

MINUTES OF THE SPECIAL BOARD MEETING
HELD ON DECEMBER 29, 72 IN THE OFFICE
OF F.A/M AT 10.00 A.M. TO CONSIDER
THE POINTS RAISED BY FIRE STAFF UNION.

Points represented by the Fire Staff Union & put up by Director Coordination on file No.CDA/DC-8(1)(6)/72(paras 1-12/N) were discussed at a Special Board Meeting held on December 29, 1972 at 10.00 A.M. Following were present:-

1. A/Chairman, CDA.
2. F.A/Member, CDA.
3. Secretary, CDA.
4. Director Coordination.
5. Director Finance.
6. Law Officer.

-2. Following decisions were taken :-

- a) The demand against the promotion of Mr. Ghulam Mohiuddin as Fire Instructor was previously scrutinised by the Board and the decision already taken by the Board will not be reversed. The demand amounts to interference in the administration and hence rejected.
- b) Appointment of Mr.Khalil Qureshi as LDC in the Fire Headquarters is an administrative matter of the Directorate of Coordination. The Union has no business to object to his appointment and they should be informed accordingly.
- c) Action of the Director Coordination to suspend M/3: Olat Khan, Mohammad Ismail and Shan Khel the employees of the Fire Headquarters is justified as there exists a strong prima-facie case against the delinquents who whilst on duty physically beat another Fireman on duty. In view of the prevailing indiscipline in the Fire Headquarters there is no justification for the reinstatement of the accused till the enquiry is over.
- d) It is for the CDA to decide what business should be allocated to any of the offices/directorates. Fire Headquarters has been transferred to Directorate of Coordination in the interest of public service. The Union has no business to challenge the decision of the Board.
- e) Services of Mr.Sabir & Mr.Saeed Akhtar, Firemen of Fire Headquarters were dispensed with by DMA having become over and above the sanctioned strength due to return of army reservists to Fire Headquarters. As a rule the junior most on the seniority list should have been discharged.
- f) The Secretary may examine the case already submitted to him separately by the Directorate and put up recommendations. DMA should be asked to explain the reasons for deviation from the recognised practice.

- g) Mr. Niaz Mohammad, Engine Operator and Mr. Lal Khan, Fireman of Fire Headquarters should be transferred to their new office i.e. Comptroller Secretariat Buildings alongwith their posts in the same pay scale. Transfer orders already issued by the Establishment Section should be amended accordingly.
