signing of the agreement.

COMMENTS

Unregistered document. Any lease or tenancy created on the basis of an unregistered document has no lawful effect and could only be treated tenancy/lease for a period of less than one year, however, such document could only be taken into consideration as valid document for the purpose of deciding relationship between landlord and tenant [2011 MLD 226].

1 See Notification No. 11(1)-Admin/2000 at Appendix-XX of this book.
9. Increase of rent in certain cases.— (1) Where the rent of any building other than non-residential building or rented land has been determined by an agreement between the landlord and the tenant, no further increase in such rent shall, during the continuance of tenancy if it is less than three years, be permissible during the subsistence of the agreement except in cases where some addition, alteration or improvement has been carried out at the landlord’s expense and on the request of the tenant in accordance with the by-laws of the Authority.

(2) The fair rent, as increased on the ground of some addition, alteration or improvement under sub-section (1) shall not exceed the fair rent payable under this Ordinance for a similar building or rented land in the same locality with such addition, alteration or improvement and it shall not be chargeable until such addition, alteration or improvement has been completed.

(3) Any dispute between the landlord and tenant in regard to any increase claimed on ground of some addition, alteration or improvement shall be decided by the Controller.

10. Increase of rent of residential and non-residential buildings.—

(1) The rent of residential as well as a non-residential building shall stand automatically increased at the end of every three years of its tenancy by twenty-five percent of the rent already being paid by the tenant.

(2) The first increase under sub-section (1) shall accrue on the completion of three years of tenancy in the case of a tenancy which has not been existing for three years on the commencement of this Ordinance.

(3) Where, during the period of three years, in cases mentioned in sub-section (2)—

(i) the rent has already been increased by an amount less than twenty-five per cent of the total rent the amount of such increase shall be deducted from the increase under sub-section (1); and

(ii) if the rent has already been increased by an amount equal to or more than twenty per cent of the total rent, no increase under sub-section (1) shall accrue until the expiry of three years from the date of such increase.

(4) The arrears becoming due as a result of the increase of rent under this section shall, unless paid earlier, be deemed to be rent due under clause (i) of
sub-section (2) of section 17, on the expiry of sixty days from the date of commencement of this Ordinance.

(5) Nothing in sub-sections (1) to (4) shall apply if a landlord and a tenant agree to increase the rent by an agreement in writing.

Synopsis

1. Scope and application. 2. Parties may agree to another rate.

1. Scope and application. Section 10 of Islamabad Rent Restriction Ordinance, 2001 is identical and pari materia to the provisions of Section 5-A as added by the Punjab Urban Rent Restriction (Amendment) Ordinance (XIII of 1990). Landlord not alleging that he had served with a notice and despite that the tenant fail to pay the increased rent. No notice placed on record. This being so, no order for ejectment can be passed under this section [2005 CLC 738].

Provisions of this section provides for automatic increase in the rent and it becomes the obligation of the tenant to pay the rent at the revised rate. The use of word “automatic” negates the contention that service of notice by landlord is necessary in order to avail of the benefit of this section. On the expiry of period mentioned in the section of the Ordinance, rent ipso facto stands enhanced and the tenant becomes obliged to pay the same to landlord [PLD 1996 Lah. 306]. Though increase of 25% in terms of this section is automatic, but seeking ejectment of tenant on the score of non-payment of enhanced rent, landlord has to allege that the tenant was given with a notice and despite notice tenant failed to increase rent [2000 CLC 126]. Tenant failing to increase rent after three years, despite legal notice, is liable to be ejected on the ground of default in payment of rent [2003 MLD 734]. Service of notice is not a pre-condition for statutory increase of rent. Such increase would become due on expiry of three years and would be deemed to be a rent due [2003 CLC 1684; PLJ 2004 Lah. 2001].

2. Parties may agree to another rate. Both parties may agree to another rate but in that case the agreement should be executed before the rent controller for that purpose no notice is required. The purpose is to exclude the possibility of false plea of agreement at a rate less than 25 per cent [PLD 1997 Lah. 99; 2000 CLC 1306].

11. Landlord not to claim in excess of fair rent.- The landlord shall not claim or receive any premium or other like sum in addition to fair rent or any rent in excess of such fair rent and any agreement for payment of any sum in addition to rent in excess of such fair rent shall be void.

COMMENTS

Pagri. Provision of Section 6, Islamabad Rent Restriction Ordinance contemplates that landlord is not to claim any amount in excess of fair rent. Plea that landlord having receive amount as pagri at a time of letting out shop to tenant, was debarred from seeking ejectment was repelled for that being a mutual arrangement between the parties would not debar landlord from instituting eviction proceedings on ground of bona fide personal need [2005 MLD 1493; 1987 SCMR 307].
12. Fine or premium not to be charged for grant, renewal or continuance of tenancy.- No landlord shall, in consideration of the grant, renewal or continuance of a tenancy of any building or rented land require the payment of any fine, premium or any other like sum in addition to the rent.

13. Money which should not have been paid may be recovered.- (1) Where after the commencement of this Ordinance any sum not payable by a tenant under this Ordinance has been paid by him, such sum may, without prejudice to any other mode of recovery, be deducted by the tenant from the rent payable by him to the landlord:

Provided that no such deduction shall be made by the tenant unless it has been allowed by the Controller on an application made by the tenant within six months of the payment of such sum.

(2) The Controller may, on an application made by the tenant within six months of his having made payment of any such sum as is referred to in sub-section (1), by order, direct the landlord to deposit the said sum within thirty days of the order for payment to the tenant.

14. Landlord not to interfere with amenities enjoyed by the tenant.- (1) No landlord shall, without just or sufficient cause, cut off or withhold any of the amenities such as electricity, gas or water enjoyed by the tenant.

(2) A tenant in occupation of a building or rented land may, if the landlord has cut off or withheld any of amenities in contravention of the provisions of sub-section (1), make a complaint to the Controller for restoration thereof.

(3) If the Controller on enquiry finds that the tenant has been in enjoyment of the amenities and that they were cut off or withheld by the landlord without just or sufficient cause, he shall make an order directing the landlord to restore such amenities, or authorise the tenant to secure the same for himself and to incur such expenses thereon as the Controller may specify and any expenditure so incurred by the tenant shall be adjustable against the rent payable by the tenant in respect of that building or rented land as the case may be.

15. Failure by landlord to make necessary repairs.- *(1) If a landlord fails to keep a building in a state of reasonable repair, or to make such repairs thereto, not being structural alteration as may, from time to time, be

* No sub-section (2) is given in the Gazette.
necessary, it shall be competent for the Controller to direct, on application by the tenant, and after such inquiry as the Controller may think necessary that such repairs may be made by the tenant and the cost thereof may be deducted from the rent payable by him:

Provided that nothing in this section shall enable the tenant to spend on repairs any amount in a year exceeding the rent of the building for two months unless the Controller, after making necessary inquiry, is satisfied that such repairs are essential to render the building fit for occupations:

Provided further that where, under the terms of the agreement of tenancy, a tenant is authorised to make repairs at the expense of the landlord, no application under this section shall be necessary:

Provided also that the amount to be deducted from the rent payable on account of repairs in a year shall not exceed the amount of two month's rent.

Explanation.- For the purpose of this section, a building shall be deemed to be in a state of reasonable repair when—

(i) all floors, walls, pillars, arches and roofs are sound and watertight;

(ii) all doors and windows are intact, properly painted or oiled and provided with proper hooks or bolts or other necessary fastenings;

(iii) all rooms, out-houses and appurtenant buildings are properly colour-washed or white-washed; and

(iv) all electric, water, gas and sanitary fittings, if any are properly maintained and are safe, sound and without leakage.

16. Reimbursement of expenses incurred on repairs under order of authority.- (1) Where the Authority, in the exercise of its powers, under any law for the time being in force, directs a landlord to make certain specified repairs to his building not exceeding the rent of the building for two months and the landlord fails to comply with the direction, the tenant may, on the direction of the Authority, make such repairs.

(2) Where a tenant makes any repairs in pursuance of a direction referred to in sub-section (1), he shall, within three months of the completion of
repair, submit to the Authority an account of the costs incurred by him on such repairs and the Authority shall, after due verification, certify such costs whereupon the tenant shall be entitled to deduct the amount of the certified costs from the rent payable by him.

17. Eviction of tenant.- (1) A tenant in possession of a building or rented land shall not be evicted therefrom except in accordance with provisions of this section.

(2) A landlord who seeks to evict his tenant shall apply to the Controller for a direction in that behalf. If the Controller, after giving the tenant a reasonable opportunity of showing cause against the application, is satisfied that—

(i) the tenant has not paid or tendered rent due by him in respect of the building or rented land, within fifteen days after the expiry of the time fixed in the agreement of tenancy with his landlord, or in the absence of any such agreement within sixty days from the period for which the rent is payable; or

(ii) the tenant has without the written consent of the landlord—

(a) transferred his right under the lease or sublet the entire building or rented land or any portion thereof; or

(b) used the building or rented land for purpose other than that for which it was leased or has infringed any conditions on which the building or rented land is held;

(iii) the tenant has committed such acts as are likely to impair materially the value or utility of the building or rented land; or

(iv) the tenant has indulged in activities as are causing nuisance to the neighbours; or

(v) the building or rented land is reasonable and in good faith required by the landlord for the re-construction or erection of a building or the landlord has obtained the necessary
sanction for the said reconstruction or erection from the Authority:

Provided that the Controller may give the tenant a reasonable time for putting the landlord in possession of the building or rented land and may extend such time so as not to exceed three months in the aggregate.

Explanation.—For the purpose of clause,—

(i) the rent remitted by money order or tendered to the landlord in such manner as may be agreed upon by the landlord and the tenant or deposited in the office of the Controller shall be deemed to have been duly tendered; and

(ii) where water charges, gas charges or electricity charges are payable by the tenant to the landlord such charges shall be deemed to be rent.

(3) If, the Controller is not satisfied as provided in sub-section (2), he shall make an order rejecting the application.

(4) A landlord may apply to the Controller for an order directing the tenant to put the landlord in possession,—

(a) in the case of a residential building, if he requires it in good faith for his own occupation or of any member of his family and he or any member of his family, as the case may be, is not occupying any other residential building suitable for his needs at the time in the urban area:

Provided that he or the said member of his family has not vacated such building in the Islamabad Capital Territory without sufficient cause after the commencement of this Ordinance; and

(b) in the case of a commercial building or rented land, if he requires it in good faith for his own use or for the use of any member of his family:

Provided that where the tenancy is for a specified period agreed upon between the landlord and the tenant, the landlord shall not be entitled to apply under this sub-section before the expiry of such period:
Provided further that where the landlord has obtained possession of a residential or commercial building or rented land under clause (a) or clause (b), he shall not be entitled to apply again under the said clauses for the possession of any other building or rented land unless the building or rented land of which he had previously taken possession has become unsuitable for his needs.

(5) The Controller shall, if he is satisfied that the claim of the landlord under sub-section (4) is bona fide, make an order directing the tenant to put the landlord in possession of the building or rented land on such date as may be specified by the Controller and, if the Controller is not satisfied, he shall make an order rejecting the application:

Provided that the Controller may give the tenant a reasonable time for putting the landlord in possession of the building and may extend such time so as not to exceed three months in the aggregate.

