The summary on the captioned item was presented to the Board by the Director Architecture. The Board felt that since the building has not been designed to be used for "drive-in-branch of Habib Bank Ltd.", the opening of such bank now appears to create traffic hazard. Planning Directorate may examine and suggest alternative traffic approaches. Habib Bank Ltd. may be told to rent the other side of the building on which side there is a car park provided it is established that traffic problems shall not be created.
