MINUTES OF EXECUTIVE MEETING HELD ON 24.9. 1983.

The meeting was presided over by the Chairman, CDA.

The following also attended:-

1. Member (Admin), CDA.
2. Member (T), CDA.
3. F.A/Member, CDA.
4. Secretary, CDA.
5. Director Planning, CDA.
6. Director Coordination, CDA.

The Board considered the following items:-

1. PROVISION OF BASIC FACILITIES TO THE VILLAGES  
FALLING IN URBAN AREAS OF ISLAMABAD.

Director Planning explained the salient features of the summary on the subject.

The Chairman opined that the proposal carries a lot of important aspects which need to be gone into very carefully. There are certain issues involved which have to be squarely faced.

The Chairman, after giving his detailed views directed Director Planning to carry out following exercise:-

- a) Carry out statistical survey of the growth pattern in Islamabad comparing the physical growth with that initially projected in Master Plan.
- b) Ascertain the actual number of people to be dislocated and identify the available space for their re-location.
- c) Evolve fresh look on the concept of Model villages as the present shape as projected is not clear.
- d) Identify areas of base of the Model Villages i.e. Agrobases and Agrobased industries. Director Horticulture and Addl: Director Lands should be associated with this study.

Chairman further proposed to create two Units for the purpose of relocation of dislocated persons and providing social services to them. The Chairman finally desired that the whole plan should be clearly spelt out by Director Planning.

Action by: Director Planning.  
Director Horticulture.  
Addl: Director Lands.