(6) Where the landlord who has obtained possession of a building in pursuance of an order made under sub-section (5) does not himself, or where possession of the building or rented land has been obtained for any member of his family such member does not, occupy the building or rented land within one month of the date of obtaining its possession, or having obtained possession relets it within six months of the said date to any person other than the tenant, the tenant may apply to the Controller for an order directing that the possession of such building be restored to him and the Controller may make an order accordingly.

(7) Where a landlord has obtained possession of a building in pursuance of an order under clause (v) of sub-section (2) and does not have the building demolished within four months of the date of taking its possession, or does not reconstruct or erect the new building in accordance with Authority’s regulations, unless he satisfies the Controller that he was prevented from having the building demolished or from reconstructing or erecting the building within the said period by reasons beyond his control, be punished with imprisonment for a term which may extend to six months, or with fine, or with both.

(8) In proceedings under this section on the first date of hearing, or as soon thereafter as may be but before the issues are framed, the Controller shall direct the tenant to deposit in his office before a specified date all the rent due from him and also to deposit regularly till the final decision of the case before the fifteenth day of each month, the monthly rent which subsequently becomes due, and if there be any dispute as to the amount of rent due, the Controller shall determine such amount approximately.
If the tenant fail to deposit the amount of rent before the specified date or, as the case may be, before the fifteenth day of the month, his application if he is an applicant shall be dismissed or his defence, if he is a respondent, shall be struck off, and the landlord shall be put in possession of the building without any further proceedings.

1. Petitioner not taking objection as to jurisdiction. Petitioner-tenant failing to take objection regarding jurisdiction before Rent Controller as well as before Appellate Court. But that by itself would not discharge onus of landlord of explaining as to how and why he approached wrong forum in the first place. Admittedly, no notification having been issued by the Federal Government and published in official gazette notifying area in question as urban area for the purpose of Islamabad Urban Rent Restriction Ordinance, 2001. Such objection being jurisdictional one going to the exercise of jurisdiction by the Rent Controller can be raised at any time. Act of the petitioner in not raising objection regarding jurisdiction would not amount to acquiescence or waiver as he would not gain any advantage by not taking such objection before Rent Controller [PLJ 2003 Lah 1430].

2. Relationship of landlord and tenant. Rent Controller, after going through pleadings of parties, passed tentative rent order for deposit of arrears of rent and future rent. Plea raised by tenant was that as he had denied relationship of landlord and tenant between the parties, therefore, Rent Controller should have framed preliminary issue and provided opportunity to adduce evidence. Validity. If any party had denied relationship of landlord and tenant, Rent Controller had to resolve the controversy before passing any tentative order for deposit of rent. Tenant had admitted in written reply, that he had entered premises as tenant and there was no agreement between the parties that tenancy had ceased and obligation of tenant to pay rent to landlord had been put to an end by way of any agreement or any other documentary evidence. Landlord, on the contrary had placed on record return of income tax and survey of business in which tenant himself had admitted to be in possession as tenant of the landlord. Tenant failed to produce any prima facie evidence in
support of his assertions that he was not tenant of the landlord. High Court declined to interfere
with the order passed by Rent Controller as the same was legal and justified. Constitutional
Petition was dismissed in circumstances [2008 CLC 1666].

3. Denial of relationship of landlord and tenant. Where the relationship of landlord and tenant
was denied, Rent Controller was bound to treat such objection as a preliminary one and to
tentatively determine that question in the light of the material brought on record by the parties or
such material which the parties might produce [2008 CLC 547].

Mere non production of lease agreement with previous owner cannot be termed fatal to case of
eviction petitioner because despite having possession of demised premises adverse title has not
been set-up as defense and as such no other capacity of enjoying possession can be attributed.
There is no cavil to proposition that defect on verification of title documents does not concern
tenant in any manner and even most defective title of landlord does not entitle tenant to evade
payment of rent and he cannot be presumed entitled to require inspection of title documents. Rent
Controller would have framed issues in respect of eviction grounds i.e. default, bona fide personal
need and expiry of lease agreement but default of tenant was made out during period when case
was pending adjudication, if not from period mentioned in petition. Filing of eviction petition was
sufficient notice and according to record, no rent has been tendered by petitioner/tenant which
makes him a willful defaulter. Landlord and tenant relationship stand establishment and in same
sequel default of petitioner upon his failure to tender rent during pendency of proceedings is
evident, therefore, petitions were dismissed [PU 2016 Isl. 58 = 2016 CLC 474].

4. Non-compliance of tentative rent order. Under section 17(8) of Islamabad Rent Restriction
Ordinance, 2001, arrears of rent under order of Rent Controller are to be deposited with court and
same are not to be tendered to landlord. No justification is available with tenants to tender rent
through cheque, as payment through cheque is not valid mode for deposit of rent. Tenant, in their
affidavits, has admitted delay of two days in deposit of rent. Provision of section 17(9) of
Islamabad Rent Restriction Ordinance, 2001 is mandatory, and no discretion is left with Rent
Controller in case of default in payment of rent. Even if Rent Controller is on leave on the date
when rent was tendered, duty judge is available, and courts are not closed. Impugned judgments of
courts below were maintained. Constitutional petitions were dismissed in circumstances [2015
YLR 2405; PLJ 2016 Isl. 53].

Mere obtaining from bank pay order in landlord’s name would be meaningless without alleging
and proving delivery of pay order to landlord. Tenant failing to comply with order passed under
section 17(8), defence rightly struck off [2004 YLR 1784].

Rent Controller passed order directing tenant to deposit past rent of premises under Section 17(8)
of Islamabad Rent Restriction Ordinance, 2001. Tenant having failed to deposit rent in compliance
of tentative rent order, defence of tenant was struck off. Validity. Order striking off defence of
tenant for non-compliance of tentative order, being unexceptional, appeal against said order was
rightly dismissed by Appellate Court. No ground to interfere in the well reasoned orders of both
the courts below, having been made out, constitutional petition against order of Appellate Court,
was dismissed [2007 CLC 601].

The consequence of non-deposit or non-compliance of the order of the Rent Controller are given
in sub-section (9) where no discretion is left with the Rent Controller except to order the ejectment
Tenant having failed to comply with tentative rent order passed by Rent Controller, his defence was struck off and eviction order was passed. Validity. Rent Controller was fully competent to pass ejectment order and strike off defence of tenant in case of non-compliance of order passed under Section 17(8) of Islamabad Rent Restriction Ordinance, 2001. Nothing was on record in support of version of tenant that he was not defaulter and he had been continuously paying rent. Both the courts below had given concurrent findings regarding non-compliance of order by tenant, which could not be disturbed while exercising powers in constitutional jurisdiction, when no illegality or irregularity had been pointed out. Nothing was on record to suggest that misreading and non-reading of evidence had been made by courts below. Tenant failed to satisfy that he had complied with the order of Rent Controller. Tenant having not complied with the order for deposit of rent due, the Rent Controller was fully competent to pass order under Section 17(9) of Islamabad Rent Restriction Ordinance, 2001, which was rightly maintained by Appellate Court. Orders passed by both the courts below were legal, having no illegality, irregularity or infirmity, and as such did not call for any interference. Constitutional petition was dismissed in circumstances [2009 CLC 52].

5. Expiry of lease agreement. Under Islamabad Rent-Restriction Ordinance, 2001, expiry of lease is not a specific ground for eviction, however, under section 17(2)(ii)(b) of Islamabad Rent Restriction Ordinance, 2001 violation of terms and conditions of agreement is one of the grounds for seeking eviction of tenant and where the lease agreement, provided for expiry of lease and despite the same, tenant fails to hand over the possession, then tenant violates terms and conditions of said agreement [2015 MLD 1740; PLJ 2016 Isl. 1].

Under Section 17, "a tenant in possession of building or rented land shall not be evicted there from except in accordance with the provisions of this section." Meaning thereby that ejectment of tenant can be sought only on the grounds given in Section 17, Islamabad Rent Restriction Ordinance, 2001 and there is nothing in Section 17 to show that the tenant could be ordered to be ejected from a residential building merely on the ground of expiry of the lease period. Section 6 of the Ordinance was not an overriding section and it was subject to Section 17 of the Ordinance. Tenant will continue to fall within the definition of "Tenant" who continued to remain in possession even after the termination of tenancy. After the expiry of the agreed period between the landlord and tenant the tenancy was not valid and the same would not be governed by the terms and conditions of the previous tenancy agreement but it did not mean that a tenant who continued to be in possession or occupation after the expiry of the period will be subjected to ejectment on the ground which did not find mention in Section 17 of the Ordinance. Ejectment of the tenant could be sought only on the grounds enumerated in Section 17 of the Ordinance. Tenant will continue to fall within the definition of tenant who continues to remain in possession even after the termination of tenancy [2005 CLC 1119].

Ejectment petition on ground of expiry of term fixed in lease agreement and personal need of premises by landlord. Maintainability. Words "subject to provisions of section 17" as used in Section 6 of Islamabad Rent Restriction Ordinance, 2001 signified that provisions of Section 17 thereof would continue to apply as grounds for eviction of tenant in addition to a further condition of existence of a valid tenancy agreement. Such words would not affect rights conferred upon parties by Section 6 of the Ordinance, but would mean conditional upon observance of provisions of Section 17 thereof. After expiry of term fixed by lease agreement, tenant would lose right to
continue to occupy or hold over premises. Right of landlord, in such circumstances, to seek eviction of tenant on grounds specified in Section 17 of the Ordinance would remain unaffected. Ejectment application was accepted in circumstances [2009 SCMR 846].

No provision exists in the Islamabad Rent Restriction Ordinance, 2001 to allow eviction of tenant on ground of expiry of lease agreement. Ejectment petition was dismissed in circumstances [2010 YLR 1521].

6. **Registered firm.** Registered firm is a juristic firm, which can sue and be sued. Such principle applicable to Civil Courts can be pressed into service in proceedings before Rent Controller. Unregistered firm cannot file ejectment petition against tenant [2005 CLC 738; PLD 1965 S.C. 459; 1982 CLC 1241 relv.].

7. **Bona fide personal need.** Provision of Section 17(4) of Islamabad Urban Rent Restriction Ordinance, 2001 enabled a landlord to get building vacated on ground of his personal need and also that of his family [2007 MLD 1540]. Plea raised in the application was that one of the landlords wanted to establish his office in the demised premises. But the landlord while appearing as witness located his case by deposing that he wanted to establish hotel business in demised premises. Another landlord while appearing as witness admitted that landlords would extend lease agreement on payment of Rupees One lac as monthly rent. *Bona fide* personal need not proved [2005 CLC 738]. Temporary job by the landlord waiting vacation of the property is neither illegal nor it negatively reflects on the personal requirement [2005 YLR 295; 2005 MLD 1493 = PLJ 2006 Lah. 107]. Ejectment of tenant on ground of *bona fide* personal need of the landlord cannot be refused when statement of the landlord on oath is consistent with his averments in the ejectment petition and remained unshaken during the cross examination and otherwise not disproved in rebuttal by the tenant [PLJ 2006 Lah. 107 = 2005 YLR 295; PLD 1997 S.C. 564]. Failure of landlord to give details of the business to be started in the shop need by him, his experience in the business to be started and non disclosure of fund in that behalf are neither relevant factor nor those furnish a concrete basis for his exclusion to utilize his own property [PLJ 2006 Lah. 107 = 2005 MLD 1493; 1998 CLC 607]. Protection has been given to the tenant under section 17(6) to remove re-occupation of the rented premises in case the landlord fails to occupied it for his use [2005 MLD 1493 = PLJ 2006 Lah. 107].

