1. The layout plan of open space between  
the mosque and the G.T.S. bus stop in  
Class-V centre of sector G-6.

The layout plan of open space between the mosque and the bus stop in Class-V centre of sector G-6 was presented and explained by Mr.Heath. After due consideration, the overall plan was approved by the Board. The Director of Horticulture was asked to undertake the work relating to the landscaping development as suggested in the plan during the current monsoon season. It was desired that Mr.Kato, the landscape Architect, may be asked to suggest a Japanese type, cheap design for the proposed club building, which may also include a covered badminton court. After the preparation of the design, cost estimates should be prepared and the Director Planning should enquire from the Establishment Division (Staff Welfare Organisation) if they would like to takeover and finance the entire sports and club area.

2. Recovery of development cost from  
Pakistan Atomic Energy Commission.

The note prepared by the Finance Officer was considered and it was decided that development charges should not be levied from the Pakistan Atomic Energy Commission and the National Health Laboratories. In view that the roads and overall
