Item No. I

Sub: PROGRESS OF C.D.A. WORKS.

The Board considered the summary and the progress  
of C.D.A. works during the month of January, 1966 :-

1. WATER SUPPLY

The Director (W&S) assured that the following works  
necessary to supplement the present water supply arrangements  
in Islamabad would be completed on the dates indicated  
against each work :-

- a) Water supply from nullah in the golf  
course area. - 31-3-1966.
- b) Scheme based on the Korang river  
after obtaining necessary clearance - 30-4-1966.  
from WAPDA.
- c) Completion of <sup>K<sub>1</sub></sup> Simly Conduction  
mains. - 31-5-1966.

(Conduction mains from Kurang  
river to Islamabad distribution  
system will, however, be completed  
by 31-3-1966)

- d) Completion of filter beds at Simly for  
interim supply of water to Islamabad. - 31-5-1966.

About the Korang river scheme the Director (W&S) explained  
certain difficulties with regard to the land required for  
laying of the pipes. In order to solve this difficulty the  
Additional Director Lands was asked to complete the  
acquisition proceeding, if not already done and to arrange  
the payment of compensation to the affected people immediately.

of the west principal read the views of the D.O.W., the Director of Roads and Mr.Sutherland were also considered. During the discussion several alternatives were brought up and the Board desired that the economics of these alternatives be worked out by the Director of Roads and Mr.Sutherland, keeping in views the proposal of the Director of Planning as well as the traffic requirements.

The plan, leaving the north-west corner which is affected by the change in the alignment of the west principal road, was approved with the observation that provision for more followers' quarters be made. It was desired that the plots be numbered and the plan supplied quickly to the Estate Officer for further action.