It is prerogative of landlord to get his premises vacated for his personal need and the landlord cannot be deprived of his such right. However, in case, if it appears that tenant would be ejected from the rented premises or the building, or the premises not being used for the purpose, it was got vacated in any manner, he has to be re-inducted in the premises on making an application to the Rent Controller under section 17(6) [2012 CLC 1257].

Rights of the tenant had been safeguarded by section 17(6) of the Ordinance which provided that if the premises were not occupied by the landlord or any member of his family within six months of the tenant's ejection, the tenant would have a right to apply to the Rent Controller for restoration of the possession of the premises to the tenant. Mere statement of the landlord regarding *bona fide* personal need was, therefore, sufficient in passing an order of ejectment since in law right of the tenant had been safeguarded. Tenancy/Rent Agreement between the parties had expired and not been extended, therefore the tenant on such score too, was liable to be ejected. Constitutional Petition was dismissed [2012 MLD 1072].
Ejectment petition on ground of expiry of term fixed in lease agreement and personal need of premises by landlord. Maintainability. Words "subject to provisions of section 17" as used in Section 6 of Islamabad Rent Restriction Ordinance, 2001 signified that provisions of Section 17 thereof would continue to apply as grounds for eviction of tenant in addition to a further condition of existence of a valid tenancy agreement. Such words would not affect rights conferred upon parties by Section 6 of the Ordinance, but would mean conditional upon observance of provisions of Section 17 thereof. After expiry of term fixed by lease agreement, tenant would lose right to continue to occupy or hold over premises. Right of landlord, in such circumstances, to seek eviction of tenant on grounds specified in Section 17 of the Ordinance would remain unaffected. Ejectment application was accepted in circumstances [2009 SCMR 846; 2010 CLJ 22].

Ejectment of tenant on grounds of bona fide personal need, reconstruction and expiry of lease agreements. Ejectment petition had concurrently been allowed by the two courts below. Landlord in support of his oral version had placed on record documentary evidence-as well which had revealed that he was carrying on business of sale and distribution of electronic components in rented premises; and he required the demised premises for his own bona fide personal use for establishing the said business in his own premises. Ejectment petitions filed by the landlord had been accepted mainly in view of his bona fide personal need. Other grounds taken by the landlord pertaining to the renovation of the shops and expiry of lease period were ancillary one. Validity. Landlord could not be non-suited merely on the ground that while filing the petition under section 17 of Islamabad Rent Restriction Ordinance, 2001 beside the ground of bona fide personal need he had also taken the ground of renovation of the demised premises and that the lease period had already been expired. Contention of counsel for the tenants that expiry of the lease period was not a valid ground available for their eviction under section 17 of the Islamabad Rent Restriction Ordinance, 2001; and that the grounds of bona fide personal need of the landlord as well as the reconstruction of demised premises, could not be taken together as both were destructive to each other, carried no weight in the facts and circumstances of the case. In absence of any illegality or legal infirmity in the impugned judgments concurrently passed by the courts below, same could not be interfered with by the High Court in exercise of its constitutional jurisdiction. [2010 YLR 1490].

Ejectment order passed by Rent Controller against tenant was maintained by Lower Appellate Court. Validity. Statement of tenant revealed that landlord wanted suit shop for his personal use and the fact that he was working along with another person in another shop showed bona fide requirement of landlord. Landlord had another shop having tenancy agreement with the tenant of that shop but the same had not expired, hence the landlord could not gain possession of that shop. Findings of Lower Appellate Court were correct and according to law, which did not warrant any interference by High Court in its constitutional jurisdiction. Petition was dismissed in circumstances [2009 MLD 350].

Grounds of bona fide personal need of landlord and expiry of lease agreement. Proof. Landlord during his deposition did not give any detail of alleged bona fide personal need and could not give any plausible reason as to why he needed demised premises. Plea of landlord that he wanted demised premises for his two wives and four children, who could not live together under one roof, was not taken in ejectment petition or during his examination-in-chief. Landlord during cross-examination deposed that he owned another house, wherein he was living along with family; and that he had rented out a portion thereof to a tenant. No provision existed in Islamabad Rent Restriction Ordinance, 2001 to allow eviction of tenant on ground of expiry of lease agreement. Ejectment petition was dismissed in circumstances [2010 YLR 1521].
Both courts below had concurrently accepted ejectment application of landlords and passed ejectment order against the tenants, who had moved constitutional petition against concurrent judgments of the courts below. Tenants had assailed judgments of courts below on the ground that ownership of the property was controverted as the Capital Development Authority had claimed to be the owner and had cancelled the property from the names of the tenants. Tenancy agreement between the parties was not extended after its expiry. Ejectment application was filed by the landlords, who were wife and sister-in-law of one to whom the tenants had been paying rent of the premises. Ejectment application, in circumstances, was maintainable. Dispute between the landlord and Capital Development Authority had got no relevancy; at the most, it could be a dispute between landlord and Capital Development Authority. Once a tenant was always a tenant and no contradictory stand could be taken at the same time. Personal bona fide requirement of landlords had not been rebutted through cross-examination and landlords had got every right to get the premises vacated for personal bona fide use. Concurrent findings of courts below needed no interference in the constitutional jurisdiction of High Court. Constitutional petition was dismissed [2011 CLC 846].

Landlords filed ejectment petition against tenant on the ground of their bona fide personal need and expiry of lease agreement. Tenant contested petition on the ground that the alleged lease agreement was forever and the rent of the shop would be enhanced with the rate of 6% per annum until five years. Rent Controller allowed ejectment petition on the ground of personal need and occupation. Appeal filed by tenant was dismissed by appellate court. Validity. Contention of the tenant that under lease agreement, the tenancy was perpetual tenancy and therefore, ejectment petition was not maintainable had no force. If any such lease or tenancy was created on the basis of an unregistered document same had no lawful effect and could only be treated tenancy/lease for a period of less than one year, however; such document could only be taken into consideration as valid document for the purpose of deciding relationship between landlord and tenant. Constitutional petition was dismissed [2011 MLD 226].

Contention of the tenant that disputed premises was not required by the landlords for their bona fide personal use and occupation and that the landlords were already in occupation of sufficient space in the property in their possession to enhance their business activities, therefore, the ground for personal bona fide need was just an excuse for pressurizing the tenant for enhancement of the rent. Validity. No evidence was brought on record by the tenant if any space available with the landlords was ever let out by them after getting vacated from the previous tenants or if any such space was available which was not used intentionally by the landlords. Contention of tenant was repelled and constitutional petition dismissed [2011 MLD 226].

Ejectment of tenant on ground of personal bona fide use and occupation and expiry of lease agreement. Petition was allowed by the Rent Controller and tenant was directed to hand over the vacant possession to landlords. Ejectment order passed by the Rent Controller had been maintained by Appellate Court. Validity. No evidence was on record to establish that after expiry of lease agreement which was executed for three years, was extended. After expiry of term fixed by lease agreement, tenant had lost right to continue to occupy or hold over premises. Right of landlord, in such circumstances, to seek eviction of tenant on ground as specified in section 17 of Islamabad Rent Restriction Ordinance, 2001, would remain unaffected. Evidence about the personal bona fide use and occupation by landlords had also not been successfully negated. Rent Controller, in circumstances, had no option, but to qualify the landlord for grant of eviction order. Appellate Court also rightly concurred with the findings of Rent Controller and maintained the eviction order. High Court, under its constitutional jurisdiction under Article 199 could dilate upon
The Islamabad Rent Restriction Ordinance, 2001

strong law points or glaring illegalities only, which were not apparent on the face of record in the case. Impugned judgments were maintained and constitutional petition, was dismissed, in circumstances [2011 YLR 765].

Ejectment of tenant on the ground of personal need cannot be refused when statement of the landlord on his need is consistent with his averments in the ejectment petition and which has not been shaken in cross-examination are disproved in rebuttal by the tenant [2005 MLD 1493; 2000 SCMR 903].

8. Adjustment of security towards rent. Lease agreement provided for refund of security amount to tenant on termination of lease. Non-proving of payment of rent by tenant despite dishonouring of cheque given to landlord. Ejectment order passed by Rent Controller upheld by Appellate Court. Plea of tenant that such security amount could be adjusted towards default. Validity. Security amount could be applied in manner provided in lease agreement and could not be adjusted towards rent. Adjustment of security amount towards rent would amount to change in the terms of lease agreement. High Court dismissed constitutional petition in circumstances [2009 YLR 917].

9. Pagri. Provision of Section 6, Islamabad Rent Restriction Ordinance contemplates that landlord is not to claim any amount in access of fair rent. Plea that landlord having receive amount as Pagri at a time of letting out shop to tenant, was debarred from seeking ejectment was repelled for that being a mutual arrangement between the parties would not debar landlord from instituting eviction proceedings on ground of bona fide personal need [2005 MLD 1493; 1987 SCMR 307].

10. Writ Jurisdiction. In absence of any illegality or legal infirmity in the impugned judgments concurrently passed by the Courts below, same could not be interfered with by the High Court in exercise of its constitutional jurisdiction [2010 YLR 1490].

High Court in its extraordinary Constitutional jurisdiction declined to interfere in cases having concurrent findings of fact unless it could be established that findings of fact by Courts below were result of misreading or non-reading of evidence or were perverse, arbitrary or fanciful. Tenant had failed to show that there had been misreading or non-reading of evidence on the part of Courts below. Tenant also could not establish that judgments passed by two Courts below suffered from any legal infirmity. Constitutional petition was dismissed in circumstances. [2011 CLC 652].

Interference of High Court in extraordinary jurisdiction can only be made when glaring misreading or non-reading of any material floats on the file [PLD 2011 Isl. 30].

11. Service of Notice. If no separate notice is given the ejectment petition itself would be considered a sufficient notice for the purpose of Section 19 of Islamabad Rent Restriction Ordinance, 2001. Tenant having not deposited the rent and not willingly accepting the respondent as landlords would not be entitled to any discretionary relief [2004 SCMR 1852].

12. Ejectment on the basis of default. Mere obtaining from bank pay order in landlord’s name would be meaningless without alleging and proving delivery of pay order to the landlord. Tenant fail to comply with order passed under section 17(8) of Ordinance, 2001, defence rightly struck off [2004 YLR 1784].
Tenant failed to pay rent for 20 months, therefore, Rent Controller passed eviction order against tenant which was maintained by lower Appellate Court. Plea raised by tenant was that proceedings before Rent Controller were initiated prior to promulgation of Islamabad Rent Restriction Ordinance, 2001, and he did not deposit rent as there was no order for the deposit. Validity. Islamabad Rent Restriction Ordinance, 2001, had become effective on 23-1-2001 and when notification was issued, the urban area in Islamabad stood defined and all buildings situated over that area were within the territorial jurisdiction of Rent Controller. Tenant had not paid rent since 2008, as the case was filed in the High Court and there was no order regarding deposit of rent. Even if there was no order from the court for deposit of rent, that did not mean that tenant was absolved of his duty of paying the rent. Tenant could send rent through post or deposit the same in court. No evidence was available regarding payment of rent during pendency of eviction petition before Rent Controller and appeal before lower Appellate Court. Both the courts below had dealt with the issue regarding deposit of rent and evidence regarding the same could not be discussed in constitutional jurisdiction. High Court declined to interfere in concurrent findings of fact by two courts below. Petition was dismissed in circumstances [2012 MLD 689; 2012 MLD 1002].

