# 11.7 POLICY FOR DETERMINATION OF CORNER PLOT CHARGES.

10927/1325/BM/17

08-08-'17/11<sup>TH</sup>

## DECISION

After due deliberations the summary was approved by the Board upholding the following recommendations duly endorsed by Member Planning & Design:-

- 10 % of last updated average auction price may be charged as corner plot charges for such plots that are situated at the intersection of two Vehicular streets/roads.
- 5% of last updated average auction price may be charged as corner plot charges for such plots which abut on Vehicular Streets/Road on one side and adjacent to 30 feet wide Non-Vehicular Galis/Lanes/Street on the other side. Planning Wing will duly declare the plot as corner. Plots located at streets less than 30' wide shall not be considered as "Corner Plots".
- A fixed rate for each series based on updated average auction results of all sectors in each series as per criteria at (i) & (ii) above, may be maintained

as corner charges with 5% increase in fix rates on annual basis. Following rates for each series have been worked out and also annexed with summary.

(Rs./Sq yd.)