13. Ejectment of lessee of CDA. Ejectment of lessee of CDA sought through Welfare Committee working within the Capital Development Authority as agent. It was directed by the High Court that the matter be referred to Welfare Committee who shall hear the petitioner afresh without prejudice to any past litigation for renewal of the said lease of the plot and shall take a decision on the question of renewal of the lease [2004 MLD 1644].

14. Arbitration Act, 1940. Grievance of tenant was that there was arbitration clause in the agreement between the parties and despite filing of application for invoking the arbitration clause, the Rent Controller did not stay the proceedings. Rent Controller was not a Civil Court but a quasi-judicial tribunal, such an application not maintainable [2005 CLC 882];

15. Choice of landlord. It is settled law that it is the prerogative of the landlord to choose premises for his personal need and no discretion in respect thereof can be given to the landlord [PLD 2011 Isl. 30]. Landlord would have privilege to choose anyone of his properties for self-use, considered by him suitable for his requirement, provided his need was not tainted with mala fide [1995 SCMR 1125; PLD 2011 Isl. 30]. It is for landlord to choose and make a choice as to which of his properties is suitable to meet his needs/requirements and tenant cannot dictate to landlord that he should occupy this property or that property or that he should move for eviction against this tenant or that tenant [NLR 1991 Civil 366; PLD 2011 Isl. 30].

16. Statement of attorney. It is settled law that landlord in order to prove personal bona fide need can get examined his attorney and there is no compulsion that he must have appeared in the witness box [PLD 2011 Isl. 30].

17. Necessary party. Tenancy was created by a person who was general power of attorney of the landlady and his power of attorney had been revoked prior to his creating tenancy in favour of the tenant. Plea raised by tenant was that the attorney was a necessary party to ejectment proceedings. Validity. After revocation of general power of attorney, he was neither landlord nor tenant in eviction petition. Previous attorney had no authority to lease out the premises, hence, he being a stranger, if had executed any lease agreement in respect of demise shop, was rightly not taken into consideration by Rent Controller. Status of the tenant was that of an unauthorized tenant. Tenancy created through a stranger could not be enforced by legal means, thus such tenant in the premises could not press any legal right and court could not come forward for his rescue [PLD 2011 Isl. 14].
18. Tenancy created by stranger. Where demised shop was not leased out by landlady to the tenant and no written consent of landlady was also available on record, in order to maintain the tenancy in favour of tenant. Then it was held that as the demised shop was not rented out by the landlady to the tenant, therefore, the tenant cannot seek any relief on the basis of the tenancy executed by a person who, prima facie, is not the landlord of demised shop. High Court declined to interfere in the concurrent findings of facts of two courts below which were arrived at after proper appreciation of material available on record. Petition was dismissed in circumstances [PLD 2011 Isl. 14].

19. Ejectment petition filed by landlord company through unauthorized person. Tenant (petitioner) assailed concurrent findings of the courts below ordering the ejectment of tenant from the premises. Contention of the tenant was that the landlord was a private limited company and the ejectment petition was filed through the Secretary of the company who had no authorization letter to move said ejectment petition. Validity. Landlord had filed ejectment petition, but along with said petition, no resolution passed by the Board of the landlord company was attached. Constitutional petition also did not mention as to through whom the ejectment petition was filed and that he was authorized by the Board of the landlord company through any resolution. Constitutional petition was not even signed by the person through whom the ejectment petition was filed. Authorization letter produced during the course of evidence, was actually issued by the person through whom the ejectment petition had been filed and on the basis of such letter he simply authorized a witness to give a statement in evidence during the proceedings. Said letter was not a resolution passed by the Board of landlord company. Ejectment petition being not maintainable, in circumstances, orders of the courts below were set aside. High Court, however, observed that the landlord would have right to file a fresh ejectment petition in accordance with the law, rules and procedure, and that the acceptance of the tenant’s constitutional petition by the High Court would not come in the way of the landlord filing a fresh ejectment petition. Constitutional petition was allowed, accordingly [2012 CLC 825].

20. Reconstruction of building. Under section 17(2) of Islamabad Rent Restriction Ordinance, 2001 seeking property on ground of reconstruction is an independent ground and is not linked with personal bona fide need of landlord. Under section 17(7) of Islamabad Rent Restriction Ordinance, 2001 where a landlord has obtained possession of a building in pursuance of order under Clause (v) of section 17(2) of Islamabad Rent Restriction Ordinance, 2001 and does not have the property demolished within four months of taking over possession or does not reconstruct the same, landlord would be punished with imprisonment which may extend to six months or with fine or both [2015 MLD 1740].

21. Consolidation of eviction petition and civil suit. Apprehension of conflict findings exists in the cases pending between the parties on similar issues. Matters are at preliminary stage and same can be decided together by consolidation. No bar has been provided in relevant laws to proceed an eviction application by adopting procedure laid down under Civil Procedure Code, 1908. Civil court may not act as Rent Controller while proceeding with such a case. Trial in the eviction application is a sort of inquiry affording the parties an opportunity of hearing. Other procedure laid down in Islamabad Rent Restriction Ordinance, 2001 is summoning and enforcing the attendance of the witnesses and examining them on oath. Compelling the discovery and production of documents and other material evidence or issuing a commission for the examination of witnesses are powers already exercise by the civil court. If any other power is exercised while deciding eviction application for which no bar is provided by law then it would not make Islamabad Rent Restriction Ordinance, 2001 redundant. Scope of such law is not deemed to be inadequate if civil suit is tried together with the eviction application. Impugned order passed by the Trial Court is not
18. **Eviction of tenants where the landlord is a salaried employee, widow or minor orphan.**— (1) Notwithstanding anything contained in this Ordinance or any other law for the time being in force,—

(a) in a case where the landlord has died; or

(b) in a case where the landlord is a salaried employee and has retired or is due to retire or has proceeded or is due to proceed on leave preparatory to retirement within a period of six months,

a notice in writing may be given by such landlord or the widow or, minor child of the deceased landlord, as the case may be, to the tenant of a residential building informing him that he or she needs, the building for personal use and requiring him to deliver vacant possession of the building within a period of two months from the date of receipt of the notice:

Provided that no application under this section shall be maintainable if it is made after one year from the date of the death of the landlord or, in the case of the retirement of a salaried person, before one year from or after one year of the date of his retirement:

Provided further that in case where the landlord has died or salaried person has retired before the commencement of this Ordinance an application may be made within a period of one year from the date of such commencement.

**Explanation.**— In computing the period of one year from the date of the death of the landlord, or from the date of retirement of a salaried person, the period of notice mentioned in sub-section (1) shall be excluded.

(2) The right to seek ejectment under sub-section (1) shall also be available to a landlord of a residential building who is the wife, husband or a minor child of a salaried employee referred to in sub-section (1).

(3) In the case of landlord referred to in sub-section (1), or sub-section (2), who happens to be a landlord of more than one residential building whether or not in the same locality, action as provided for in this section shall be competent in respect of one of such residential building only.
(4) A landlord referred to in clause (b) of sub-section (1), or in sub-section (2), who is in occupation of a residential building owned by him shall not be entitled to seek ejectment of a tenant from a residential building situated in the locality in which the building in occupation of the landlord is situated unless he offers the building in his occupation in exchange of the building in possession of the tenant on terms and conditions and on payment of such rent as may be determined by the Controller:

Provided that the benefit of exchange shall not be available to the tenant who refuses to accept the offer or the terms and conditions and the rate for rent agreed by the landlord and tenant:

Provided further that the tenancy in respect of the building given in exchange shall not extend beyond the period of tenancy fixed for the original building.

(5) A tenant who, on receipt of the notice referred to in sub-section (1), fails to deliver vacant possession of the building to the landlord, widow or minor orphan of the deceased landlord or to widow or minor child of the deceased landlord within the time allowed in the notice shall be liable to be ejected summarily by the Controller on an application being made to him in this behalf.

(6) On an application being made to him under sub-section (5), the Controller shall issue a notice to the tenant and, on being satisfied with the bona fides of the request of the landlord or the widow or minor orphan of a deceased landlord, as the case may be, order the summary ejectment of the tenant.

(7) A landlord or a widow or orphan of a deceased landlord referred to in sub-section (1) or sub-section (2), who, within one year of his having obtained possession of a building as provided for in sub-section (6), relets the building to any person other than the previous tenant shall be punishable with fine which may extend to five thousand rupees:

Provided that if the amount of the annual rent for which the building is so relet exceeds five thousand rupees the amount of fine shall be equal to the amount of annual rent.

(8) The notice referred to in sub-section (1) or sub-section (2) may, in the case of landlord who is a minor, be given by the guardian of such minor.

19. Tenant to be informed in case of transfer of ownership.- Where the ownership of a building or rented land in the possession of a tenant has been
transferred by way of sale, gift, inheritance or in any other mode or manner whatsoever, the new owner shall send an intimation of such transfer in writing by registered post to the tenant of such building or rented land and the tenant shall not be deemed to have defaulted in the payment of rent for the purposes of clause (i) of subsection (2) of section 17 if the rent due is paid within thirty days from the date when the intimation should, in the normal course, have reached the tenant.

COMMENTS

Change of ownership. In case of change of ownership either by way of sale, gift, inheritance or in any other manner, it is obligatory to send a notice to tenant through registered post and if on receipt of notice the rent due is paid within time specified therein, the tenant is not deemed to have committed any default in payment of rent. Word “owner” used in Section 19 has not limited meaning and encompasses all owners of property who stand in the position of landlord and thus even without formal transfer of property, the real sons and daughters of the owner are deemed to be the owners of the property. Petition for ejectment itself has been considered a sufficient notice for the purpose of this section [2004 SCMR 1852 = PLJ 2005 SC 7].

20. Decisions which have become final not to be re-opened.- The Controller shall summarily reject any application under sub-section (2) or sub-section (4) of section 17 which raises substantially the same issue as has been finally decided in any former proceedings under this Ordinance unless new grounds or circumstances have arisen after the final decision in such proceedings.

COMMENTS

Second ejectment petition. Under section 20 of the Islamabad Rent Restriction Ordinance, 2001 there is a restriction for filing a second application, however, where the earlier ejectment petition was not decided by the Rent Controller and there was no final order then second ejectment petition can be filed [2012 MLD 1072].

21. Appeal.- (1) Any party aggrieved by a final order of the Controller made under this Ordinance may, within thirty days of the date of such order, prefer an appeal to the District Judge.

(2) No appeal shall lie from an interlocutory order passed by the Controller.

(3) On such appeal being preferred, the District Judge may hear it himself or refer it for disposal to an Additional District Judge.

(4) The District Judge may, suo motu or on an application of any party to proceedings, for reasons to be recorded in writing, recall an appeal made over
by him to an Additional District Judge and either hear it himself or refer it for disposal to another Additional District Judge.

(5) The appellate authority may, pending final disposal of appeal, suspend the operation of the order appealed against.

(6) The appellate authority admitting an appeal for hearing shall have the same powers to direct tenant to deposit the rent as are vested in the Controller under this Ordinance and, if the tenant makes default in compliance with such an order, then if he is the appellant, his appeal shall be dismissed summarily and if the respondent, his defence shall be struck off.

(7) The appellate authority shall after perusing the record of the case and giving the parties an opportunity of being heard and, if necessary, after making such further inquiry, as it thinks fit, either personally or through the Controller, make an appropriate order which shall be final.

(8) The order of the Controller, subject to the result of appeal, shall be final.

Synopsis

1. Tentative rent order.
2. Constitutional petition not maintainable.
3. Dismissal of appeal in limine.
4. Relationship of landlord and tenant.

1. Tentative rent order. Petitioner/tenant had challenged tentative rent order passed by the Rent Controller whereby petitioner was directed to pay monthly rent upto specified date. Counsel for the landlady had raised preliminary objection that impugned order was interlocutory in nature and Rent Controller was competent to change and modify it finally; and on that basis said order was not open for decision in constitutional jurisdiction of High Court. Validity. Objection of landlady had force. Impugned order was tentative in nature and had to be merged in the final order, which would be appealable under Section 21 of Islamabad Rent Restriction Ordinance, 2001. Petitioner had to wait for it to question same before Appellate Court. Impugned order, being provisional in nature, was not assailable in constitutional jurisdiction of the High Court [2008 CLC 547]. Order passed by Rent Controller for deposit of tentative rent was assailed by tenant before High Court in appeal. Validity. Any appeal against interlocutory orders of Rent Controller which had not disposed of the entire case before it, was specifically barred under Section 21(2) of Islamabad Rent Restriction Ordinance, 2001. Intention of legislature could be gathered from the provisions of Section 21(2) of Islamabad Rent Restriction Ordinance, 2001, that same was to avoid delay in disposal of cases by Rent Controller, a specific bar had been imposed to challenge interlocutory orders passed by Rent Controller. Tenant could not be allowed to circumvent the legislative intent by filing Constitutional petition against interim order. Constitutional Petition was dismissed in circumstance [2008 CLC 1666].
2. Constitutional petition not maintainable. Petitioner having an adequate remedy by filing an appeal under Section 21 of Islamabad Rent Restriction Ordinance, 2001, Constitutional petition filed by him was not competent [2009 YLR 648].

3. Dismissal of appeal in limine. While exercising jurisdiction under Section 21(7) of Islamabad Rent Restriction Ordinance, 2001 Appellate Court was not required to send for the record and it would depend on facts of each case that if Appellate Court felt it necessary, after perusing the record, it could give the parties an opportunity of being heard and decide the appeal which would mean that there were two categories of cases which would come before the Appellate Court; first category being where the facts were simple and were not disputed, the first appeal was generally dismissed in limine and examination of record of the Rent Controller was not necessary while second category of cases was that, if the facts were not simple or disputed first appeal was not generally dismissed in limine; in that case Appellate Court would send for record, provide an opportunity of being heard to the appellant; and in that case Appellate Authority would not dispose of appeal without first sending for record from the Rent Controller and hearing parties; and further if necessary making such further inquiry as it deemed fit. Duty to call for record in the first instance was imperative and in the latter case Appellate Authority could not dismiss the appeal in limine [2007 CLC 601].

4. Relationship of landlord and tenant. On filing ejectment application by landlord, tenant despite admitting that he had been a tenant under landlord, in his written statement had denied relationship of landlord and tenant between the parties contending that he had purchased shop in dispute vide agreement allegedly executed by landlord, in his favour. Mere agreement to sell even if it be assumed to have been executed by landlord. Would not bring to an end the relationship of landlord and tenant between the parties. Where the tenancy is admitted, the Rent Controller should frame issues on merits and proceed to decide ejectment application in case tenant complied with the order for deposit of rent according to tentative rent order passed by the Rent Controller [2004 MLD 1104: PLD 1999 S.C. 1101: PLD 2003 S.C. 231 ref.].

22. Transfer of case.- On the application of any of the parties and after notice to the parties and after hearing such of them as desire to be heard, or of its own motion, without such notice—

(a) the District Judge may at any stage withdraw any application pending with a Controller subordinate to him and transfer the same for disposal to any other Controller subordinate to him and competent to try or dispose of the same; and

(b) the High Court may at any stage withdraw any appeal pending with any District Judge and transfer the same for disposal to any other District Judge subordinate to it and competent to try or dispose of the same.

23. Execution of orders.- Every order made under section 14, section 17, section 18 and every order passed in appeal under section 21, shall be executed by the Controller as if it were a decree of a Civil Court. The provisions of Order XXI of the First Schedule to the Code of Civil Procedure, 1908 (Act V
of 1908) shall, so far as may be, apply to the execution of orders made under this Ordinance.

24. Procedure and power of Controller.- (1) Unless otherwise provided in this Ordinance, no order under sections 9, 14, 15, 17 or 18 shall be made by the Controller except after holding an inquiry and affording to the parties an opportunity of being heard.

(2) For the purposes of holding an inquiry of execution of orders under this Ordinance, the Controller shall have the same powers as are vested in a Court under the Code of Civil Procedure, 1908 (Act V of 1908), when trying a suit or executing a decree in respect of the following matter, namely:

(a) summoning and enforcing the attendance of any person and examining him on oath;

(b) compelling the discovery and production of any document and other material evidence; and

(c) issuing a commission for the examination of witness.

COMMENTS

Section 24 of the Ordinance explicates that no orders in respect of increase of rent, or interference with the amenities enjoyed by the tenant, or order for carrying out necessary repairs, or eviction of tenant are to be made by the Controller except after holding an inquiry and affording to the parties an opportunity of hearing. Without effecting service as required, order passed by the Rent Controller for ejectment of the petitioner would, therefore, be violative of the provisions of section 24 ibid. It was held that the petitioner was not served by the Rent Controller in the prescribed manners and, therefore, the ex parte order of ejectment passed by the Rent Controller without affording reasonable opportunity of hearing to the petitioner would not sustain [2012 CLC 1973].

25. Service of summons and production of witnesses.- (1) Service of summons once effected on a party shall be sufficient for the purposes of the entire proceedings before the Controller.

(2) The production of witnesses shall be the responsibility of the parties and the Controller shall not summon a witness unless he is satisfied that the witness is a servant of the Federal Government, a Provincial Government, local authority or a corporate body and that he has to produce official record of such Government, local authority or corporate body as the same may be.

(3) Except for sufficient reasons to be recorded in writing, the Controller shall finally dispose of an application under this Ordinance as expeditiously as
possible but not later than four months of the date of the first hearing after the service of summons on the respondent.

(4) The proceedings of every inquiry shall be deemed to be judicial proceedings within the meaning of sections 193 and 228 of the Pakistan Penal Code (Act XLV of 1860).

(5) The Controller shall be deemed to be a Civil Court for the purposes of sections 480 and 482 of the Code of Criminal Procedure, 1898 (Act V of 1898).

COMMENTS

Service through a publication of limited circulation newspaper. Where newspaper was a publication of limited circulation and not normally read and seems to be aimed at accomplishing the formality of effecting service then same cannot be termed as service effected as required under section 25 of the Ordinance. The proceedings held thereafter cannot be, therefore, considered to have been held after affording opportunity of hearing [2012 CLC 1973].

26. Compensation for frivolous applications and defence.- If in the opinion of the Controller or, as the case may be, the appellate authority any party to the proceedings under this Ordinance is found guilty of abuse of the process of law by filing frivolous or vexatious application or by taking pleas in defence which are false or intended to prolong the proceedings unnecessarily he or, as the case may be, it shall, while passing the final order, award compensation to the other party which shall not be less than five thousand rupees or more than ten thousand rupees.

27. Landlord and tenant to furnish particulars.- Every landlord and every tenant of building or rented land shall furnish to the Controller, or any person authorised by him in that behalf, such particulars in respect of such building or rented land as he may, by order, direct.

28. Penalties.- (1) Whoever contravenes, or fails to comply with, any provision of this Ordinance or the rules made thereunder shall, if no other penalty is provided in this Ordinance for such contravention or failure, be punishable with fine which may extend to five thousand rupees.

(2) No Court shall take cognizance of an offence under this section except upon—

(a) a complaint of facts which constitute such offence filed with the sanction of the Controller in writing; and
(b) a report in writing of such facts made by the Controller.

29. **Indemnity.**- No suit or other legal proceedings shall lie against the Federal Government or the Controller or any authority or person in respect of anything which is in good faith done or intended to be done under this Ordinance.

30. **Power to delegate.**- The Federal Government may delegate all or any of its powers under this Ordinance to such of its officers as it may deem necessary.

31. **Power to make rules.**- The Federal Government may, by notification in the official Gazette, make rules for the purpose of carrying out the purposes of this Ordinance.

32. **Repeal and savings.** (1) The West Pakistan Urban Rent Restriction Ordinance, 1959 (W.P. Ord. VI of 1959), to the extent of the Islamabad Capital Territory, is hereby repealed.

(2) Nothing contained in this Ordinance shall be deemed to apply to suit or appeals falling within the jurisdiction of the Controller, or the applications relating thereto, which were pending before any court immediately before the commencement of this Ordinance and such suits, appeals or applications shall continue to be heard and disposed of in accordance with the law applicable to them before such commencement.

AN ORDINANCE
to provide for levy of sales tax on the services rendered or provided in the Islamabad capital Territory

WHEREAS it is expedient to provide for levy of sales tax on the services rendered or provided in the Islamabad Capital Territory and for matters ancillary thereto or connected therewith;

AND WHEREAS the President is satisfied that circumstances exist which render it necessary to take immediate action;

NOW, THEREFORE, in pursuance of the Proclamation of Emergency of the fourteenth day of October, 1999, and the Provisional Constitution Order No. 1 of 1999, read with the Provisional Constitution (Amendment) Order No. 9 of 1999, and in exercise of all powers enabling him in that behalf, the President of the Islamic Republic of Pakistan is pleased to make and promulgate the following Ordinance:-

1. **Short title, extent and commencement.**—(1) This Ordinance may be called the Islamabad Capital Territory (Tax on Services) Ordinance, 2001.

(2) It extends to the whole of Islamabad Capital Territory.

(3) It shall come into force at once.

*Published in the Gazette of Pakistan, Extraordinary, Part I, dated 18th August, 2001, at pages 923-926.*
2. **Interpretation.** In this Ordinance, unless there is anything repugnant in the subject or context, the words and expression used but not defined shall have the same meaning as in the Sales Tax Act, 1990.

3. **Scope of tax.** (1) Subject to the provisions of this Ordinance, there shall be charged, levied and paid a tax known as sales tax at the rates specified in column (4) of the schedule to this Ordinance of the value of the taxable services rendered or provided in the Islamabad Capital Territory.

   (2) The tax shall be charged and levied on the services specified in column (2) of the Schedule to this Ordinance in the same manner and at the same time, as if it were a sales tax leviable under sections 3, 3A or 3AA, as the case may be, of the Sales Tax Act, 1990.

   (3) All the provisions of the Sales Tax Act, 1990, and rules made and notifications, orders and instructions issued thereunder shall, mutatis mutandis, apply to the collection and payment of tax under this Ordinance in so far as they relate to-

   (a) manner, time and mode of payment;

   (b) registration and de-registration;

   (c) keeping of records and audit;

   (d) enforcement and adjudication;

   (e) penalties and prosecution; and

   (f) all other allied and ancillary matters.

**COMMENTS**

**Legality.** Petitioners through Constitutional petition challenged the Punjab Sales Tax Ordinance, 2000 and Islamabad Capital Territory (Tax on Services) Ordinance, 2001 on the ground that the said enactments were un-Constitutional. One of the contentions of the petitioners was that since no tax on services was envisaged by the Federal and Concurrent Legislative Lists in the Constitution, therefore, said enactments were void, as the Federal Legislature had no lawful authority to make a law taxing the services. Validity. Examination of Federal and Concurrent Lists with reference to Article 70(4) of the Constitution revealed that legislation regarding services or tax on services was not catered for in the said lists. Article 142(d) of the Constitution conferred exclusive powers upon the Federal Legislature to make laws with respect of matters not enumerated in either of the said

2 Subs. by the Finance Act 2015 (Act No. V of 2015), s. 8(1)(b).
lists for such areas in the Federation as were not included in any Province. Article 1(2) of the Constitution that defined the territory of Pakistan, Islamabad Capital Territory was named, but was not included in any Province. Both the conditions imposed by Article 142(d) of the Constitution, firstly, for the exercise of exclusive powers vesting in the Federal Legislature to make laws and secondly, for the area not included in any Province were fulfilled in the present case. Constitutional petition was therefore, liable to be dismissed, in circumstances [2004 PTD 1987].

One of the contention of the petitioners was that the registration of the petitioners was being sought under the Sales Tax Act, 1990 and this was illegal as the Constitution did not provide for imposition of sales tax on services. Validity. Tax on sale, in the present case, had not been imposed within the meaning of Sales Tax Act, 1990. What had been made chargeable, leviable and payable was a tax on the value of taxable services specified in the Schedule of Islamabad Capital Territory (Tax on Services) Ordinance, 2001. Simply stating a tax as a sales tax did not make it a tax on sale. Procedure, however, for charging, levying and payment of tax was adopted with reference to the provisions of Sales Tax Act, 1990. Federal Legislature through the impugned Ordinance, in exercise of powers under Article 142(d) of the Constitution, had made taxable the services rendered by the petitioners within the Islamabad Capital Territory. Mere adoption of procedure in the Sales Tax Act, 1990, thus would not be derogatory of the scope of tax defined in Sections 3(1) & 3(2) of the impugned order. Constitutional petition was dismissed, in the circumstances [2004 PTD 1987].

CLASSIFICATION OF PLOTS

3. Classification of Plots.- The plots in Islamabad shall be classified as under:

(1) Residential Plots.- Plots meant only for houses.

(2) Commercial and Business Plots.- Plots for any kind of commercial activity having profit as a primary aim, and include plots earmarked for shops, showrooms, markets, departmental stores, hotels, motels, guest houses, marriage halls, restaurants, cafes, banks, insurance companies, petrol/CNG filling and/or service stations, sites for multi-storeyed building meant for shops, offices and/or residential apartments, sites for multi-storeyed parking, and offices connected with industrial and commercial enterprises.

(5) Industrial Plots.- These plots shall cater for the following:

(i) Very light industry and trading associated with residential areas, e.g., laundries, repair shops, bakeries, etc.

1 Amended by S.R.O. 786(I)/2013, dated 19th August, 2013.
The Islamabad Laws

(ii) Light manufacturing and servicing industries essential for the needs of the city at large and those created for the constructional works to be carried out in the areas as may be specified by the Authority.

(iii) Extractive industries, mining, quarrying and crushing and brick-kilns in areas as may be specified by the Authority.

(6) **Diplomatic Plots.**- Plots meant for foreign Missions, and residences of foreign representatives.

(8) **Agro-Farming and Agro-Industry Plots.**- Plots planned by the Authority for farming and for processing agriculture produce.

(9) **Plots in Model Villages and Sub-Urban Centers.**- Plots in the rural areas of Islamabad developed as Model Villages and Sub-Urban Centers.

*Note.*- The classification includes such ancillary incidental usages as permitted by CDA Board.

**COMMENTS**

**Categorization of plots and taxation.** Regulations, 1993 replaced by Islamabad Land Disposal Regulations, 2005 are made for purpose of laying down procedure for disposal of different categories of lands in Islamabad Territory by CDA. Object of categorization under Regulations, 1993 and 2005 is to provide different modes for disposal of each category of land and not for purpose of taxation. Capital Development Authority has power to make its own categorization of plots for purpose of taxation, which may be different than classification provided under Regulations, 1993 and 2005. Plot classified as residential in Regulations, 1993 and 2005 may be brought in category of commercial for purpose of taxation. Capital Development Authority for purpose of taxation provided categorization in the impugned notifications issued in exercise of its powers under section 15-A of Capital Development Authority Ordinance, read with sections 33 and 34 of Municipal Administration Ordinance, 1960. Petitioner was a profit making concern and located in a non-commercial area. Inclusion of petitioner in tax net for being based on nature of its activities could not be termed unreasonable. Petitioner had been brought at par with other private hospitals located in commercial areas already subjected to tax at commercial rates. Constitutional petition was dismissed in circumstances [2010 SCMR 1110].
CHAPTER III

DISPOSAL OF PLOTS

4. Disposal of Plots.- The plots shall be sold or leased out by the Authority according to the provisions given for each category of plots and the allotment shall be subject to the terms and conditions contained in the respective allotment letters or, as the case may be, in the Conveyance or Lease Deeds executed by the Authority in respect of plots:

Provided that CDA Board may decide to enter into joint ventures with any private or public sector agency regarding property vested in it for any specific project.

Provided further that in respect of matters not provided for in this Regulation, other Regulations and Instructions of the Authority, as may be in force from time to time, shall apply.

5. Residential Plots.- (1) All residential plots in developed Sectors shall be allotted through open auction. The residential plots in other Sectors shall be disposed of in the following manner:

i. Through open balloting at prevalent market price 75%

ii. Federal Government Servants including employees of Federal autonomous, Semi-autonomous bodies 10%

iii. Defence Services Personnel including Civilians paid out of Defence Estimates 5%

iv. Deprived Group including, widows, orphans, destitutes, handicapped persons, and persons needing compensation 5%

v. CDA Employees 5%

(2) Notwithstanding anything contained in clause (1) the Authority may reserve any land for the residences of Govt. employees including employees of CDA, autonomous and semi-autonomous bodies and for the Affectees of Islamabad.
(3) Plots for the persons falling in clause 5(l)(ii) shall be allotted by the CDA Board as per criteria to be laid down by it.

(4) Plots for the persons falling in Clause 5(l)(iii) shall be allotted on the recommendations of the Ministry of Defence.

(5) The applications for allotment of plots to persons falling in Clause 5(l)(iv) shall be scrutinized and disposed off by the CDA Board as per prescribed criteria.

(6) Plots to the CDA Employees falling in Clause 5(l)(v) shall be allotted in accordance with the criteria to be laid down by the CDA Board.

**COMMENTS**

**Deputationist.** A deputationist cannot claim allotment as employee of the Capital Development Authority. Considering deputationist to be having equal status of regular employees of the Authority is a door of corruption and is not backed by the Constitution [2013 MLD 935]. Deputationists can claim allotment of plots out of 80% remaining quota reserved for employees of Federal Government [2013 MLD 1538].

6. **Commercial and Business Plots.**– (1) All Commercial and Business plots shall be sold or leased out through open auction as commercial plots, or for one of the specific activities mentioned in Clause 3(2):

*Provided that* plots meant for any activity as determined by CDA Board may be disposed of through auction amongst pre-qualified parties. Criteria for prequalification and plot-specific conditions of allotment shall be publicized.

(2) Plots auctioned as commercial plots may be used for any of the activities falling within the scope of commercial plots as defined in clause 3 (2) and also for activities such as hospitals, clinics, maternity homes, gymnasiuems, art-galleries, amusement centers, clubs, museums, libraries, educational institutions, research centers and community centers:

*Provided that* no plot auctioned as Commercial plot shall be used for construction of petrol/ CNG filling station and/or service station, 5 star hotels, marriage hall and for religious purposes.

(3) Plots already sold or leased out specifically for any of the activities in clause 3(2) may be put, with the prior approval of the Authority and subject to restrictions imposed by the Proviso to clause (2) to a different commercial activity on payment of conversion fee at the rates as may be fixed for different commercial activities by the CDA Board from time to time:
Provided that plots specifically allotted for construction of and use as hospital, wholesale market, petrol/ CNG filling and/ or service station, hotels, 5 star hotels, marriage halls, sites for multi-storeyed building allotted exclusively for residential apartments, religious purposes and community centers will not be allowed any conversion.

7. Community Building and Facilities Plots.- Public Sector: (1) Plots for Primary Schools shall be made available to the Federal Government free of cost and for Secondary and Higher Education at amenity rates.

(2) Land for mosques, churches and other places of worship and deeni madrassas established for free religious education shall be allotted free of cost.

(3) Plots for other community buildings and facilities shall be allotted to Government organizations at amenity rates.

Private Sector.- (4) Plots earmarked for educational institutions in private sector shall be allotted after inviting applications and as per criteria to be laid down by the CDA Board.

(5) Plots for other private institutions, including plots for hospitals, maternity homes, clinics, art galleries, gymnasiums, amusement parks, etc., shall be sold/ leased by auction:

Provided that CDA Board may decide to dispose of certain plots in this category through auction amongst pre-qualified parties.

(6) Large scale, social sector projects, involving large tracts of land, like a private university, may be considered for special dispensation by the Federal Cabinet on a case-to-case basis.

COMMENTS

Synopsis

1. Allotment of plot without advertising. 2. Cancellation of allotment.

1. Allotment of plot without advertising. According to Regln. 7(4) of Islamabad Land Disposal Regulations, 2005, allotment could be made after inviting applications. Application could not be invited without publicizing plot in newspaper. Board had to lay down criteria after receiving applications for allotment. Neither suit plot had been publicized nor on basis of criteria mentioned in such advertisement any plot finding mention therein could be allotted to a person not running school in Islamabad. Chairman, CDA in his affidavit filed in Court had admitted allegations made in constitutional petition except allegation regarding nepotism after undertaking to allot suit plot in accordance with law and criteria laid down. Respondent-allottee by filing in Court his affidavit
gave up his claim regarding suit plot. High Court accepted constitutional petition and directed CDA to proceed with allotment of suit plot in accordance with law and procedure [2011 CLC 814].

2. Cancellation of allotment. Capital Development Authority Board approved 30% quota for educational institutions from outside Islamabad and remaining 70% for schools running in the Capital Territory. No other document was available with the Authority to establish that the Board had not approved policy to allot 30% of plots to educational institutions not established in Islamabad. When Capital Development Authority itself received application of petitioner, scrutinized it, entertained it and approved it by allotting plot in question to petitioner to establish school, received huge amounts from petitioner, put petitioner in possession of disputed plot, issued possession certificate to petitioner and approved its building plan, then the Authority could not assert that some other policy was formulated. High Court declared the order of cancelling allotment and return of pay orders to petitioner to be null and void and set aside cancellation order. Petition was allowed in circumstances [2015 CLC 779].

8. Administrative and Public Sector Plots.- These Plots shall be allotted to the respective Ministries, Government agencies and autonomous/ semi autonomous organizations of the Government by the Board at such rates as may be determined by it from time to time:

Provided that these plots may also be allotted to International and Regional Organizations of which Pakistan is a member, on the recommendation of the Federal Government at such rates as the Authority may determine from time to time.

9. Industrial Plots.- Industrial plots shall be sold or leased through open auction. Plots for extractive industries will, however be given only on license terminable on 3 months notice and on payment of such periodical license fee as may be prescribed.

10. Diplomatic Plots.- These plots shall be allotted to foreign Governments for their diplomatic missions or for the residences of their representatives on the recommendation of the Ministry of Foreign Affairs:

Provided that subject to availability of land, plots in Diplomatic Enclave may also be allotted to International and Regional Organizations of which Pakistan is a member, on the recommendation of the Federal Government at such rates as the Authority may determine from time to time.

2[11. Public Parks.- (1) Public Parks, playing fields and graveyards, shall be planned, developed and maintained by the Authority. However, the Authority may license/rent out some sites or the portions of public parks, playing

COMMENTS

Penalty for non-conforming use. Where tenant has not denied the non-conforming use of rented building then imposition of penalty by Deputy Commissioner in exercise of powers under Regulations 2.17.3 and 2.17.4 of Islamabad Residential Sectors Zoning (Building Control) Regulations, 2005 was right [PLD 2011 Isl. 36].

Non-conforming use. Basic law on the subject which regulates reservation of land, development of land, allotment of land, construction of building and use of building in Capital Territory under Capital Development Authority Ordinance, 1960, provides no room for establishment of guest houses in residential buildings. If someone wants to protect source of his livelihood he has option to purchase land from commercial centres and to establish his hotels and guest houses in those areas and then the State would protect his rights to livelihood and nobody is supposed to interfere in that process. Petitioners failed to point out any illegality in order passed by authorities who were proceeding in accordance with law to implement rules and regulations. One wrong cannot justify other wrong if some persons who have been using residential buildings for commercial purposes have not been proceeded against no advantage or concession can be extended in favour of petitioners on such score. Business of petitioners may be lawful but places where the businesses have been started are not meant for business and such restriction imposed by government through Capital Development Authority Ordinance, 1960, and regulations framed thereunder are lawful restrictions in the supreme welfare of inhabitants. Mess of non-conforming use has disrupted civic fiber in the city, manipulated master plan of the capital and infringed fundamental rights of inhabitants increasing violation has posed serious threats and enhanced diminishing law and order situation. High Court directed the authorities to act in accordance with law, justice, fairness and honesty by enforcing laws and regulations. Petition was dismissed in circumstances [2015 YLR 998].

Synopsis

1. Determination of jurisdiction. 2. Concurrent jurisdiction of Islamabad and Lahore High Court.

1. Determination of jurisdiction. Jurisdiction of Islamabad High Court under section 4 of the Islamabad High Court (Establishment) Act, 2010 is restricted to the Islamabad Capital Territory. Where registered office of a bank was at Islamabad and was a Corporation which carrying its business all over Pakistan then such case would be covered under section 20 of Code of Civil Procedure, Explanation 2 and such High Court would have jurisdiction within whose jurisdiction cause of action arose [2011 PLC (C.S.) 1434].

2. Concurrent jurisdiction of Islamabad and Lahore High Court. Islamabad High Court has the absolute jurisdiction in respect of Islamabad Capital Territory, in original, appellate, revisional and other jurisdiction as under the Constitution or the laws in force immediately before the commencement of the Islamabad High Court Act, 2010. Islamabad High Court enjoys the jurisdiction in respect of capital territory which was earlier enjoyed by the Lahore High Court. Inspite of the promulgation of Islamabad High Court Act, 2010 the Lahore High Court has the jurisdiction over Islamabad Capital Territory. Lahore High Court and Islamabad High Court, therefore, enjoy concurrent jurisdiction on Islamabad Capital Territory [2014 PLC (C.S.) 203].

5. Powers of Chief Justice and other Judges.- Any law in force immediately before the appointed date relating to the powers of the Chief Justice and of single Judges and Benches of the Lahore High Court, and with respect to all matters ancillary to the exercise of those powers, shall, mutatis mutandis, apply in relation to Islamabad High Court.

6. Other Courts.- (1) Subject to the provisions of this Act and any order of the competent authority, all civil, criminal and revenue courts, and all tribunals and special courts established under any law, which were exercising jurisdiction and functions in the Islamabad Capital Territory immediately before the commencement of this Act shall continue to exercise their respective jurisdiction and function and all persons holding office in such courts or tribunals or special courts shall continue to hold their respective offices on the same terms and conditions as were applicable to them immediately before the commencement of this Act, unless otherwise determined by the competent authority.

(2) Notwithstanding anything contained in any other law for the time being in force, all civil, criminal and revenue courts and all tribunals and special courts functioning in Islamabad Capital Territory which were within the jurisdiction and under the superintendence and control of the Lahore High Court before the commencement of this Act shall, as from the appointed date, fall within
The jurisdiction and under the supervision and control of the Islamabad High Court.

(3) The Islamabad High Court shall take necessary steps for establishing sub-ordinate judiciary for the Islamabad Capital Territory within six month of the commencement of this Act. The judges of the sub-ordinate judiciary working on deputation shall be sent back to the respective High Courts after establishment of the sub-ordinate judiciary for the Islamabad Capital Territory.

(4) There shall be two Sessions Divisions in the Islamabad Capital Territory with such territorial limits as may be determined in this behalf by Notification in the official Gazette.

7. Procedure as to appeals to Supreme Court.- Any law in force immediately before the appointed date relating to appeals to the Supreme Court from the Lahore High Court in respect of cases relating to Islamabad Capital Territory shall, with the necessary modification, apply in relation to Islamabad High Court.

8. COMMENTS

Synopsis

1. Nature of property.

2. Exemption of public property from taxation.

3. Exemption of Public Limited Company.

1. Nature of property. Appellants being owners of hotels, motels and restaurants were aggrieved of levy of property tax on commercial rates and claimed to be industry on the plea that authorities were charging electricity and gas dues on industrial rates from them. Validity. No statutory enactment had been made in Capital Development Authority Rules, whereby hotels/motels situated in the jurisdiction of Capital Development Authority were included in the term ‘industry’, ‘industrial’ or ‘institution’, as such appellants could not claim such relief. Appellants were allotted commercial plots for construction of hotels. Orders or notifications of Federal Government under other laws declaring business of hotel as industry would not affect the nature of building or use of plot as defined in the Regulation 3 of Islamabad Land Disposal Regulation, 1993. Amendment had also been made in Notification No. 24(I)/2001, dated 11.1.2001, through Notification No. 783(I)/2003, dated 9.8.2003, whereby non-residential properties outside commercial areas were included in the heading ‘commercial’. Finding of High Court that until no statutory enactment declaring hotel/motels and restaurants located in Islamabad Capital was made by competent authority, appellants could not, as a matter of right, claim to be charged at such rate, was unexceptionable. Appeal was dismissed [2006 SCMR 1738].

2. Exemption of public property from taxation. University was working in furtherance of the objectives of Ministry of Education, Federal Government, and could be considered as an attached department of the Ministry of Education and could be termed as Federal Government entity. Main source of funding the University was the grant/financial assistance extended by the Federal Government through Higher Education Commission and Federal Government exercised over all control over the affairs of the University. University being a statutory corporation and not a corporation under the Companies Ordinance, 1984 or Societies Act, 1925 and providing basic necessities was entitled to the benefit of Article 165 of the Constitution. Objectives of the University was not a business/commercial rather was a non-profit organization. Students and public-at-large was the beneficiary of the University; State was direct beneficiary because its objectives of promotion of education and literacy were achieved through the University. Properties/assets including land and buildings of the University would revert to the Federal Government in the eventuality of its closure. University being Federal Educational Institution was operating under the Control of Ministry of Education, Government of Pakistan, as such, was not liable to pay the Property Tax. University fell under clause 4(6) of the C.D.A. S.R.O. No. 24(I)/2001 dated 11-1-2001, wherein the buildings and lands owned by the Federal or a Provincial Government were exempted 100% from the levy of property tax. Authorities had demanded the commercial property tax from the University which was contrary to law and facts of the case. Constitutional petition of the University was allowed in circumstances [2010 YLR 1339].

3. Exemption of Public Limited Company. Notice issued by the Capital Development Authority (CDA) demanding property tax from Pakistan Television Corporation on its immovable properties situated within territorial limit of Capital Development Authority. PTV's claim to be exempt from levy of such tax in terms of S.R.O. 24(I)/2001, dated 11-1-2001 for being wholly owned, administered and managed by Federal Government. Validity. Para 4(6) of the S.R.O. provided about exemption of buildings and land vesting in Federal or Provincial Government from levy of such tax while excluded benefit of such exemption to public and private corporations. PTV by its nature was a commercial venture and its legal status was that of a Listed Public Limited Company and by fiction of law a juristic person to hold properties in its own name. Hundred per cent shareholdings of PTV did not vest in Federal Government despite having dominating hand in all administrative affairs of PTV. Articles of Association of PTV provided that share capital and assets including its immovable properties subjected to such tax were owned by PTV itself and not Federal Government. Appeal was dismissed in circumstances [2011 SCMR 1117].

Whereas it is considered expedient to amend, revise and reformulate the rehabilitation policy of the CDA:

It is hereby reformulated as under:

1. Short title, commencement and application.- (1) This policy may be called the Islamabad Displaced Persons Rehabilitation Policy, 1996.
(2) It shall come into force at once.
(3) It shall apply to persons displaced in Islamabad in consequence of acquisition of their land or built-up-properties prior to 1st January 1996.

2. Definitions.- In this policy, unless there is any thing repugnant in the subject or context.—

(a) "Affectee" means a person whose land and or built-up-property has been acquired under the CDA Ordinance, 1960, prior to 1st January 1996.

(b) "Family Unit" means the affectee, his or her spouse & unmarried daughters, minor male sons dependent upon & residing with the affectee at the time of acquisition.

(c) "Model Village" means an agro-village or sub-urban center developed as such, in the rural areas of Islamabad i.e. the areas outside the areas specified under section 15A of the CDA Ordinance, 1960, for the purposes of application of the Municipal Administration Ordinance.

3. Policy.- Subject to the conditions hereinafter appearing, residential plots in model villages in Islamabad or agricultural land in the colony districts of the Punjab and Sindh or Agro-farms in Islamabad will be offered to the affectees, on humanitarian grounds, for their permanent rehabilitation.
4. Allotment of residential plots.- The residential plots shall be allotted to the affectees according to the following scale namely:

(i) Where the land acquired is with or without built up property thereon and the area of land acquired is—

(a) 4 Kanals or More = a plot of 25x50 Size
   but less Than 10 Kanals.

(b) 10 Kanals or more. = a plot of 30x60 size for every complete unit of 10 Kanals of acquired land.

Provided that where the land acquired is less than 4 kanals, the affectee will be allowed to join other affectees to make up the deficiency in the minimum area of 04 kanals to be eligible for joint allotment of a plot.

(ii) Where built up property is acquired in Abadi Deh, residential plots will be allotted to the affectees notwithstanding the ownership of the land beneath the Where built up property on the following criteria: -

<table>
<thead>
<tr>
<th>Area of BUP</th>
<th>Plot Size</th>
</tr>
</thead>
<tbody>
<tr>
<td>i) 300 to 499 Square feet</td>
<td>Plot of 25'x50'</td>
</tr>
<tr>
<td>ii) 500 Square feet and Upwards.</td>
<td>Plot of 30'x 60'</td>
</tr>
</tbody>
</table>

The allotment will, however, be subject to the condition that the affectee has not availed any benefit against acquisition of land, if any, acquired from him, provided that where the acquired built up property is located outside Abadi Deh, residential plots will be allotted to the affectee of the built up property, as in the case of Abadi Deh, only if the land beneath is owned by the affectee himself.

5. Allotment of Agricultural Land.- Where an affectee individually, or as a group of affectees, has lost in acquisition to the CDA cultivable land not less than 50 Kanals in area, he or, as the case may be, they will have the option to apply, in lieu of the residential plot, for agricultural land in the colony districts of the Punjab and Sindh under their colonization scheme in which case he or they will be issued Eligibility Certificate (EC) for double, the area of land acquired from him or, as the case may be, them.

6. Allotment of Agro-farm.- Where an affectee individually, or a group of affectee, has lost in acquisition to the CDA cultivable land not less than 100 kanals in area, he or, as the case may be, they will have the option to apply, in lieu of the residential plot and the agricultural land in the colony districts, for agro-farm in Islamabad.

Provided, that in case of grouping, no member of the group should have lost, in acquisition, less than 10 kanals of cultivable land.
7. **Options to be final.**

(1) Instead of taking up individual cases, the rehabilitation of affectees will be taken up revenue estate-wise and award-wise and options under paragraphs 5 and 6 will be available to the affectees within six months from the date of the rehabilitation of their respective revenue estate or award is taken up which date will be duly publicized. The option once exercised shall be final.

(2) The options under paragraphs 5 to 6 will be available to the affectees of pre-October 1984 acquisition irrespective of whether E.Cs has been issued to them or not. However, where E.Cs had been issued, the option will be available to them only if they have not utilized the EC and surrender the unutilized EC to the CDA.

(3) The options will not be available to the affectees who were issued E.Cs after 1st October 1984, as they are deemed to have already exercised this option.

8. **Conditions in general.**

(1) Allotment of residential plots, agricultural land or agro-farm shall be subject to prior submission of an affidavit to the effect that no member of the family unit of the affectee owns a plot or house in Islamabad or has already availed of any rehabilitation benefit from the CDA. This affidavit will be further subject to the Scrutiny of and acceptance by the CDA. Any false affidavit will render the executants of that affidavit disqualified for any rehabilitation benefit from the CDA for all times and if any allotment has been made, it will render that allotment liable to be cancelled even if construction has been raised thereon and the amount already paid towards its price liable to be forfeited.

(2) In the cases of BUPs acquired prior to 18-9-1978, only those cases will be considered where the affectees had filed his application for allotment of residential plot by 18-9-1978 along with the bank draft of Rs.200/-. All other cases of acquisition of BUPs alone stand closed.

(3) Only one rehabilitation benefit will be admissible under this policy, that is, the affectee will be allowed either a residential plot or agricultural land in the colony districts of the Punjab or Sindh or agro-farm(s) in Islamabad. Where a rehabilitation benefit has already been availed of under a previous policy or the case has otherwise been closed, it will not be re-opened.

(4) No minor will be independently allotted a residential plot against land or BUP acquired from his name. However, his land or BUP can be joined for making up the deficiency in the minimum area of 4 kanals of land or the minimum covered area of 1000 square feet or for the purpose of allotment of agricultural land or agro-farm.

(5) Where an affectee dies before availing any rehabilitation benefit under this policy, the benefit will be available to the surviving members of his/ her family unit provided they have not already been rehabilitated in any manner whatsoever, whether individually or jointly.
Acquisition of property by inheritance will, however, have no adverse affect on the claim of the surviving members for rehabilitation benefits, which they may be otherwise entitled to.

(6) It will be in the discretion of the CDA to take up a revenue estate for rehabilitation and to rehabilitate its affectees in one model village or the other. However, as a matter of policy, efforts will be made to rehabilitate the affectees of one revenue estate in one model village as far as possible.

(7) All the benefits under this policy are admissible subject to prior vacation and peaceful handing over physical possession of acquired land and built-up-property to the CDA. The affectee and even the subsequent transferee, if any, of the plot or agro-farm allotted to him will ensure that this possession of the CDA is not disturbed or interfered with in any manner thereafter also. If at any stage it is established that the possession of the CDA over the acquired land or built up property has been disturbed or interfered with in connivance with or due to negligence of the affectee or the transferee that will render the allotment of residential plot or the agro-farm liable to be cancelled.

(8) Allotment of residential plots and agro-farms will be restricted to the quotas reserved for the affectees in the Islamabad Land Disposal Regulations, 1993, and issuance of E.Cs for agricultural Land in the colony districts of the Punjab and Sindh will be restricted to the land reserved for the Islamabad affectees in those districts.

(9) Package deal already made with the affectees will be honored and implemented but no package deal will be made with the affectees in future.

(10) Cancellation of previous policy. The Islamabad Displaced Persons Rehabilitation Policy, 1984, and all ancillary instructions and policy decisions taken in this behalf previously are hereby cancelled. However, all allotments made, including decisions taken by the competent authority to make any allotments are hereby confirmed.

CODE OF CONDUCT TO BE OBSERVED BY THE JUDICIAL OFFICERS WORKING UNDER THE CONTROL & SUPERINTENDENCE OF ISLAMABAD HIGH COURT, ISLAMABAD

[16th January, 2012]

No.- Genl/IHC/2012/5278.- In addition to the all relevant Laws, Rules, Regulations and the instructions issued by this Court from time to time, Islamabad High Court, Islamabad prescribed the following Code of Conduct to be observed by the Judicial Officers working under the control & superintendence within its jurisdiction.

CODE OF CONDUCT

“Justice is not only a sacred trust bestowed upon certain individuals in a society to resolve disputes between the people but, is a divine virtue, creating theological foundations of every religion in the world. Societies and States from time immemorial have devised different systems of administration of justice but, by and large every system of administration of justice experienced by the humanity in its historical discourse, created certain code of conduct for its judges and decision makers. Our Islamic, Oriental and Anglo-Saxon heritage of legal jurisprudence presents a unique blend of performance standards for judges and judicial officers. Having its geneses in the said heritage, Islamabad High Court, Islamabad is pleased to prescribed the following code of conduct for the members of its subordinate judiciary.

a. ACCOUNTABILITY

Justice is a sacred trust and a judicial officer should exercise his judicial powers with honesty, responsibility and commitment. He must always be mindful of the fact that he is not merely accountable to his superiors but also accountable to Allah Almighty.

1 Published in the Gazette of Pakistan, Extraordinary, Part III, Karachi, dated 20th April, 2012, at pages 153-156.
b. INDEPENDENCE

While discharging his duties, he should always hold a position of independence and should neither be impressed by love for his kith and kin nor he should be influenced by the authority of his superiors.

c. CONSCIENCE

While deciding a case, a judicial officer should only be guided by his own conscience and judicial considerations and should not be influenced by any fear or bias. He should discharge his duties without fear and favour to any party before him or their lawyers, both in his judgment and conduct.

d. SELF RESTRAINT

He should not hear the cases in which his near relative or close friends have got any interest. He should not privately advise any of the party, so that if becomes a favour to the prejudice of the other party. He must avoid discussing particular cases before them save allowed by law or when it is intended to give advise or counselling by a higher forum to a lower forum. He must avoid hearing cases, receiving guests or his colleagues in his retiring room, besides avoiding frequent use thereof, except in urgent need. To ensure that justice is not only done but, is also seen to be done, a judge must avoid all possibility of his opinion or action in any case being swayed by any consideration of personal advantage either direct or indirect. To keep himself above reproach, his conduct in his official and private capacity should be free from impropriety.

e. BEHAVIOUR

A judicial officer should be God fearing, law abiding, abstemious, truthful of tongue, wise in opinion, cautious and forbearing, patient and calm, blameless, untouched by greed, completely detached and balanced, faithful to his words and meticulous in his functions. His behaviour should be gentlemanly, particularly towards the litigants and lawyers. He should be courteous and polite but firm and dignified to maintain decorum of the court. While dealing with others, a judicial officer should always imagine himself in juxtaposition.

f. PUBLIC GATHERINGS

He should avoid to mix-up with general public and members of the bar. He should also avoid to attend private Parties and functions at public places including hotels, markets and streets except in dire need.
g. IMPARTIALITY

A judge should give equal treatment to the parties, who bring their disputes to him for decisions. The Prophet (P.B.U.H) of Islam is reported to have said that if one of you is appointed as a judge, let him give equal treatment to the parties with respect to their sitting arrangement, in respect of giving attention to them or in respect of even looking towards them. Thus, the judge must not show any sign or gesture towards any party appearing in his court, which gives suspicion that he is favourably inclined to that party. Caliph Hazrat Umar (R.A) once snubbed a judge before whom he appeared in a case, as the judge tried to show the Caliph respect by standing up in his honour. A judge is therefore obliged to be completely impartial.

h. INTEGRITY

A judge must be very honest and he should not be tempted by bribery or other offers. The Quran prohibits giving bribe to judges when it says, “And eat not up your property among yourselves in vanity, nor seek by it to gain the hearing of the judges that ye may knowingly devour a portion of a property of others wrongfully. The Prophet (P.B.U.H) is also reported to have cursed the bribe takers and the bribe givers. According to another tradition, the Holy Prophet (P.B.U.H) said that one who gives bribe and one who takes bribe are both in Hell.

A judge must not accept presents or gifts as the acceptance of gifts by a public functionary, according to the Holy Prophet (P.B.U.H), is ghulul (misappropriation). However, some jurists are of the opinion that a judge can accept presents from his close relations and also from his friends, who used to give him presents before his appointment as judge. But the best course is that he must avoid gifts as they are a way of bribery. A judge should not indulge in any trade or business and must avoid going to the market for a purchase or sale. A judge should also avoid transactions like lending or borrowing as it effects his office and position.

i. ATTIRE OF A JUDGE

According to Muslim jurists, a judge must come in his best and the most dignified attire. A judge is enjoying a respectable and dignified position in the Islamic society, thus, his appearance must also be dignified accordingly. It is desirable for a judge to wear prescribed proper and respectful dress, as the absence of it will lower his status and position before litigants.
A judge must be patient and cool headed person because, if he is impatient and short tempered, he may pronounce a wrong judgment out of an excitement or anger and in such a case, he is likely to do either injustice to one party or undue favour to another. Hazrat Ali (A.S.) in his letter to Maalik-bin-Ashtar gave following instructions regarding the conduct of judges while they hold their courts. This esteem letter provides the golden principles for a judge to conduct his court and deliver his decisions.

I. "Abundance of litigations and complexity of cases should not make them lose their temper.

II. When they realize that they have committed a mistake in judgment, they should not insist it by trying to justify it.

III. When truth is made clear to them or when right path opens up before them, they should not consider it below their dignity to correct the mistake made or to undo the wrong done by them.

IV. They should not be corrupt, covetous or greedy.

V. They should not be satisfied with ordinary enquiry or scrutiny of a case, but should scrupulously go through all the pros and cons, they must examine every aspect of the problem carefully, and whenever and wherever they find doubtful and ambiguous points, they must stop to go through further details, clear the points and only then proceed with their decision.

VI. They must attach greatest importance to reasoning, arguments and proof.

VII. They should not get tired of lengthy discussions and arguments.

VIII. They must exhibit patience and perseverance in scanning the details, in testing the points presented as true, in sifting facts from fiction and when truth is revealed to them, they must pass their judgements without fear, favour or prejudice.

IX. They should not develop vanity and conceit when compliments and praises are showered upon them.

X. They should not be misled by flattery and cajolery."

No. Genl/IHC/2012/5279.- In exercise of the powers conferred by Section 7 of the Oaths Act 1873 (X of 1873), the Islamabad High Court, Islamabad has been pleased to prescribe the following forms of oath (for Muslims & Non-Muslims) to be made by all the persons mentioned in section 5 of the Oaths Act, 1873 before the courts and other authorities detailed in section 4 ibid.
